Rage Free Kids Homeopathic For Defiant Aggressive And Violent Children:

Rage-Free Kids Judyth Reichenberg-Ullman, Robert Ullman, 2005-07 From the bestselling authors of Ritalin Free Kids this book offers homeopathic treatments for coping with children's rage. Although anger is a normal emotion in some children it can spiral out of control. In this eye-opening resource for parents the authors, both licensed naturopathic physicians, share their homeopathic approach to freeing defiant children from aggressive behavior. **Prozac-free** Judyth Reichenberg-Ullman, Robert Ullman, 2002 Robert Ullman offers reasons for considering the homeopathic approach as an alternative to taking conventional medications such as Prozac, Zoloft, Paxil, and Wellbutrin. The authors discuss the serious side effects of these drugs and their failure. **Integrative Psychiatry** Daniel A. Monti, Bernard D. Beitman, 2010 In this volume in the Weil Integrative Medicine Library the authors describe a rational and evidence-based approach to the integrative therapy of mental disorders, integrating the principles of alternative and complementary therapies into the principles and practice of conventional psychiatry and psychology. The authors will examine what works and what doesn't and offer practical guidelines for physicians to incorporate integrative medicine into their practice and to advise patients on reasonable and effective therapies. *Youth Violence* I. M. Rachia, 1999 This bibliography comprises a selection of Library of Congress catalog records for some 1,500 books, periodicals, and websites related to youth violence. Anyone wanting such a bibliography could probably compile it from the Library of Congress web site, and the deficiencies in conception and design of this product defy understanding. A brief preface sounds an alarm: no one should be surprised that youth violence lurks behind every schoolhouse door, but sets forth no criteria for selection of citations, no indication of time frame, purpose, or audience. Entries are arranged alphabetically by title within chapters on school violence, guns, and youth gangs, campus violence, dating and violence, and periodicals and Web sites. Unforgivably primitive alphabetic sorting puts all titles beginning with 'The' together, the same with other articles, and in addition those titles are indexed together. Though the title indicates the presence of abstracts, there are none except the summaries supplied by Library of Congress for juvenile titles, of which there are many. Cross-referencing and indexing, except by title, are absent. The compiler's credentials, motivation, and orientation are not cited. Furthermore, with better design the contents would have consumed half the number of pages, and a few typeface variations would have eased scanning. Annotation copyrighted by Book News Inc., Portland, OR. **The American Institute of Homeopathy Handbook for Parents** Edward Shalts, M.D., D.Ht., 2011-01-13 The American Institute of Homeopathy (AIH) is the oldest medical organization in the United States, founded three years before the American Medical Association. The American Institute of Homeopathy Handbook for Parents is the first AIH publication that offers another option for parents who are reluctant to participate in the widespread extreme measures of conventional medicine, such as stimulants, antidepressants, and overuse of antibiotics. Step by step, Edward Shalts, a medical doctor who practices homeopathic medicine, explains what homeopathy is and how it works. He presents a user-friendly overview of acute and chronic issues and shows

how parents can deal with them either on their own for some problems or in many cases with a qualified practitioner This important resource explains the principles of homeopathy the nature of remedies and the appropriate time to use homeopathy

The Complete Idiot's Guide to Homeopathy David Sollars,2001 Provides information about homeopathic medicine including what it is how it works what it can be used for how to incorporate it into conventional treatment programs and how to find a homeopath
