Shi'ite Lebanon Roschanack Shaery-Eisenlohr, 2011 Annotation By providing a new framework for understanding Shi'ite national politics in Lebanon Roschanack Shaery Eisenlohr recasts the relationship between religion and nationalism in the Middle East Power Sharing in Lebanon Eduardo Wassim Aboultaif, 2019-01-15 This book studies the origins and evolution of power sharing in Lebanon The author has established a relationship between mobilization ethnurgy ethnic identification memory and trauma and how they impact power sharing provisions The book starts with the events in the 1820s when communities began to politicize their identities and which led to the first major outbreak of civil violence between the Druze and the Maronites Consequently these troubled four decades in Lebanon led to the introduction of various forms of power sharing arrangements to establish peace The political systems introduced in Lebanon are the Kaim Makamiya dual sub governorship a quasi federal arrangement the Mutassarifiya the prototype of a power sharing system the post independence political system of Lebanon which the book refers to as semi consociation due to the concentration of executive powers in the Presidential office and finally the full consociation of the Taif Republic In each of these phases there was a peculiar interaction between the non structural elements that had a direct impact on power sharing this led at times to instability and

at other times it brought down the system as in 1840 1860 and 1975 Power Sharing in Lebanon is the first academic work that emphasizes the influence of the non structural elements that hinder power sharing This volume is now a key resource for students and academics interested in Lebanese Politics and the Middle East **Covering the Shi'a** Robert W.

Tomlinson,2018-11-15 Often demonized by the Western media and press Hezbollah s origins are rooted in activities of the Lebanese Shi a in the late 1970s and early 80s Covering the Shi a English Press Representation of the Lebanese Shi a 1975 1985 chronicles how the English language press and media represented the most consequential group in Lebanon to Western audiences during the critical period of 1975 1985 Focusing on three of the most prominent English language newspapers at that time the book outlines how the Western media frequently disregarded the Shi i civil rights movement in Lebanon Conflating that movement with other Arab independence campaigns the Western media missed key aspects and the dynamics at work in the Lebanese Shi i community Additionally in failing to understand and report the nature of the transnational networks that supported the Shi i community in Lebanon the resultant news narrative reported in the English language media was at odds with the narratives harbored by the Lebanese Shi a themselves In order to gain an understanding of the operations of Lebanese Hezbollah today and the current media coverage of the organization this book offers insights on the origins of Shi a resistance and how one can evaluate the group today **An Introduction to Middle East Politics**

Women and the Lebanese Civil War Jennifer Philippa Eggert,2021-11-09 This book analyses the reasons for women s participation in the various Lebanese and Palestinian militias involved in the Lebanese Civil War 1975 1990 Whilst most existing accounts of the Civil War in Lebanon either overlook the roles and experiences of women entirely or focus on women as victims or peacemakers only Women and the Lebanese Civil War highlights that women were involved as militants and often also as fighters in all of the militias partaking in the war Analysing individual motivations organisational characteristics

security related aspects and societal factors the book explains why women were included as fighters in some of the militias but not in others Based on extensive fieldwork in Lebanon the book is the first comprehensive study of female perpetrators and supporters of political violence during the Lebanese Civil War Beyond the case of Lebanon it questions widespread assumptions about the roles of women at times of violent conflict and war
