**A Plague of Demons** Margie McDonnell Welsh, 2021-01-18 Burnt to ash and cast back to a fiery Hell for his sins Lucifer commits one last act of vengeance on God and His creations releasing a virus on humanity comprised of his own Dark particles Though it does not affect Nephilim it is virulent and lethal to humans Dark antibodies can provide a cure but the only beings with those antibodies are the denizens of Hell Even the Nephilim who have genetic immunity don't have enough to save mankind Nor can God officially sanction a raid on Hell to get them without breaking a ten thousand year old treaty and starting another divine war The only angel who might be able to get into Hell and convince a contingent of Fallen angels to trade their antibodies for a chance at divine forgiveness is former Ambassador to Hell and Demon Lord Maxiel who'd thought he would never see Hell the human world or the Caretaker Sahara again Sahara thinking the same started a life with Dr Alex Malcolm doctor in charge of combating the demon virus Now is not a good time for the Demon Lord she once loved to return Or Lucifer But both do When Max goes to Hell as God's secret emissary Sahara becomes his point of contact In no time she finds herself knee deep in political intrigue and temptation surrounded by personal risk and stalked by Lucifer who having remade himself is trying to exert his influence again There was a time when she would never have been tempted to risk her soul but when Doc Alex contracts the virus and only unholy intervention might protect him what might she give up to save his life *Plague of Demons* Johnny B. Truant, Sean Platt, 2025-04-22 A brotherhood forged in fire With Hell's king freed the city of Fortune has been cut off from the world by an impenetrable energetic barrier Inside a mental plague has begun to spread outward from the Gore Point confusing reality and creating a prison that almost nobody can feel or see Adrian and Ray Porter once heroes now pariahs and two of only a few unaffected are the last line of defense against the king's plan But time is running out A six day clock is ticking and with each passing hour more of Fortune succumbs to the invisible enemy As the brothers fight to expose the truth and rally resistance they uncover a shocking secret the legacy of their father Eldon Porter is intertwined with the very fabric of the rift holding the key to both salvation and destruction Faced with an impossible choice the Porters must confront their past and embrace their destiny The fate of humanity hangs in the balance

as they race against time to unleash the power of the anti rift a force of pure potential that could rewrite the rules of reality or obliterate both worlds Prepare for a heart stopping conclusion to the Gore Point trilogy where the lines between good and evil blur and the fight for survival will determine the fate of two worlds Demon Hordes and Burning Boats Paul R.

Bassingthwaite,2012-04-03 In the aftermath of the plague demons attack on Fallcrest Roghar s inspiring optimism has played a significant role in the rebuilding of the town Albanon meanwhile has not recovered so well Tormented by his experiences and his near transformations first by Vestapalk then by Kri he has retreated to Moorin s tower where he immerses himself in books He is the last member of the Order of Vigilance touched by both the Voidharrow and Tharizdun he feels as if he stands on the brink of madness The Nentir Vale has been ravaged by the abyssal plague and the plague demons The area is lawless and suspicions run rampant Only safe as long as they hide the heroes scout as close as they dare But with Vestapalk growing ever stronger and plague demons on the rise they know they have to act soon The world cannot afford to wait any longer As they journey toward the greatest concentration of demons they learn they are on the right path and they gain an ally Kri believed dead resurfaces with wisdom garnered from the Chained God It seems even Tharizdun himself is against Vestapalk

**The Sinister Way** Richard von Glahn,2004-04-20 The most striking feature of Wutong the preeminent God of Wealth in late imperial China was the deity s diabolical character Wutong was perceived not as a heroic figure or paragon of noble qualities but rather as an embodiment of humanity s basest vices greed and lust a maleficent demon who preyed on the weak and vulnerable In *The Sinister Way* Richard von Glahn examines the emergence and evolution of the Wutong cult within the larger framework of the historical development of Chinese popular or vernacular religion as opposed to institutional religions such as Buddhism or Daoism Von Glahn s study spanning three millennia gives due recognition to the morally ambivalent and demonic aspects of divine power within the common Chinese religious culture *Hozuki's Coolheadedness 10* Natsumi
