Everything We Need for Life and Godliness Sara E. Gulino, 2012-06 Why do we read the Psalms We read them because we find comfort in them We identify ourselves with the ups and downs of the writer his feelings and emotions They show the struggles of the writer with God's activities how long before you The psalmist says and our cry to the Lord mixes with his They show his fears when he writes though I walk through the valley of the shadow of death and our fear becomes one with his The theologian reads them because of their prophetic and Messianic teachings But do we ever read them because they teach us how we relate to God See how the Psalms teach us what a person in a right relationship with God does in his relationship with Him Experience a thrilling growing and often convicting journey in God while being richly blessed as you learn what it means He establishes the work of our hands and see the Apostle Paul's example We know that our times are in God's hands and see how God created time for our salvation and why He determines our days We consider all precepts right and see the problems of the pick and choose theology We are devoted to God and see how we're little burning bushes walking the streets of this world We trust in God and see how little we do and much more
