Grubb,2015-10-06 If the thought of vacationing with your parents makes you cringe fear no more Help is here Planes Canes and Automobiles Connecting with Your Aging Parents through Travel is a gold mine of practical advice funny anecdotes and tales of triumphs and travails from Val Grubb who has traveled more than 300 000 miles and counting with her 84 year old mother over the past twenty years When planning a recent trip overseas however Grubb realized that her mom s physical and mental capabilities had suddenly changed Her mom now needed a wheelchair for example and was afraid to travel alone even on short flights to meet her daughter for a long trip together Grubb set out to find suggestions for handling these changes and after much research was struck by the lack of resources to help people plan vacations with an aging friend or family member She couldn t find any comprehensive information that shed light on the nuances of globetrotting with aging parents **Hell of a Ride** Cynda Thomas,Velvet Thomas,2008-10 This biography brings to life the many struggles Dick encountered on his way to success and the power plays and politics of the corporate involvement regarding his test pilot s career Not all of Dick s airplane incidents are mentioned but his significant stories come to life such as his fiery crash in the T 33 his ejection over Mount Whitney his spin tests in the F 5 s and his final assignment in the black world as chief project pilot on the highly classified Tacit Blue From his early childhood in up state New York to the difficulties of growing up in a harsh environment he overcame illness and injury He kept his determination to do something special be a test pilot In his senior years it describes the tragedy of his pallidotomy surgery for Parkinson s disease that left him disabled and brought about early dementia To say Dick was a controversial figure in the aerospace industry would be an understatement To say Dick made his mark and contributed to his aerospace world would be accurate However both of these statements would be true How was he bold daring and dashing You will find those answers as you read about him Riding for the Brand Wes Walton,2024-12-03 When I was nineteen years old and my mother Tahleatha

was thirty nine years old she was diagnosed with stomach cancer She was the most godly and compassionate person I knew She was in the hospital when I took her my first saddle bronc riding check I won in my first PRCA rodeo I thought it would make her happy because she was at the high school rodeo when I covered my first bull and I could hear her over the entire crowd cheering me on I thought it would bring her joy that her son finally became a man but I could read disappointment on her face The rodeo check didn't even put a smile on her face so I asked her Mom what would make you happy She knew I gave my heart to Jesus at a young age So she said I wish you'd give your life to Jesus So I told her on her deathbed that I would and I signed up for a one year Bible institute in the Adirondack Mountains I asked God Please get a hold of my life or when I get out I'll probably go back to rodeo and hunting and manly stuff I learned God wasn't about taking and stripping everything from us but using the talents and interests he gave us in the first place as a platform for God to display his glory
