Brucoli George Parker Anderson Judith S *Now Dig This* Terry Southern,2012-11-06 DIVDIVAn unforgettable chronicle of

an era by one of America's wildest and most brilliant comedic and literary minds. Edited by Nile Southern and Josh Alan Friedman. Starting with his landing at the Battle of the Bulge, Terry Southern showed a knack for winding up in the world's most interesting places. He spent the fifties on the Left Bank of Paris, the sixties in mod London, and the seventies touring with the Rolling Stones. When the Beatles rolled out their famous pantheon of movers and shakers for the cover of Sgt. Pepper, Terry was the only guy wearing shades. When police broke heads during the 68 democratic convention in Chicago, Southern was there to bear witness. And when Stanley Kubrick needed someone to make Dr. Strangelove funny, there was only one man qualified for the job. As the golden age of rock n roll wound down, Southern never stopped writing, and his prose never lost its trademark intensity. Filthy, fierce, and relentlessly dazzling, these letters, essays, stories, and interviews are an electric testament to one of the keenest wits of the twentieth century. This ebook features an illustrated biography of Terry Southern, including rare photos and never before seen documents from the author's estate.

The Beat Generation and the Popular Novel in the United States, 1945-1970 Thomas Newhouse, 2000-06-30. The Beat Generation that emerged after World War II and reached its zenith in the 1960s represented an era of new perspectives. The questioning, anti-establishment view of the world prevalent among the various members of the Beat Movement found its voice in both novels and poetry. The novels, especially or what might be called underground narratives, were a driving force within the literary, social, and cultural revolution that characterized the Beats. This study of the American novel during that era presents the forerunners of the literary tradition of the Beats and examines the major genres of the Beat novel: the juvenile delinquent novel, the self-discovering novel of individuality, the gay novel, the drug novel, the new journalism, and novels taking on topics of defiance and submission. From novels that have found a mainstream acceptance like *The Blackboard Jungle*, *The Electric Kool Aid Acid Test*, and *On the Road* to lesser known works like *Go Young Adam* and *Flee the Angry Strangers*, numerous representative works are examined in depth. Also included is a chronology of underground narratives showing the development of these novels from their early twentieth-century antecedents to current works.
