A Bricklayer's Story Dr. John H. LaManque, 2013-10 Read how trusting in Jesus Christ and calling upon His name helped a fifty nine year old bricklayer to go from bricks to books and beyond This is an inspiring story about how God's Word helped a bricklayer gain the courage to overcome obstacles placed in his path This book is a reminder that life is a journey and when the Lord closes one door he always opens another My message in this book is that we have to turn the doorknob of our hearts to let Jesus in Dr John H LaManque pushes back against the attack on Christian Church values in foreign lands Hindu fundamentalists and Muslims who hate Christians have burnt their churches to the ground and killed Christian people The author sees a greater threat to American Christians coming from within and he identifies the threat as coming from the secular humanist movement in the form of a new religion The new religion is led by groups that follow Marxist theology and includes atheists educators and the media who want to sell the idea that sinful behavior is just another alternative lifestyle

Shout Out Edward W. Pluemer, 2015-07-10 This story is a comedy that is loosely drawn on my earlier years focusing on the life of 27 year old Bob Palmer who is now disenchanted with his future as a letter carrier and pins his hopes for happiness and success on the his weekend band named Shout Out The band's future gets an unexpected supernatural boost from beyond The book spans the years 1985-1988 The band had been together about 4 years and is beginning to stagnate The band members all have lives of their own and are starting to lose interest in the band and the added work it represents Bob is able to convince the other four members to make a final effort to tighten up their act and start playing original songs to enable them to create a demand for their music For this purpose Bob begins writing music His attempts somehow attract supernatural attention and he begins receiving melodies and parts of songs via channeling from a rocker who died prematurely in a plane crash in the 1960s With the deceased rockers indirect help Bob begins writing music that is good enough to allow the band to put together a show that builds in intensity and ends with a dramatic climax attracting crowds new bookings an agent and eventually regional and national recording labels Now with success in hand one last issue still remains for Bob How to repay the deceased rocker for his help Bob finds his answer when he learns of

then locates the lone surviving offspring of the rockers family a young daughter Bobs humorous relationships and experiences with his fellow employees at the post office a local bartender who becomes his love interest and the other members of the band form the core of the book The story is intended to be fun but also touches on some of the serious aspects of life and lifes inherent circular nature Dick Gibson,2006-06-01 As 1969 comes to a close Rob Grant begins to suspect that his year long romance with Luisa is also nearing an end If his instincts are right it would mean that his search for an enduring relationship and a surrogate mother for his two teenage sons would continue Twice divorced it doesn t help that he s very cautious when it comes to making another long term commitment Then late in December it s by sheer chance that Rob meets a former sweetheart while they re both on business trips to Australia Their love affair is reborn offering him the prospect of a bright future with a lovable woman Unfortunately the path ahead is anything but smooth But in the background is Kim Rossi a new woman in his life who becomes a valued friend who generously offers Rob her support and eventually her love to this man whose strength is tested by the trials that confront him Aaron's Intifada Ken Goldstein,2002-03 The search for self runs straight into random violence and beauty in these fourteen tales of hope hurt courage loss and redemption One man runs for his life while another finds a home in an out of the way coffee shop a woman gains hope from the most unlikely of heroes and a stand is taken in an uprising of one Aaron s Intifada breaks through with original characters and situations and a distinctive take on life *Hitchhiking Across America* Doug Van Gorder,2009-07-19 Today I will hope for a ride This is how I survive I need to bury my pride And pray to God I stay alive **Desperate Strangers** Carla Cassidy,2018-04-01 His secrets might break her heart but hers could get them killed Nick Simon is using his fianc e Julie Peterson as an alibi and her amnesia means she doesn t even know they only met at the scene of her accident But when someone starts calling with threats of murder Julie is drawn even closer to the only man who can protect her Will she remember the deadly secret she carries before a murderer can strike again *Marked by the Moon: A Shapeshifting Enemies to Lovers Romance* Lori Handeland,2017-06-06 A shapeshifting enemies to lovers romance from the voice of New York Times bestselling author Lori Handeland Alaska has never been so dangerous Alexandra Trevalyn was once a member of an elite force of werewolf hunters but she s gone rogue determined to rid the world of the crazed killers specifically the one that murdered her parents Once a Viking now a werewolf Julian Barlow has been hunting Alex since she killed his gentle wife His plans for revenge are downright devious To make Alex understand up close and personal that not all werewolves are evil killing machines he makes Alex a werewolf too It s only a matter of time before she succumbs to the freedom of the wolf that runs through her veins if she doesn t succumb to the temptation of Julian first In his magical village a hidden world above the Arctic Circle a rogue werewolf stalks the innocent Can Julian and Alex work together to save the rest of the pack Or will they just tear each other apart Fans of Jen L Grey Tessa Hale and V Vaughn will be enthralled Read all the Nightcreature Novels Blue Moon Hunter s Moon Dark Moon Crescent Moon Midnight Moon Rising Moon Hidden Moon
