From vaudeville singer Eva Tanguay the I Don't Care Girl who upended Victorian conceptions of feminine propriety to become one of the biggest stars of her day to the scandal of Blondie playing disco at CBGB Hajdu presents an incisive and idiosyncratic history of a form that has repeatedly upset social and cultural expectations Exhaustively researched and rich with fresh insights *Love for Sale* is unbound by the usual tropes of pop music history Hajdu for instance gives a star turn to Bessie Smith and the blues queens of the 1920s who brought wildly transgressive sexuality to American audience decades before rock and roll And there is Jimmie Rodgers a former blackface minstrel performer who created country music from the songs of rural whites and blacks entwined with the sound of the Swiss yodel And then there are today's practitioners of Electronic Dance Music who Hajdu celebrates for carrying the pop revolution to heretofore unimaginable frontiers At every turn Hajdu surprises and challenges readers to think about our most familiar art in unexpected ways Masterly and impassioned authoritative and at times deeply personal *Love for Sale* is a book of critical history informed by its writer's own unique history as a besotted fan and lifelong student of pop

McGee,2011-07-21 Women have been involved with jazz since its inception but all too often their achievements were not as well known as those of their male counterparts *Some Liked It Hot* looks at all girl bands and jazz women from the 1920s through the 1950s and how they fit into the nascent mass culture particularly film and television to uncover some of the historical motivations for excluding women from the now firmly established jazz canon This well illustrated book chronicles who appeared where and when in over 80 performances captured in both popular Hollywood productions and in relatively unknown films and television shows As McGee shows these performances reflected complex racial attitudes emerging in American culture during the first half of the twentieth century Her analysis illuminates the heavily mediated representational strategies that jazz women adopted highlighting the role that race played in constituting public performances of various styles of jazz from swing to hot and sweet The International
