Asian American Poets Guiyou Huang, 2002-05-30 Even though Asian American literature is enjoying an impressive critical popularity attention has focused primarily on longer narrative forms such as the novel And despite the proliferation of a large number of poets of Asian descent in the 20th century Asian American poetry remains a neglected area of study Poetry as an elite genre has not reached the level of popularity of the novel or short story partly due to the difficulties of reading and interpreting poetic texts The lack of criticism on Asian American poetry speaks to the urgent need for scholarship in this area since perhaps more than any other genre poetry most forcefully captures the intense feelings and emotions that Asian Americans have experienced about themselves and their world This reference book overviews the tremendous cultural contributions of Asian American poets Included are alphabetically arranged entries on 48 American poets of Asian descent most of whom have been active during the latter half of the 20th century Each entry begins with a short biography which sometimes includes information drawn from personal interviews The entries then discuss the poet's major works and themes including such concerns as family racism sexism identity language and politics A survey of the poet's critical reception follows In many cases the existing criticism is scant and the entries offer new readings of neglected works The entries conclude with bibliographies of primary and secondary texts and the volume closes with a selected general bibliography

The Cambridge Companion to Contemporary Irish Poetry Matthew Campbell, 2003-08-28 In the last fifty years Irish poets have produced some of the most exciting poetry in contemporary literature writing about love and sexuality violence and history country and city This book provides a unique introduction to major figures such as Seamus Heaney but also introduces the reader to significant precursors like Louis MacNeice or Patrick Kavanagh and vital contemporaries and successors among others Thomas Kinsella Paul Muldoon and Nuala Ni Dhomhnaill Readers will find discussions of Irish poetry from the traditional to the modernist written in Irish as well as English from both North and South This Companion the only book of its kind on the market provides cultural and historical background to contemporary Irish poetry in the contexts of modern Ireland but also in the broad currents of modern world literature It includes a chronology and guide to further reading and will prove invaluable to students and teachers alike

International Who's Who in Poetry 2004 Europa Publications, 2003 Provides up to date profiles on the careers of leading and emerging poets

The Best of the Best American Poetry David Lehman, Harold Bloom, 1998-04-02 Every year since 1988 a major poet has selected seventy five poems for publication in The Best American Poetry The series has quickly grown in both sales and prestige as poetry itself has seen a remarkable resurgence in popularity and vitality fueled by established poets at the peak of their powers and a new generation of daring voices As we approach the millennium now is the opportune moment to take stock of American poetry and choose the work that will stand

