Place Called There:

The Place Called "There" Pastor Bim Folayan, 2024-01-17 The Place Called There We often think that our possessions are only physical or material either as a car building piece of land or other tangible assets Just as physical possessions can be handed down generations so also can spiritual secrets and assets be transferred like intellectual properties There are hidden secrets from plain sight revealed to those who by reason of use have their senses exercised Hebrews 5 14 to see or and hear and then act To these ones it will belong and be entrusted because they are the ones who follow through the hidden secrets presented to them The Place Called There is a memoir of voyage of enduring faith and friendship with God through the wildernesses of advanced school of patience trust and perseverance PTP *A Place Called There* Evelyn Weber, 2010-11 When a personal testimony takes a printed form it becomes a mighty tool in the hands for every believer This book is one that empowers us with courage determination and faith in God s ability to move us from here to there Pastor Evelyn had revealed to us the challenges she has faced to move forward in spite of adversity God bless you Pastor Evelyn for writing this book that will be an arsenal for the Body of Christ Dr Sandie Freed Author of seven books including Breaking the Threefold Demonic Cord How to Discern and Defeat the lies of Jezebel Athaliah and Delilah and Crushing the Spirits of Greed and Poverty Discerning and Defeating the Ancient Powers of Mammon and Babylon **A PLACE CALLED THERE** Ronald Gobina, This book is written as an encouragement and a guide for those seeking to journey purposefully through life and succeed Discerning your track and developing clarity about your journey and related experiences is key to staying on track and making it to the finish line This book is a journey through the Scriptures to unveil the role of God s Word as an effective compass and practical guide for life It will encourage comfort and empower believers young and old as purpose and direction get added to their journey **A Place Called 'there'** Kobus Van Rensburg, 2003 *A Place Called Home* Jo Goodman, 2025-06-24 Three Children Two Hearts One Promise Changes Everything It was a gesture of love that neither thought would become a reality However when the unthinkable happens Mitch Baker and Thea Wyndham are called to fulfill their promise as godparents to their mutual friends three young children in the wake of a tragic accident Mere acquaintances Mitch steps up ready to honor the promise but Thea has vanished When she finally returns Thea offers no explanation only a quiet refusal to share custody Engaged to a man with no interest in raising another family she insists she s not the right person to raise the children Instead she offers support without commitment and Mitch is furious Thea s silence is its own kind of heartbreak but Mitch can t shake the feeling that she s hiding something deeper As tensions rise attraction stirs between them making it impossible to keep things purely about the children or their responsibilities They now face the hope that two broken hearts could create something for the children or the threat that fear secrets and unspoken desires might tear them apart for good Awards Best Romance All About Romance 2008 Annual Reader Poll Romantic Times Career Achievement Award Top Ten Romance of the Year 2011 Library Journal 5 in the Top 100 Romances of All Time Dear Author

spiritual house 1 Peter 2 5 shows that man is a spirit even though he has a covering called the body In other words the kingdom of God is a life and not a location even though this life also exists in a location Jesus referred in the scripture about the kingdom of God in us rather on us and said Neither shall they say lo here or lo there behold the kingdom of God is within you Luke 17 21 Those actually entering into the kingdom of God are not those just entering the heavens they are not those entering into the earth neither are those entering into the waters But those who are actually entering into the kingdom of God are those entering into Christ and while in Christ no doubt they could exist in any location whether heaven or earth since the kingdom of God is a life Apostle Stanley Onyenali is a minister of the gospel of Christ in Port Harcourt Nigeria He writes because it is an inspiration from the holy spirit teaching me to demystify to the world what the kingdom of God is He is working on his next book Publisher s website <http://sbpra.com> StanleyOnyenali

A Forgotten Landscape: How A Place Called Crockett's Corner Became The Maine Mall M.M. Drymon PhD, 2015-10-25 A place called Crockett s Corner began as a seventeenth century colonial settlement that grew into a stable and sustainable nineteenth century American agrarian landscape During the twentieth century in a rapid but staged process the landscape was changed into an edge city These changes were the direct result especially after 1938 of prevailing public policies which acted to constrain some land uses while supporting others Landscape change has had unintended consequences including local social network destruction historic building demolition and unmitigated air and non point source water pollution Raising awareness of the deep history of this place may help empower advocates for historic preservation open space environmental protection and more sustainable land use practices in the future
