## **Plain Talk Memoirs Of An Auditor General:**

**Plain Talk!** Maxwell Henderson,1984      **PLAIN TALK:MEMOIRS OF AN AUDITOR GENERAL. FOREWORD BY HUGH MCLENN.** Maxwell Henderson,1984      **A History of Canadian Accounting Thought and Practice** George J. Murphy,2020-09-04 This book first published in 1993 focuses on the evolution of accounting institutions practices and standard setting in Canada Canada s federal system complicates the jurisdictional authority for accounting matters The Canadian constitution empowers the ten provinces to regulate the training and certification of accountants and each can incorporate organizations A great deal of effort has been made by accounting bodies on jurisdictional coordination and disputes and this book analyses how these systems have come to function in their present form      **Don't Never Tell Nobody Nothin' No How** Rick James,2018-10-13 We operated perfectly legally We considered ourselves philanthropists We supplied good liquor to poor thirsty Americans and brought prosperity back to the Harbour of Vancouver Captain Charles Hudson At the stroke of one minute past midnight January 17 1920 the National Prohibition Act was officially declared in effect in the United States From 1920 to 1933 the manufacture sale importation and transportation of alcohol and of course the imbibing of such products was illegal Prohibition was already a bust in Canada and it wasn t long before fleets of vessels from weather beaten old fish boats to large ocean going steamers began filling their holds with liquor to deliver their much valued cargo to their thirsty neighbours to the south Contrary to popular perception rum running along the Pacific coast wasn t dominated by violent encounters like those portrayed in the movies Instead it was usually carried out in a relatively civilized manner with an oh so Canadian politeness on the British Columbian side Most operated within the law But there were indeed shootouts hijackings and even a particularly gruesome murder associated with the business Using first hand accounts of old time rum runners extensive research using primary and secondary documentation and the often sensational newspaper coverage of the day Don t Never Tell Nobody Nothin No How sets out to explain what really went down along the West Coast during the American Noble Experiment      **The Bronfmans** Nicholas Faith,2024-03-26 For decades the Bronfman family ruled Seagram s and the liquor industry This is the story of their meteoric rise and spectacular fall The story of the Bronfman family is a fascinating and improbable saga It is dominated by Mr Sam the single greatest figure in the history of the liquor business the man who made drinking whiskey respectable in the United States and who in the 1950s and 1960s built Seagram into the first worldwide empire in wine and spirits After Sam s death in 1971 his oldest son Edgar maintained the business though he was distracted by his matrimonial problems Nevertheless in the 1980s he masterminded a major coup when he translated a small investment in oil made by his father into a 25 percent stake in the mighty DuPont company But in the 1990s Edgar allowed his second son Edgar Jr to indulge his ambition to become a media tycoon The stake in DuPont was sold and the money reinvested in Universal the film and theme park empire Edgar Jr then paid more than 10 billion to buy Polygram Records and thus fulfill his fancy to be king of the world s music business But at the same time he

remained in charge of the liquor business which started to stagnate indeed to fall apart Then came the final disaster when the increasingly divided family sold out to Jean Marie Messier overreaching empire builder of Vivendi the French conglomerate But the story of this amazing family over the past century is about more than booze and business The Bronfmans is a spectacular account that details the larger than life personalities and bitter rivalries that have made the family so famous and sometimes so infamous

**J.W. McConnell** William Fong,2008-10-24 J W McConnell 1877 1963 born to a poor farming family in Ontario became one of the wealthiest and most powerful businessmen of his generation in Canada and internationally Early in his career McConnell established the Montreal office of the Standard Chemical Company and began selling bonds and shares in both North America and Europe establishing relationships that would lead to his enormous financial success He was involved in numerous businesses from tramways to ladies fashion to mining and served on the boards of several corporations For nearly fifty years he was president of St Laurence Sugar and late in life he became the owner and publisher of the Montreal Star McConnell was an indefatigable and formidable fundraiser for the YMCA the war effort of 1914 18 hospitals and McGill University where he served as governor for almost three decades In 1937 he established what would become The J W McConnell Family Foundation the first major foundation in Canada and still one of the best endowed J W McConnell was a principled and brilliant visionary with a strong work ethic and a deep commitment to the public good a Rockefellerian figure in both big business and high society who quietly became one of the greatest philanthropists of his time His life story told in uncompromising detail by William Fong is a study of raising spending and giving away money on the grandest scale

**The Invisible Crown** David E. Smith,2013-08-31 The Crown is not only Canada s oldest continuing political institution but also its most pervasive affecting the operation of Parliament and the legislatures the executive the bureaucracy the courts and federalism However many consider the Crown to be obscure and anachronistic David E Smith s The Invisible Crown was one of the first books to study the role of the Crown in Canada and remains a significant resource for the unique perspective it offers on the Crown s place in politics The Invisible Crown traces Canada s distinctive form of federalism with highly autonomous provinces to the Crown s influence Smith concludes that the Crown has greatly affected the development of Canadian politics due to the country s societal geographic and economic conditions Praised by the Globe and Mail s Michael Valpy as a thoroughly lucid scholarly explanation of how the Canadian constitutional monarchy works it is bolstered by a new foreword by the author speaking to recent events involving the Crown and Canadian politics notably the prorogation of Parliament in 2008