the test of time Harold Bloom a commanding presence on the American literary state has read all 750 poems in the series and has picked the best of the best He precedes his selections with a compelling and highly provocative essay on the state of American letters in which he fiercely champions the endangered realm of the aesthetic over the politically correct Diverse in style method and metaphor the seventy five poems Bloom has chosen go a long way toward defining a contemporary canon of American poetry This exciting volume reflects not only the taste of the current editor but the predilections of the all star list of poets who have contributed their time and intellect to make this series what is today a valuable invaluable supervalueable Beloit Poetry Journal record of an ever changing always exciting art *Native American Women* Gretchen M. Bataille, Laurie Lisa, 2003-12-16 This A Z reference contains 275 biographical entries on Native American women past and present from many different walks of life Written by more than 70 contributors most of whom are leading American Indian historians the entries examine the complex and diverse roles of Native American women in contemporary and traditional cultures This new edition contains 32 new entries and updated end of article bibliographies Appendices list entries by area of woman s specialization state of birth and tribe also includes photos and a comprehensive index *Struggling for Wings* Robert Kirsch, 1997 *Struggling for Wings* is a diverse collection of reviews interviews and essays on the controversial career of James Dickey a writer whose work has engendered commentary ranging from high praise to scathing personal attack Never before collected the materials in this volume record America s critical response to Dickey beginning in the early 1960s when he first began publishing poetry and continuing through the mid 1990s with comprehensive overviews of Dickey s entire canon *Jerome Rothenberg's Experimental Poetry and Jewish Tradition* Christine Meilicke, 2005-07 On a more specific level this book analyses Rothenberg s use of postmodern appropriative strategies such as collage assemblage palimpsest parody pastiche forgery found poetry and theft These strategies illustrate the concept practice and problematics of appropriation Embracing postmodern experimentation and drawing on heterodox Jewish sources Rothenberg constructs a contemporary American Jewish identity that does not rely on institutionalized Judaism Jacket **Eavan Boland** Jody Allen Randolph, 2013-11-26 In this powerful and authoritative study Jody Allen Randolph provides the fullest account yet of the work of a major figure in twentieth century Irish literature as well as in contemporary women s writing Eavan Boland s achievement in changing the map of Irish poetry is tracked and analyzed from her first poems to the present The book traces the evolution of that achievement guiding the reader through Boland s early attachment to Yeats her growing unease with the absence of women s writing her encounter with pioneering American poets like Sylvia Plath Elizabeth Bishop and Adrienne Rich and her eventual challenging amendments in poetry and prose to Ireland s poetic tradition Using research from private papers the book also traces a time of upheaval and change in Ireland exploring Boland s connection to Mary Robinson in a chapter that details the nexus of a woman president and a woman poet in a country that was resistant to both Finally this book invites the reader to share a compelling perspective on the growth of a poet described by one critic as

Ireland's first great woman poet Encyclopedia of American Poetry: The Twentieth Century Eric L. Haralson, 2014-01-21
The Encyclopedia of American Poetry: The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics, schools or periods of American verse in the century. Entries fall into three main categories: poet entries which provide biographical and cultural contexts for the author's career; entries on individual works which offer closer explication of the most resonant poems in the 20th century canon; and topical entries which offer analyses of a given period of literary production, school, thematically constructed category, or other verse tradition that historically has been in dialogue with the poetry of the United States. Readings in American Indian Law Jo Carrillo, 1998
This selection of works, many by Native American scholars, introduces selected topics in federal Indian law. Readings in American Indian Law covers contemporary issues of identity and tribal recognition, reparations for historic harms, the valuation of land in land claims, the return to tribal owners of human remains, sacred items and cultural property, tribal governance, and issues of gender democracy informed by cultural awareness and religious freedom. Courses in federal Indian law are often aimed at understanding rules, not cultural conflicts. This book expands doctrinal discussions into understandings of culture, strategy, history, identity, and hopes for the future. Contributions from law, history, anthropology, ethnohistory, biography, sociology, socio-legal studies, and fiction offer an array of alternative paradigms as strong antidotes to our usual conceptions of federal Indian law. Each selection reveals an aspect of how federal Indian law is made, interpreted, implemented, or experienced. Throughout the book centers on the ever-present and contentious issue of identity. At the point where identity and law intersect lies an important new way to contextualize the legal concerns of Native Americans.

Dudley Randall, Broadside Press, and the Black Arts Movement in Detroit, 1960-1995 Julius E. Thompson, 2005-02-15
In 1965 Dudley F. Randall founded the Broadside Press, a company devoted to publishing, distributing, and promoting the works of black poets and writers. In so doing, he became a major player in the civil rights movement. Hundreds of black writers were given an outlet for their work and for their calls for equality and black identity. Though Broadside was established on a minimal budget, Randall's unique skills made the press successful. He was trained as a librarian and had spent decades studying and writing poetry. Most importantly, Randall was totally committed to the advancement of black literature. The famous and relatively unknown sought out Broadside, including such writers as Gwendolyn Brooks, Margaret Walker, Mae Jackson, Lance Jeffers, Etheridge Knight, Sonia Sanchez, Nikki Giovanni, Audre Lorde, and Sterling D. Plumpp. His story is one of battling to promote black identity and equality through literature and thus lifting the cultural lives of all Americans.
