Jeanne M. Britton

Pity In Fin De Siecle French Culture Liberte Egalite Pitie:

Pity in Fin-de-Siècle French Culture Gonzalo J. Sanchez, 2004-02-28 The scrutiny of pity as a cardinal altruistic attribute has emerged in the last two decades as a significant common denominator in disciplines ranging from philosophy to social psychology and comparative literature to gender studies Pity is a term and concept of tremendous importance to a historian and interpreter of the humanities and social sciences It is a prism through which to examine how given cultures attach value to nonrational components of social life and of human flourishing Sanchez describes how an appeal to a reader's sense of traditional pity in the writings of French philosophers pedagogues social theorists and novelists interacted in the sociopolitical sphere of the de si cle with the interest in studying and promoting this very virtue as a principle of social attachment This study brings to light striking parallels from one de si cle to another highlighting the extensive rhetorical and emotive investment of various French disciplines in both probing and promoting pity In doing so a number of French thinkers and writers both major and subsequently ignored forged a cognitive theory of sentiments that intriguingly presages contemporary theories They also codified a discursively and rhetorically doctrinaire pity that was reflected in pedagogy especially female education political philosophy and psychology literary criticism and fiction in ways that are still instructive for us today

The Royal Throne of Mercy and British Culture in the Victorian Age James Gregory, 2020-10-01 In the first detailed study of its kind James Gregory's book takes a historical approach to mercy by focusing on widespread and varied discussions about the quality virtue or feeling of mercy in the British world during Victoria's reign Gregory covers an impressive range of themes from the gendered discourses of emotional appeal surrounding Queen Victoria to the exercise and withholding of royal mercy in the wake of colonial rebellion throughout the British empire Against the backdrop of major events and their historical significance a masterful synthesis of rich source material is analysed including visual depictions paintings and cartoons in periodicals and popular literature and literary ones in sermons novels plays and poetry Gregory's sophisticated analysis of the multiple meanings uses and operations of royal mercy duly emphasise its significance as a major theme in British cultural history during the long 19th century This will be essential reading for those interested in the history of mercy the history of gender British social and cultural history and the legacy of Queen Victoria's reign [Mercy and](#)

[British Culture, 1760-1960](#) James Gregory, 2021-11-04 Spanning over 2 centuries James Gregory's *Mercy and British Culture 1760-1960* provides a wide reaching yet detailed overview of the concept of mercy in British cultural history While there are many histories of justice and punishment mercy has been a neglected element despite recognition as an important feature of the 18th century criminal code *Mercy and British Culture 1760-1960* looks first at mercy's religious and philosophical aspects its cultural representations and its embodiment It then looks at large scale mobilisation of mercy discourses in Ireland during the French Revolution in the British empire and in warfare from the American war of independence to the First World War This study concludes by examining mercy's place in a twentieth century shaped by total war atomic bomb and decolonisation

The Significance of the Hypothetical in the Natural Sciences Michael Heidelberger, Gregor Schiemann, 2009-12-22

How was the hypothetical character of theories of experience thought about throughout the history of science The essays cover periods from the middle ages to the 19th and 20th centuries It is fascinating to see how natural scientists and philosophers were increasingly forced to realize that a natural science without hypotheses is not possible *Precarious Partners* Kari Weil, 2020-03-23 From the recent spate of equine deaths on racetracks to protests demanding the removal of mounted Confederate soldier statues to the success and appeal of War Horse there is no question that horses still play a role in our lives though fewer and fewer of us actually interact with them In *Precarious Partners* Kari Weil takes readers back to a time in France when horses were an inescapable part of daily life This was a time when horse ownership became an attainable dream not just for soldiers but also for middle class children when natural historians argued about animal intelligence when the prevalence of horse beatings led to the first animal protection laws and when the combined magnificence and abuse of these animals inspired artists writers and riders alike Weil traces the evolving partnerships established between French citizens and their horses through this era She considers the newly designed races of workhorses who carried men from the battlefield to the hippodrome lugged heavy loads through the boulevards or paraded women riders amazons in the parks or circus halls as well as those unfortunate horses who found their fate on a dinner plate Moving between literature painting natural philosophy popular cartoons sports manuals and tracts of public hygiene *Precarious Partners* traces the changing social political and emotional relations with these charismatic creatures who straddled conceptions of pet and livestock in nineteenth century France *The history of emotions* Rob Boddice, 2017-12-28 This book introduces students and professional historians to the main areas of concern in the history of emotions It discusses how the emotions intersect with other lines of historical research relating to power practice society and morality Addressing criticism from within and without the discipline of history the book offers a rigorous defence of this new approach demonstrating its potential centrality to historiographical practice as well as the importance of this kind of historical work for our general understanding of the human brain and the meaning of human experience *Vicarious Narratives* Jeanne M. Britton, 2019-09-19 Adam Smith's *Theory of Moral Sentiments* 1759 defines sympathy as a series of shifts in perspective by which one sees from a different point of view British and French novels published over the following century redefine sympathy through narrative form shifting perspectives or stories within stories in which one character adopts the voice and perspective of another Fiction follows Smith's emphasis on sympathy's shifting perspectives but this formal echo coincides with a challenge For Smith and other Enlightenment philosophers the experience of sympathy relies on human resemblance In novels by contrast characters who are separated by nationality race or species experience a version of sympathy that struggles to accommodate such differences Encounters between these characters produce shifts in perspective or framed tales as one character sympathizes with another and begins to tell her story echoing Smith's definition of sympathy in their

