Prudent Speculator Al Frank On Investing:

Al Frank's New Prudent Speculator Al Frank, 1995 In this revised edition of his classic book *The Prudent Speculator* Frank discusses his investment philosophy and reveals precisely how he goes about picking stocks and managing a portfolio Both part time and seasoned investors will find a unique but proven strategy in Frank's investment strategy Based on systematic fundamental principles market timing and the use of margin his system for finding undervalued investment opportunities will help you make more informed and profitable money management decisions Completely revised and updated Al Frank's *New Prudent Speculator* now includes a new Chapter 10 where he discusses What's Wrong with Mutual Funds In addition he provides advice on an important but often neglected subject the psychological aspects of investing

The Prudent Speculator Al Frank, 1990 Novice and veteran stock speculators alike can profit from the sound financial advice presented in a practical guide to investing written by the publisher of *The Prudent Speculator* **The Stock Option Income Generator** Harvey C. Friedentag, 2009-10-05 A straightforward guide to generating consistent income by selling call options on selected stocks *The Stock Option Income Generator* outlines a low stress approach to making predictable profits no matter what the state of the overall market Harvey Friedentag a registered investment advisor who has been successfully using this strategy for more than thirty six years shows how to pick stocks and then sell call options against those stocks to generate a constant source of income With this book you'll quickly learn to Make consistent profits in the stock market and increase your gains Protect stock holdings from price declines cutting your losses Profit from big market moves as well as sideways moves Receive a controllable tax shelter from an option income portfolio Buy more stocks for less money Friedentag's strategy is ideal for anyone who wants to generate better returns than the overall market averages with less risk and receive the benefits of tax advantaged investing **The Valley of the Fallen** Donald Katz, 2001-10-09 Few writers can match journalist Donald Katz's ability to make an exotic locale familiar or transform an ordinary place into something peculiar if not completely weird *The Valley of the Fallen and Other Places* gathers a pastiche of stories from around the world each of which subtly underlines the relationship between geography and politics Locations counties regions of the world emerge as characters in Katz's panoramic cast as fully drawn as the unusual people that occupy them so that one realizes of each particular account that this could only happen in a place like this The setting for each of these pieces whether home or abroad provides a resonant backdrop for Katz's startling perceptions and cultural acumen He paints a portrait of Spain in which people are dying of political repression and vividly depicts Italy in the throes of a postwar capitalist hangover Katz describes Arkansas its history of racial strife notwithstanding as an American cultural ark where respect for old fashioned gumption and the tolerance for human eccentricity have fostered a renaissance of spirit He captures the poignant ruin of political ideals gone amuck in the image of columns of Ethiopian children being herded through the night at gunpoint undergoing political re education Katz's observations of the Sinai where beliefs convictions even hunches become howling

zeal contrast with Santa Fe's philosophical cogitating and quality of life improvement projects in a New Age mecca that breeds tamer but equally fervent faiths The cumulative effect of reading this eclectic collection is one of wonder about the mysterious and dazzling world in which we live and the way our lives are shaped by our place in it **Magnet Investing** Jordan L. Kimmel, 2000 The secrets of building a successful stock portfolio involve joining the resources of this stock selection program with a home PC This guide describes the key characteristics common in companies when their stock undergoes a major surge and provides the foundation for individuals to develop a personalized portfolio and money management skills to vastly increase investment success **Investing Smart** Dhun H. Sethna, 2001 **A Fool and His Money** John Rothchild, 1998-03-30 There is one thing that can be said about A Fool and His Money that cannot be said about any other volume of investment advice You will never make a penny from the information in this book Now work on the subject of personal finance has even tried to make this claim before That is because works on the subject of personal finance are all lying John Rothchild is the only fully honest author in the genre from the Foreword by P J O'Rourke A veritable gold mine of comic insight into the predicament of an average investor's avid pursuit of wealth A Fool and His Money is John Rothchild's critically acclaimed personal account of a year devoted to investing his money in the markets The entire investment world its characters institutions customs and myths passes under Rothchild's sharp and profoundly humorous scrutiny Acclaim for A Fool and His Money What makes this book so good is that Rothchild can explain things like naked puts and leave the reader both edified and laughing Witty fast paced and educational The Washington Post You'll relish John Rothchild's comic tale The book nears guaranteed delight Newsday A Fool and His Money may be the funniest book about investing ever written It's a reader's capital gain New York Post You set aside some money quit your job devote yourself entirely to studying the markets and start to invest Then through hard work and your own magical intuition you become so wealthy your major concern is finding a fashionable hobby to soak up your abundant leisure time All in about a year Now thanks to this hugely entertaining and informative book you can live out the fantasy without risking your money your job or your sanity Since its acclaimed debut a decade ago A Fool and His Money has become a treasured investment classic It's the comic firsthand account of a first time investor who sets out to make his wildest money dreams come true In a surge of optimism and enterprise financial writer John Rothchild drops everything to devote an entire year to learning how to invest a modest sum of money Motivated by a sincere desire to get rich he undertakes his mission by systematically studying as much as he can about the markets and how they really operate He fearlessly asks the most basic questions observes the professionals at work studies the newsletters makes investments and reports back on everything including his own highly personal and often hilarious reactions With Rothchild as your guide through the marketplace you will eavesdrop as his broker explains in fluent double talk why he should buy a certain hot stock Share in his buyer's remorse as Rothchild purchases an unknown technology company stock that puts him on an emotional roller coaster Be humbled as he enters the mighty Federal Reserve Bank and struggles to

understand its omnipotent power over his personal finances Witness the excitement and confusion of the Commodities Exchange and find out what pork bellies really are Hear firsthand the enigmatic and undoubtedly wise words of various wizards of Wall Street Sympathize with Rothchild as he explains his transactions to his loved ones Blush as he shamelessly attempts to deceive them In a gesture of pure magnanimity Rothchild also includes the hard won bits of wisdom he calls his 25 Useful Tips which include such sage advice as Never buy anything from a broker at an airport and his handy Fool s Glossary which clarifies many of the technical terms used in the book Clever funny and informative A Fool and His Money will reward investors at all levels of experience with a revelation on every page
