**Supplement to a Descriptive Catalogue of Friends' Books** Joseph Smith, 1893      **A Descriptive Catalogue of Friends' Books** Joseph Smith (Bookseller), 1893      **Alphabetical Finding List**, 1921      **Bibliotheca Americana** John Russell Smith, 2022-07-29 Reprint of the original first published in 1871      *A Peculiar Mixture* Jan Stievermann, Oliver Scheiding, 2013-06-14 Through innovative interdisciplinary methodologies and fresh avenues of inquiry the nine essays collected in *A Peculiar Mixture* endeavor to transform how we understand the bewildering multiplicity and complexity that characterized the experience of German speaking people in the middle colonies They explore how the various cultural expressions of German speakers helped them bridge regional religious and denominational divides and eventually find a way to partake in America s emerging national identity Instead of thinking about early American culture and literature as evolving continuously as a singular entity the contributions to this volume conceive of it as an ever shifting and tangled web of contact zones They present a society with a plurality of different native and colonial cultures interacting not only with one another but also with cultures and traditions from outside the colonies in a peculiar mixture of Old World practices and New World influences Aside from the editors the contributors are Rosalind J Beiler Patrick M Erben Cynthia G Falk Marie Basile McDaniel Philip Otterness Liam Riordan Matthias Sch nofer and Marianne S Wokeck      *Colonial Revivals* Lindsay DiCuirci, 2018-09-10 In the long nineteenth century the specter of lost manuscripts loomed in the imagination of antiquarians historians and writers Whether by war fire neglect or the ravages of time itself the colonial history of the United States was perceived as a vanishing record its archive a hoard of materially unsound temporally fragmented politically fraught and endangered documents *Colonial Revivals* traces the labors of a nineteenth century cultural network of antiquarians

bibliophiles amateur historians and writers as they dug through the nation's attics and private libraries to assemble early American archives. The collection of colonial materials they thought themselves to be rescuing from oblivion were often reprinted to stave off future loss and shore up a sense of national permanence. Yet this archive proved as disorderly and incongruous as the collection of young states themselves. Instead of revealing a shared origin story, historical reprints testified to the inveterate regional racial doctrinal and political fault lines in the American historical landscape. Even as old books embodied a receding past, historical reprints reflected the antebellum period's most pressing ideological crises: from religious schisms to sectionalism to territorial expansion. Organized around four colonial regional cultures that loomed large in nineteenth-century literary history—Puritan New England, Cavalier Virginia, Quaker Pennsylvania, and the Spanish Caribbean—*Colonial Revivals* examines the reprinted works that enshrined these historical narratives in American archives and minds for decades to come. Revived through reprinting, the obscure texts of colonial history became new again, deployed as harbingers, models, reminders, and warnings to a nineteenth-century readership increasingly fixated on the uncertain future of the nation and its material past. *Friends' Intelligencer*, 1870 [Pacifist Prophet](#) Richard W. Pointer, 2020-11 *Pacifist Prophet* recounts the untold history of peaceable Native Americans in the eighteenth century as explored through the world of Papunhank ca. 1705-75, a Munsee and Moravian prophet, preacher, reformer, and diplomat. Papunhank's life was dominated by a search for a peaceful homeland in Pennsylvania and the Ohio country amid the upheavals of the era between the Seven Years War and the American Revolution. His efforts paralleled other Indian quests for autonomy but with a crucial twist: he was a pacifist committed to using only nonviolent means. Such an approach countered the messages of other Native prophets and ran against the tide in an early American world increasingly wrecked with violence, racial hatred, and political turmoil. Nevertheless, Papunhank was not alone. He followed and contributed to a longer and wider indigenous peace tradition. Richard W. Pointer shows how Papunhank pushed beyond the pragmatic pacifism of other Indians and developed from indigenous and Christian influences a principled pacifism that became the driving force of his life and leadership. Hundreds of Native people embraced his call to be a great Lover of Peace in their quests for home. Against formidable odds, Papunhank's prophetic message spoke boldly to Euro-American and Native centers of power and kept many Indians alive during a time when their very survival was constantly threatened. Papunhank's story sheds critical new light on the responses of some Munsees, Delawares, Mahicans, Nanticokes, and Conoys for whom the way of war was no way at all.
