Place Names In New York

John D. Bennett

Place Names In New York:

The Origin of Certain Place Names in the United States Henry Gannett, 1905 **The Origin of Certain Place Names in the United States** Henry Gannett, 1973 Placenames of the World Adrian Room, 2024-10-17 A placename is often much more than just a label. A name may bespeak the history of a nation, the culture of a people, or the hopes of an individual. Such connections are revealed in this very large reference work on placenames of the world which offers an in-depth look at the origins of each. First published in 1997, this 2006 edition contains 6 000 entries: natural features such as mountains, rivers, and lakes; and human entities such as cities and countries. Each entry includes the name of the feature, a brief description, and its geographical location, and the origin of the name with relevant historical, biographical, and topographical details. Appendices give the meanings of common elements of non-English placenames, e.g. Abu as in Abu Dhabi means father of major placenames in European languages, e.g. Pays Bas and Paesi Bassi are the French and Italian names respectively for what English speakers call the Netherlands, and transcribed Chinese language equivalents for the names of the world's countries and capitals. Mapping Place Names of India Anu Kapur, 2019-03-01 This book is the first of its kind to chart the terrain of contemporary India's many place names. It explores different place connections, investigates how places are named and renamed, and looks at the forces that are remaking the future place name map of India. Lucid and accessible, this book explores the bonds between names, places, and people through a unique amalgamation of toponymy, history, mythology, and political studies within a geographical expression. This volume addresses questions on the status and value of place names, their interpretation, and classification. It brings to the fore the connections between place names and the cultural, geographical, and historical significations they are associated with. This will be an essential read for scholars and researchers of geography, law, politics, history, and sociology, and will also be of interest to policy makers, administrators, and the common reader interested in India. **New York Geographic Names** Geological Survey (U.S.). Branch of Geographic Names, 1981 **Indian Placenames in America** Sandy Nestor, 2015-05-07 The American Indians have lost much of their land over the years, but their legacy is evident in the many places around the United States that have Indian names. Countless placenames have, however, been corrupted over time, and numerous placenames have similar spellings but different meanings. This reference work is a reprint in one combined volume of the two-volume set published by McFarland in 2003 and 2005. Volume One covers the name origins and histories of cities, towns, and villages in the United States that have Indian names. It is arranged alphabetically by state, then alphabetically by city, town, or village name. Additional data include population figures and county names. Probable Indian placenames with no certain origin also receive entries, and as much history as possible is provided about those locations. Volume Two covers more than 1400 rivers, lakes, mountains, and other natural features in the United States with Indian names. It is arranged by state and then alphabetically by natural feature. Counties are provided for most entries, with multiple counties listed for some entries where appropriate. In addition to name origins and meanings,

geophysical data such as the heights of mountains and lengths of waterways are indicated **From Abbots To Zurich** Ren Vasiliev,2004-03-01 Sangerfield The town was established in 1795 on land originally owned by Jedediah Sanger who wanted to have a new settlement named after him promised a cask of rum for the first town meeting and 50 acres to the first church The rum was drunk at the first town meeting in 1795 The Native American name for the site was Skanawis a long swamp East New York John Pitkin came here from Connecticut in 1835 and bought land that he developed He chose this name to make people think that this place was the eastern end of New York City Morganville This place was named for William Morgan a former Mason who had written a book that supposedly revealed the secrets of Masonry He disappeared in 1826 a possible murder victim His disappearance sparked the anti Masonic movement From Abbots to Zurich provides a provocative glimpse into the history of the region It also tells the story of a young and growing nation how it wanted to be identified and how the people populating the land thought of themselves The names are not just labels for locations but they are cultural and historic guideposts to past ideas Each place s origin is traced and studied providing a reason for its name and hints at the origins of the people who originally settled there **Brooklyn by Name** Leonard Benardo,Jennifer Weiss,2006-07 From Bedford Stuyvesant to Williamsburg Brooklyn s historic names are emblems of American culture and history These pages take readers on a stroll through the streets and places of this thriving metropolis to reveal the borough s textured past Over 500 of Brooklyn s most prominent place names are organized alphabetically by region Photos maps

The Concise Dictionary of World Place-Names John Everett-Heath,2018-09-13 There is no populated place without a name and every name is chosen for a reason This fascinating dictionary unveils the etymological roots and history of thousands of locations and landmarks from around the world It contains over 11 000 entries and covers an enormous range of country region island city town mountain and river names from across the world as well as the name in the local language Place names are continually changing and new names are adopted for many different reasons such as invasion revolution and decolonization The Concise Dictionary of World Place Names includes selected former names and where appropriate some historical detail to explain the transition The names of places often offer a real insight into the places themselves revealing religious and cultural traditions the migration of peoples the ebb and flow of armies the presence of explorers local languages industrial developments and topography Superstition and legend can also play a part This new edition has been updated to include over 750 new names including Azincourt Kropyvnytskyy and Tlaxcala It has also been edited to reflect socio political and geographical shifts notably the reorganisation of the French regions and their consequent name alterations as well as the decommunization of Ukrainian place names In addition to the entries themselves the dictionary includes two appendices a glossary of foreign word elements which appear in place names and their meanings and a list of personalities and leaders from all over the world who have influenced the naming of places **Place Names of Illinois** Edward Callary,2010-10-01 This extensive guide shows how the history and culture of Illinois are embedded in the names of

