Speaking the Truth in Love: The Catechism and the New Evangelization Petroc Willey,Scott R. Sollom,2020-01-08 It is now just over twenty five years since the publication of the Catechism of the Catholic Church It is also more than thirty five years since St John Paul II called for a new evangelization to be characterized by a new ardor a new expression and new methods The conviction common to the contributors in this volume is that the Catechism flows from just such an ardor Speaking the Truth in Love draws together a group of Catholic scholars and field practitioners to focus on the capacity of the Catechism to be a powerful point for the renewal of Christian catechesis education and culture through its reclamation of the Christian heritage its explanatory power and its compelling articulation of a civilization characterized by faith hope and love A special focus of the book is how the Catechism provides a creative reference point for pedagogical renewal in the Church Since the publication of the Catechism of the Catholic Church in 1992 catechists and pastors of souls have discovered how it has served as a great instrument of the New Evangelization We have awaited this volume as a mature reflection on its vital place in the hope expressed by St John Paul II for a springtime of New Evangelization In these pages you will find testimony on how through the Catechism this springtime is already taking shape

A Sexual Life, a Spiritual Life Pat Buckley,2005 In this candid at times raw account of a life of turmoil dissident Bishop Pat Buckley reveals how his battles with Rome were paralleled by an internal battle between his own sexuality and his deeply held spirituality Sexually abused at the age of six by a trusted family friend Pat Buckley went on to join the priesthood eventually being consecrated as a Bishop in controversial circumstances in 1998 Throughout his life he struggled with his homosexuality finally coming out in 1999 A Sexual Life A Spiritual Life is not just a confession of Pat Buckley s sexuality however He uses his own experiences to delve into the deep connection between sex and spirit quoting St Bonaventure s maxim that the mind s road to God always begins in the sexual appetite Further he is highly critical of the way in which the Catholic Church has for centuries separated sexuality from spirituality making sex a source of sin and shame thereby doing such terrible violence to the human soul The only way to restore peace to the human soul Bishop Buckley argues is to reconcile the sexual and the spiritual It is this reconciliation he says which has at last brought him peace in his own life and which the Church must face up to with compassion and honesty if it is to make peace with those it has alienated