**International Handbook of Accounting Education and Certification** Kwabena Anyane-Ntow,2018-03-05 This is the first work of its kind Original contributions from leading academicians practitioners and accounting associations from around the world make this handbook a unique source of information on international accounting education and certification processes A uniform format in most of the chapters allows for easy comparison between countries This volume documents the development of accounting education and practice

at country and global levels studies the sensitivity of accounting education and practices to the unique socio economic needs of its environment and allows comparative studies at a time when attempts have begun to harmonize accounting education internationally Most importantly it shows how educational programmes around the world are preparing future accounting professionals to deal with the rapid technological and environmental changes of the 21st century The Constitution in a Hall of Mirrors David E. Smith,2017-06-30 Whether it s the first past the post electoral system or partisan government appointees to the Senate Canadians want better representation and accountability from the federal government Before reforms can be enacted however it is important to explore and clarify the relationships among Canada s three parliamentary institutions Crown Senate and Commons In The Constitution in a Hall of Mirrors David E Smith presents a learned but accessible analysis of the interconnectedness of Canada s parliamentary institutions Smith argues that Parliament is a unity comprised of three parts and any reforms made to one branch will whether intended or not affect the other branches Through a timely nuanced and comprehensive examination of parliamentary debates committee reports legal scholarship and comparative analysis of developments in the United Kingdom Smith uncovers the substantial degree of ambiguity that exists among Canadians and their calls for structural and operational reforms By illuminating the symbiotic relationship between the Crown Senate and Commons The Constitution in a Hall of Mirrors brings government reform closer to reality **Smart Globalization** Andrew Smith,Dimitry Anastakis,2014-02-24 Today s globalization debates pit neoliberals who favour even deeper integration into the global economy against neo mercantilists who call for a relatively selective approach to globalization and the return to more interventionist industrial policies Both sides claim to have the facts on their side Inspired by the work of economists Ha Joon Chang and Dani Rodrik editors Andrew Smith and Dimitry Anastakis bring together essays from both historians and economists in this collection to test claims that wealth comes from either protectionism or free trade With empirical research that spans more than a century of Canadian history Smart Globalization demonstrates that Canada s success stemmed neither from complete openness to globalization or policies of isolation and self sufficiency Leo Leo Kolber,L. Ian MacDonald,2003 My relationship with Sam Bronfman and his sons Edgar and Charles has sometimes been compared to that of Robert Duvall as Tom Hagen the consigliere to the Corleone family in The Godfather in the sense that I was a surrogate son as well as an adviser to the father and a friend as well as a counsellor to the sons There s a certain amount of truth to that in that I was brought into the family as an outsider and became privy to its secrets Thus begins Leo Kolber s account written with L Ian MacDonald of his remarkable relationship with the Bronfman dynasty from the founding father to his sons and eventually to the dissolution of a great business empire For thirty years Leo Kolber was chairman of Cemp Investments the Bronfman family trust and Cadillac Fairview Corporation one of the largest real estate firms in North America A close adviser to the legendary Sam Bronfman and a close friend of his sons Charles and Edgar Kolber was the family s consigliere on decades of deals including the buying of MGM in the 1960s which foretold the

disaster that later overtook the third generation of Bronfmans after Edgar Bronfman Jr bought sold Seagram's 25 percent interest in DuPont to buy MCA Universal Studios in 1995 a deal Kolber strongly opposed With the Vivendi merger of 2000 the empire built by Mr Sam and his sons with Leo Kolber's help was dismantled Buying DuPont was the deal of the century Kolber writes selling it was the dumbest deal of the century As for the Vivendi merger and the break up of Seagram he writes that no one would have dared propose it to Mr Sam except perhaps over his dead body Named to the Senate by Pierre Trudeau Kolber has served there for twenty years including the last five as chairman of the Senate Banking Committee Throughout this period he was a senior bagman for the Liberal Party of Canada Formerly chairman of Claridge Inc Charles Bronfman's investment holding company Kolber also served for more than twenty five years as a director of Seagram and the Toronto Dominion Bank whose famous headquarters the six tower TD Centre was built by his Fairview Corporation in the 1960s Formerly chairman of Cineplex Odeon Theatres he was also as a longtime director of DuPont and MGM among other companies in which the Bronfmans once held an important interest Now Kolber is publishing this memoir of a life that he calls a tremendous ride With business tycoons from Sam Bronfman and Charles Bronfman to Kirk Kerkorian With famous politicians from Pierre Trudeau to Brian Mulroney and Jean Chretien With Hollywood moguls and nights out with the stars from Danny Kaye and Cary Grant to Frank Sinatra

