Michael E. Connaughton, Suellen Rundquist, 2009-03-26 In October 2005 a conference honoring the contributions of Sinclair Lewis to Midwest and American culture and celebrating the friendship between Sinclair Lewis and Ida K Compton was held at St Cloud State University in St Cloud Minnesota Sinclair Lewis would no doubt have been flattered and perhaps a bit surprised by the breadth of this conference in his honor The fact that scholars writers students and readers gathered to discuss his work and its broader influence would have pleased him He would have learned that readers still found stimulus for serious thought in his writing and that his works can serve as a springboard to discussion of today's societal issues some of which might surprise him considerably The papers selected from the conference entitled *The American Village in a Global Setting* consider elements of Lewis world through today's lens In Part I his version of community is compared to that documented in other ways including architecture and television Scholars address issues such as anti-Semitism theocratic communities the Irish and outdoor life In Part II the concept of community is expanded to the visions of other authors including his contemporaries such as Martha Ostenso Josephine Donovan and Willa Cather as well as more recent writers In Part III today's social and cultural issues in America are addressed expressing the global and interdisciplinary intent of the conference And last Part IV continues the global theme addressing international communities and pedagogical philosophies through film and literature

Kujawa-Holbrook,2002-12-31 Contrary to the oft repeated truism there are churches in America where Sunday is not the most segregated day of the week as Sheryl Kujawa Holbrook convincingly demonstrates in her compelling exploration of congregations tackling racial justice issues Yet the truism continues to haunt many congregations and Kujawa Holbrook reveals through story and thoughtful analysis what it means to create and live out multiracial community Focusing on six congregations from different denominations geographical regions and settings the author shows us the joys and struggles in their intentional pursuits of a more diverse and just community The stories in *A House of Prayer for All Peoples* will inspire leaders to explore their congregation's history study their community's demographics and most of all search their souls for ways they can develop and celebrate the diversity in their midst The book is capped by an extensive annotated resource list for readers who want to explore the topic further *A Greater Democracy Day by Day* Sally Mahe,Kathy Covert,2004 The word democracy has been over used and misused to the point it has begun to lose its meaning for many of us When people start brandishing that word we often suspect that they have a political agenda *A Greater Democracy Day by Day* rehabilitates
