Fraser,2001 Venerated as god and goddess feared as demon and pestilence trusted as battle omen and used as a proving ground for optical theories the rainbow's image is woven into the fabric of our past and present From antiquity to the nineteenth century the rainbow has played a vital role in both inspiring and testing new ideas about the physical world Although scientists today understand the rainbow's underlying optics fairly well its subtle variability in nature has yet to be fully explained Throughout history the rainbow has been seen primarily as a symbol of peace covenant or divine sanction rather than as a natural phenomenon Lee and Fraser discuss the role the rainbow has played in societies throughout the ages contrasting its guises as a sign of optimism bearer of Greek gods messages of war and retribution and a symbol of the Judeo Christian bridge to the divine The authors traverse the bridges between the rainbow's various roles as they explore its scientific artistic and folkloric visions This unique book exploring the rainbow from the perspectives of atmospheric optics art history color theory and mythology will inspire readers to gaze at the rainbow anew For more information on The Rainbow Bridge visit **Mine Eyes Have Seen the Glory** Randall Balmer,2014-08-21 Randall Balmer's Mine Eyes Have Seen the Glory is an insightful and engaging journey into the world of conservative Christians in America Originally published twenty five years ago and the basis for an award winning three part PBS documentary this new edition is complete with a new chapter and an Afterword In this immensely readable tour of the highways and byways of American evangelicalism Balmer visits a revival meeting in Florida

Crossing the Rainbow Bridge Tania V. Grayson,2009-11

The Revelation Rainbow Charles Walter Doughty,2016-07-19 This book Revelation Rainbow is the end of a forty year quest by the author to find answers to the questions generated by Biblically un informed scholarship that shrouds rather than unveils the great truths of this Holy Spirit directed work of our Lord Hundreds of students of Revelation have been left in a bewildered state because certain scholars approach the book with a human mindset instead of a Spirit led mindset Instead of looking at Revelation as The Divine apocalypse they try to humanize and literalize the book as a study of human secular history leaving the student with a complicated scheme of things that do not make sense Having met these students Mr Doughty was greatly distressed to see them turn from God s Word especially Revelation altogether Subjects like the Antichrist Millennium Mark of the Beast Rapture Tribulation and Left Behind are just some of the end time twists causing confusion