**Samuel Bronfman** Michael Robert Marrus, 1991 The irascible son of a Jewish pioneer from Czarist Russia whose business acumen built an international company renowned for the quality of its products Samuel Bronfman's father failed as a wheat farmer and then found success selling frozen fish firewood and horses At this point young Sam observed to his father The bar makes more profits than we do Instead of selling horses we should be selling the drinks And thus began what was to become the Seagram whiskey empire Sam's insight and timing were right as Canada and especially the United States were coming under the influence of the temperance movement While legend often places Sam in the thick of Prohibition era bootlegging and rum running in fact he built for the long term and kept his operations within both the law and its loopholes as he supplied American bootleggers Sam demonstrated his marketing genius by insisting on quality in a business notorious for cutting corners and thereby set the standard for the industry in the decades to follow Sam's success in penetrating the American market was such that after Prohibition his competitors lobbied the federal government for protection While Samuel Bronfman is a classic rags to riches tale it is also the story of a Jew who remained in many ways outside business and social establishments even after becoming internationally famous Commuting every week between his Montreal and New York office his was a private life centered on his family and their home in Montreal and summer places such as Tarrytown New York In the 1950s Sam under instructions from his daughter Phyllis Lambert commissioned Mies van der Rohe to design a new corporate headquarters the Seagram building at 375 Park Avenue a landmark on the New York City skyline As a leader of the Jewish community Sam was elected president of the Canadian Jewish Congress in 1939 and went on to organize financial aid to the fledgling state of Israel beginning decades long

involvement in Jewish affairs and support for the Jewish state

Publisher **1967, the Last Good Year** Pierre Berton, 1997 Few Canadians over the age of forty can forget the feeling of joy and celebration that washed over the country during Canada's centennial year We were Pierre Berton reminds us a nation in love with itself basking in the warm glow of international applause brought on by the unexpected success of Expo 67 and pumped up by the year long birthday party that had us all warbling Ca na da as Bobby Gimby and his gaggle of small children pranced down the byways of the nation It was a turning point year a watershed year a year of beginnings as well as endings One royal commission finally came to a close with a warning about the need for a new approach to Quebec Another was launched to investigate for the first time the status of Canadian women New attitudes to divorce and homosexuality were enshrined in law A charismatic figure Pierre Elliott Trudeau made clear that the state had no place in the bedrooms of the nation The seeds of Women's Lib Gay Pride and even Red Power were sown in the centennial year Of all the pavilions on the Expo site Berton singles out the Indian pavilion as having the greatest impact The country was in a ferment that year Canadians worried about the Americanization of every institution from the political convention to Hockey Night in Canada People talked about the Generation Gap as thousands of flower children held love ins in city parks The government tried to respond by launching the Company of Young Canadians a project that was less than successful The most significant event of 1967 was Charles de Gaulle's notorious Vive le Quebec libre speech in Montreal It gave the burgeoning separatist movement a new legitimacy enhanced by Rene Levesque's departure from the Liberal party later that year Throughout the book the author gives us insightful profiles of some of the significant figures of 1967 the centennial activists Judy LaMarsh and John Fisher the Expo entrepreneurs Philippe de Gaspé Beaubien and Edward Churchill Walter Gordon the fervent nationalist and his rival Mitchell Sharp Lester Pearson and his bete noire John Diefenbaker the three men of the world who helped make Canada internationally famous Marshall McLuhan Glenn Gould and Roy Thomson hippie leaders like David dePoe American draft dodgers like Mark Satin women's activists like Doris Anderson and Laura Sabia youth workers like Barbara Hall radicals like Pierre Vallières author of *White Niggers of America* and such dedicated nationalists as Madame Chaput Rolland and Andre Laurendeau In spite of the feeling of exultation that marked the centennial year an opposite sentiment runs through the book like dark thread the growing fear that the country was facing its gravest crisis Berton points out that we are far better off today than we were in 1967 Then why all the hand wringing he asks Because of the very real fear that the

country we celebrated so joyously thirty years ago is in the process of falling apart In that sense 1967 was the last good year before all Canadians began to be concerned about the future of our country     Public Financial Management C. Lloyd Brown-John, André LeBlond, D. Brian Marson, 1988     Hugh MacLennan Frank M. Tierney, 1994 Since the publication of *Two Solitudes* in 1945 Hugh MacLennan has been generally accepted as one of Canada's premier novelists However recent studies suggest the need for a reappraisal of MacLennan's status This need is confirmed by a close examination of his writing in recent years which has raised questions about the depth of the quality of his works his scope and inclusiveness his modernism as well as other issues In this volume leading scholars offer fresh perceptions of MacLennan's personality character and artistry Among other issues they examine the quality of his writing the influences on his work and its importance for Canadian literature Moreover conclusions are offered about his international national regional and civic intent his love hate relationship with the nationalist literary agenda his attitude toward women his own feminine side the authenticity of the father son conflict central to his fiction his attitude toward his own and other writers works the role of critics the future of literature An annotated bibliographic update is also included     Canadian Books in Print , 1994     The Accounting Historians Journal , 2000     **Bibliographie Annuelle D'histoire Ontarienne** , 1983     *Saturday Night* , 1984