its towns cities and other geographical features Edward Callary unearths the origins of names of nearly three thousand Illinois communities and the circumstances surrounding their naming and renaming Organized alphabetically the entries are concise engaging and full of fascinating detail revealing the rich ethnic history of the state the impact of industrialization and the coming of the railroads and insight into local politics and personalities Many entries also provide information on local pronunciation the name s etymology and the community s location all set in historical and cultural context A general introduction locates Illinois place names in the context of general patterns of place naming in the United States An extremely useful reference for scholars of American history geography language and culture Place Names of Illinois also offers intriguing browsing material for the inquisitive reader and the curious traveler Place Names in Africa Liora Bigon,2016-06-06 This volume examines the discursive relations between indigenous colonial and post colonial legacies of place naming in Africa in terms of the production of urban space and place It is conducted by tracing and analysing place naming processes particularly in sub Saharan Africa during colonial times British French Belgian Portuguese with a considerable attention to both the pre colonial and post colonial situations By combining in depth area studies research some of the contributions are of ethnographic quality with colonial history planning history and geography the authors intend to show that culture matters in research on place names This volume goes beyond the recent understanding obtained in critical studies of nomenclature normally based on lists of official names that place naming reflects the power of political regimes nationalism and ideology **Indian Names in Michigan** Virgil J. Vogel,1986 Vogel traces the origin of hundreds of Indian place names All Those Wonderful Names J. N. Hook,2014-06-10 Ever wonder what the most popular and unpopular baby names are And how certain people and places got their names Or are you just looking for guidance in choosing your child s name ALL THOSE WONDERFUL NAMES is an amusing exploration of names familiar words phrases and the stories behind their origins From the common to the confounding this book has it all Hear the true stories behind the naming of tropical storms cars fictitious characters major league baseball teams and more Find out the real names of celebrities such as Elton John Cher Rip Torn Cary Grant Liberace and Conway Twitty Discover counties towns and cities with strange names like Difficult Tennessee Jiggs Nevada Virgin Utah and Bosom Wyoming Learn unusual names for newborns and perhaps the origin of your own surname as well Naming Gotham: The Villains, Rogues & Heroes Behind New York's Place Names Rebecca Bratspies,2023 The Van Wyck the Major Deegan the Jackie Robinson the Hutch the Merritt FDR Drive or the Henry Hudson you might drive them regularly without really noticing that those road names are well names But who were these people New York City s many roads bridges neighborhoods and institutions bear the names of a colorful assortment of people from key periods in the city s history Learning about the people iconic Gotham landmarks are named for is a unique window into the history of the greatest city in the world Author Rebecca Bratspies takes readers on a place based intimate historical journey on a human scale **Placenames of the Civil War** John D. Bennett,2017-02-10 Despite the plethora of books about

the Civil War the origins of many of the placenames associated with the conflict remain a mystery This gazetteer provides information on nearly 1600 sites including not only locations of battles and skirmishes but also hospitals prison camps military academies factories and navy yards both North and South Also listed are islands rivers creeks fords ferries and railroad stations as well as many temporary fort and camp names From Abbeville Georgia where Jefferson Davis stopped in May 1865 days before his capture near Irwinville to Yorktown Virginia which was besieged by General George B McClellan at the start of the Peninsula campaign entries explain the origin of each placename and its wartime connections An appendix listing town and city population figures from the 1860 census completes this informative supplement for Civil War scholars and enthusiasts Placing Names Merrick Lex Berman,Ruth Mostern,Humphrey Southall,2016-08-08 Well before the innovation of maps gazetteers served as the main geographic referencing system for hundreds of years Consisting of a specialized index of place names gazetteers traditionally linked descriptive elements with topographic features and coordinates Placing Names is inspired by that tradition of discursive place making and by contemporary approaches to digital data management that have revived the gazetteer and guided its development in recent decades Adopted by researchers in the Digital Humanities and Spatial Sciences gazetteers provide a way to model the kind of complex cultural vernacular and perspectival ideas of place that can be located in texts and expanded into an interconnected framework of naming history This volume brings together leading and emergent scholars to examine the history of the gazetteer its important role in geographic information science and its use to further the reach and impact of spatial reasoning into the digital age

Naming New York Sanna Feirstein,2001-04 New York Historical Society docent Feirstein has written a historically rich guide to New York City that will entertain both New Yorkers and tourists as they walk through the Big Apple The histories of the city s major neighborhoods as well as the history of their names divide the book into sections the remainder of which contains the names of streets parks plazas corners alleys and avenues in that neighborhood and the history of each name The guide is illustrated with bandw photos of New York s illustrious folk c Book News Inc *Proceedings of the New York State Historical Association with the Quarterly Journal* New York State Historical Association,1926 Louisiana Place Names Clare D'Artois Leeper,2012-10-19 From Aansel to Zwolle with Mardi Gras Bayou in between avid writer Clare D Artois Leeper offers her own alphabet of places in Louisiana both past and present Louisiana Place Names includes 893 entries that reveal Leeper s distinct view of the state s history Her unique blend of documented fact and traditional wisdom result in an entertaining guide to Louisiana s place name lore Origin of Washington Geographic Names Edmond Stephen Meany,1923

Place Names In New York Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Place Names In New York free PDF files is Open Library. With its vast collection of

over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Place Names In New York free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Place Names In New York free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Place Names In New York. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Place Names In New York any PDF files. With these platforms, the world of PDF downloads is just a click away.
