Into the Breach J. A. Karam, 2010-04-01 Into the Breach is the true story of paramedics emergency medical technicians and heavy rescue specialists fighting to control trauma and medical emergencies in one of America's toughest and most violent cities Newark New Jersey A riveting account that hauls readers on a first hand tour of street medicine today Into the Breach shows what really happens inside an ambulance and some of the diverse and bizarre places EMS workers tread Through authentic

accounts every facet of emergency care is on display from the first 911 call to patient discharge or death including an exclusive look at what is perhaps the biggest decontamination operation ever conducted which crews performed for victims of the September 11 2001 terrorist attack A hybrid profession that blends public safety and public health EMS attracts careerists and volunteers from all sectors of society from Boy Scouts and housewives to Fortune 500 vice presidents and work fare recipients The men and women that make up the Newark EMS graveyard shift one of the busiest full time teams in the nation are quintessential EMS workers intense irreverent hard working action junkies who crave autonomy and the instant gratification of solving critical problems in real time This unflinching profile hones in on award winning EMS workers as well as those who pollute the industry ironically sometimes one and the same Into the Breach offers an unusual opportunity to bear witness to unimaginable suffering heroic stoicism and the inventiveness of American EMS workers fighting to save lives **The People's Magazine** ,1869 *The People's Bible Encyclopedia* Charles Randall Barnes,Melvin

Grove Kyle,1913 Quantitative Studies of the Renaissance Florentine Economy and Society Richard T. Lindholm,2017-01-02 Quantitative Studies of the Renaissance Florentine Economy and Society is a collection of nine quantitative studies probing aspects of Renaissance Florentine economy and society The collection organized by topic source material and analysis methods discusses risk and return specifically the population s responses to the plague and also the measurement of interest rates The work analyzes the population s wealth distribution the impact of taxes and subsidies on art and architecture the level of neighborhood segregation and the accumulation of wealth Additionally this study assesses the competitiveness of Florentine markets and the level of monopoly power the nature of women s work and the impact of business risk on the organization of industrial production *People's Magazine* ,1869 Marion Jacobs,2006-03-01 Do you settle for too little Let others call the shots Dream of a better life but do nothing to change the one you have If it s time to move forward then Take Charge Living is for you Whether it s lose weight get out of a bad relationship quit procrastinating seek love change jobs go back to school curb anger whatever behavior you need to change this step by step program in six acts teaches you how to do it successfully You will learn to Set appropriate expectations about change Confront fears of changing Target the right behaviors to change Deal with emotional resistance to change Follow a carefully sequenced practice plan Move from dress rehearsals to real world performances You are capable of exerting far more control over your moods feelings thoughts and behaviors in other words your reactions to life than you think And it doesn t take psychotherapy to do it So if the story currently playing on your life s stage is not one you feel like applauding here s your chance to rewrite the script and star in a satisfying performance A straightforward practical toolkit for identifying and overcoming barriers to change As clinical psychologist Dr Jacobs demonstrates in this slim efficient volume our minds and bodies often work together to keep us from making changes that would improve our lives Jacobs s caring direct approach will engage even the therapy averse She teaches readers how to identify a desired change to examine the emotional barriers that prevent one

from making that change and to devise a practical plan of action for working toward a goal Illustrating how the mind and body are deeply and intricately bound she outlines the four systems that interact to shape how we act and feel emotions bodily reactions thoughts and behavior Her methods are grounded in years of experience as a therapist as shown through the case studies she uses to illustrate steps and challenges encountered in taking charge A self help book that could actually work Kirkus Discoveries Author s Web site [www take chargeliving com](http://www.takechargeliving.com) Young People's Illustrated Bible History Alvan Bond,1878 **The People's Bible: Hosea-Malachi** Joseph D.
