Rainbow Warrior Sunday Times of London Insight Team,1986 **Rainbow Warrior: the French Attempt to Sink Greenpeace** Brian Whitaker,1986 *Rainbow Warrior* Times Insight Team Sunday,19?? **The French Presence in the South Pacific, 1842-1940** Robert Aldrich,1989-06-18 An examination of France's presence in the South Pacific after the takeover of Tahiti It places the South Pacific in the context of overall French expansion and current theories of colonialism and imperialism and evaluates the French impact on Oceania **Mammoth Books presents Terrorist Attacks and Clandestine Wars** Jon E. Lewis,2012-07-26 7 7 Is the government covering up evidence of bungling by the intelligence services before the 7 7 bombings in London 9 11 Did George Bush stage the 9 11 attack or at least purposefully allow for it to occur so he could generate support to invade Afghanistan for reasons linked to the oil industry And was Flight 93 shot down on the order of the White House before it could reach its target Or was it really al Qaeda acting alone HAARP It is said that HAARP camouflages the most destructive weapon ever created Is it really possible that this is what this 33 acre site is concealing The Lockerbie Bombing Initially it was assumed that Libya had a clear motive for the Lockerbie bombing revenge for the 1986 US Air Force raid on the cities of Tripoli and Benghazi But the truth is inevitably far more complex The Madrid Train Bombings What is the truth behind this atrocity in Spain Oklahoma City Bombings Is the fact that the FBI failed to investigate McVeigh's connections with the Militias and the fact that they held back 3 000 pages of documents enough to prove the Oklahoma City bombing was orchestrated by them Pearl Harbor Did President Franklin D Roosevelt conspire to bring about the attack on US forces at Pearl Harbour The Port Chicago Explosion What was the real cause of this explosion The Rainbow Warrior French DGSE agents alleged to have sunk this Greenpeace ship How much of this is true and if it is why did they do it Roberto Calvi In 1982 God's banker was found dead swinging from Blackfriars Bridge in London As Calvi had been under enormous pressure it was assumed he had killed himself But twenty years on the case was reopened and revaluated producing somewhat different findings The Sovereign Military Order of Malta Does the Order moonlight as an intelligence broker TWA Flight 800 Why did this plane explode over the Atlantic *Make It a Green Peace!* Frank Zelko,2013-04-03 The emergence of Greenpeace in the late 1960s from a loose knit group of anti nuclear and anti whaling activists fundamentally changed the nature of environmentalism its purpose philosophy and tactics around the world And yet there has been no comprehensive objective history of Greenpeace's origins until now Make It a Green Peace draws upon meeting minutes internal correspondence manifestos philosophical writings and interviews with former members to offer the first full account of the origins of what has become the most recognizable environmental non governmental organization in the world Situating Greenpeace within the peace movement and counterculture of the 1960s Frank Zelko provides a much deeper treatment of the group's groundbreaking brand of radical media savvy direct action environmentalism than has been previously attempted Zelko traces the complex intellectual and cultural roots of Greenpeace to the various protest

movements of the 1950s and 1960s highlighting the influence of Quakerism with its practice of bearing witness Native American spirituality and the non violent resistance of Gandhi Unlike the more strait laced less confrontational Sierra Club and Audubon Society early Greenpeacers smoked dope dropped acid wore their hair long and put their bodies on the line interposing themselves between the harpoons of whalers and the clubs of seal hunters to save the animals and achieve what they hoped would be a lasting transformation in the way humans regarded the natural world And while it may not have achieved its most revolutionary goals Greenpeace inarguably created a heightened awareness of environmental issues that endures to this day Narrating the key campaigns and arguments among the group s early members Make It a Green Peace vividly captures all the drama pathos and occasional moments of absurd comic relief of Greenpeace s tumultuous first decade

Environmental Activism and World Civic Politics Paul Kevin Wapner,1996-01-01 Based on case studies of three transnational groups it argues that in addition to lobbying governments activists operate within and across societies to effect widespread change They work through transnational social economic and cultural networks to alter corporate practices educate vast numbers of people pressure multilateral development banks and shift standards of good conduct Wapner argues that because this activity takes place outside the formal arena of inter state politics environmental activists practice world civic politics they politicize global civil society