form while challenging Enlightenment philosophy's insistence on human resemblance. Works of sentimental and gothic fiction published between 1750 and 1850 generate a novelistic version of sympathy by manipulating traditional narrative forms: epistolary fiction, embedded tales, and new publication practices. The anthology, the novelistic extract, second-hand stories transform the vocal mobility, emotional immediacy, and multiple perspectives associated with the declining genre of epistolary fiction into the narrative levels and shifting speakers of nineteenth-century frame tales. Vicarious Narratives argues that fiction redefines sympathy as the struggle to overcome difference through the active engagement with narrative by listening to re-telling and transcribing the stories of others.

Love, Order, and Progress Michel Bourdeau, Mary Pickering, Warren Schmaus, 2018-05-22

Auguste Comte's doctrine of positivism was both a philosophy of science and a political philosophy designed to organize a new secular stable society based on positive or scientific ideas rather than the theological dogmas and metaphysical speculations associated with the ancien régime. This volume offers the most comprehensive English language overview of Auguste Comte's philosophy, the relation of his work to the sciences of his day, and the extensive continuing impact of his thinking on philosophy and especially secular political movements in Europe, Latin America, and Asia. Contributors consider Comte's reasons for establishing a Religion of Humanity as well as his views on domestic life and the arts in his positivist utopia. The volume further details Comte's attempt to apply his positive method first to social science and then to politics and morality, thereby defending the continuity of his career while also critically examining the limits of his approach.

Bibliographie du dix-neuvième siècle Stéphanie Dord-Crouslé, Dominique Pety, Philippe Régnier, 2006. Sélection de 1 614 publications françaises et étrangères sur la littérature, les arts, les sciences et l'histoire du XIXe siècle en France et dans le monde d'un auteur individuel ou collectif. Présentation en quatre grandes sections: conditions de textes, ouvrages non collectifs, ouvrages collectifs, revues. Un triple index permet de croiser les recherches par nom et par thème.

Regards croisés sur le lien social, 2005-03-01. On en est la fameuse perte du lien social. On sent ses nouvelles amarres. Sommes-nous condamnés à regretter les cohésions d'antan? Les nouveaux chemins du lien social manquent sans doute plus de lisibilité que de capacité d'émersion. Cet ouvrage s'intéresse à la fois des liens de base comme le langage, la technique ou la culture et des liens complexes immergés dans une variété d'objets sociaux contextualisés et regardés à la loupe par la recherche scientifique.

Book Review Index, 2006. Every 3rd issue is a quarterly cumulation.

The British National Bibliography Arthur James Wells, 2005.

Bibliographie annuelle de l'histoire de France du cinquième siècle à 1958, 2005.

2005 Otto Klapp, Astrid Klapp-Lehrmann, 2006.

Bibliographie d'histoire littéraire française Otto Klapp, 1960.

American Book Publishing Record, 2004.

Forthcoming Books Rose Arny, 2003.

Pity in Fin-de-Siècle French Culture, 2004.

Describes how an appeal to a reader's sense of traditional pity in the writings of French philosophers, social theorists, and novelists interacted with the interest in studying and promoting the virtue within society.

New Perspectives on the Fin-de-siècle in Nineteenth- and Twentieth-century France Kay Chadwick, Timothy A. Unwin, 2000. The 14 studies in this

volume are a collective demonstration of the flexibility and tenacity of the Fin de Siecle theme Studies of literature and film are mixed with sociological and historical enquiries providing an overview of the concept in its various manifestations and offering a range of insights

Pity In Fin De Siecle French Culture Liberte Egalite Pitie Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Pity In Fin De Siecle French Culture Liberte Egalite Pitie PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and

pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Pity In Fin De Siecle French Culture Liberte Egalite Pitie PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Pity In Fin De Siecle French Culture Liberte Egalite Pitie free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
