Red Victory A History Of The Russian Civil War 1918 1921

Ian Morris

Red Victory A History Of The Russian Civil War 1918 1921:

Red Victory W. Bruce Lincoln, 1989 A chronicle of the Russian Civil War from 1918 to 1921 **Red Victory** W. Bruce Lincoln, 1999-05-07 Shortly after withdrawing from World War I Russia descended into a bitter civil war unprecedented for its savagery epidemics battles mass executions forced labor and famine claimed millions of lives From 1918 to 1921 through great cities and tiny villages across untouched forests and vast frozen wasteland the Bolshevik Reds fought the anti Communist Whites and their Allies fourteen foreign countries contributed weapons money and troops including 20 000 American soldiers This landmark history re creates the epic conflict that transformed Russia from the Empire of the Tsars into the Empire of the Commissars while never losing sight of the horrifying human cost *Red Victory* W. Bruce Lincoln, 1991-01 Using material from newly opened archives the author explores the years from 1918 to 1921 when the Russians came to know the full dimensions of the revolution that had begun in 1917 **Historical Dictionary of the Russian Civil Wars, 1916-1926** Jonathan D. Smele, 2015-11-19 This book is a detailed reference of the twentieth century struggles that were waged across and beyond the decaying Russian Empire at the end of the First World War as tsarism and democratic alternatives to it collapsed and the world's first Communist state the Union of Soviet Socialist Republics was born At the same time it is a necessary corrective to studies that have viewed events of the time as a unitary Russian Civil War that sprang from the Russian Revolution of 1917 Instead it contributes to the ongoing process of integrating the civil wars into a continuum of crises that wracked the Russian Empire and its would be successor states across a prolonged period The *Historical Dictionary of the Russian Civil Wars 1916 1926* covers the history of this period through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has almost 2 000 cross referenced entries on individuals political and governmental institutions and political parties and military formations and concepts as well as religion art film propaganda uniforms and weaponry This book is an excellent access point for students researchers and anyone wanting to know more about the Russian Civil War *The Caucasus Under Soviet Rule* Alex Marshall, 2010-09-13 The Caucasus is a strategically and economically important region in contemporary global affairs This book provides the first comprehensive study of the impact of Soviet policy on the Caucasus focusing in particular on the period from 1917 to 1955 It argues that understanding the Soviet legacy in the region remains critical to analysing both the new states of the Transcaucasus and the autonomous territories of the North Caucasus **Russian Revolution of 1917** Sean N. Kalic, Gates M. Brown, 2017-09-21 Combining reference entries and examination of primary documents from the Russian Revolution this book gives students a better understanding of how and why political forces fought to reshape the Russian empire 100 years ago and provides keen insights into the Soviet Union that resulted This invaluable reference guide provides an understanding of the social political and economic forces and events in Russia that led to the 1905 Russian Revolution in which leftists radicals disposed of the Czar and his regime It addresses key developments such as the formation

of the provisional government the Bolshevik Revolution in October 1917 and the Russian Civil War connected evolutionary historical events that fundamentally reshaped Russia into the Soviet Union This book serves students and general readers seeking a single source that provides in depth coverage of the Russian Revolution and the Russian Civil War Beyond the reference entries the book contains primary documents that cover the key events people and issues that emerged during Russia s revolutions and Civil War These documents give readers a more detailed understanding of how the Bolsheviks used calls for greater democracy to gain support for their revolution how the Bolsheviks used terror and control as means to maintain their power once the Bolshevik Revolution took place and why the Bolsheviks believed such extreme measures were needed Also included is a chronology of major events from 1890 through 1923 and a bibliography that serves as a starting point for more directed research

The Russian Civil War Evan Mawdsley, 2009-02-24 The best book ever written on the Russian civil war A first rate work of scholarly synthesis Robert McNeal In St Petersburg on October 25 1917 the A commanding chronicle of the three Bolshevik Party stormed the capital city and turbulent years that brought the ironfisted seized the power over the Russian Provisional Soviet regime to political power Government which had been operating ineffectively since the abdication of Tsar Nicholas II eight months before That October Revolution began the Russian Civil War which in three years would cost the largest country in the world more than seven million lives It was an apocalyptic struggle replete with famine and pestilence but out of the struggle a new social order would rise The Soviet Union Mawdsley offers a lucid superbly detailed account of the men and events that shaped twentieth century communist Russia He draws upon a wide range of sources to recount the military course of the war as well as the hardship the conflict brought to a country and its people for the victory and the reconstruction of the state under the Soviet regime came at a painfully high economic and human price

A History of Russia and Its Empire Kees Boterbloem, 2018-06-26 This clear and focused text provides an introduction to imperial Russian and Soviet history from the crowning of Mikhail Romanov in 1613 to Vladimir Putin s new term Through a consistent chronological narrative Kees Boterbloem considers the political military economic social religious and cultural developments and crucial turning points that led Russia from an exotic backwater to superpower stature in the twentieth century The author assesses the tremendous price paid by those who made Russia and the Soviet Union into such a hegemonic power both locally and globally He considers the complex and varied interactions between Russians and non Russians and investigates the reasons for the remarkable longevity of this last of the colonial powers whose dependencies were not granted independence until 1991 He explores the ongoing legacies of this fraught decolonization process on the Russian Federation itself and on the other states that succeeded the Soviet Union The only text designed and written specifically for a one semester course on this four hundred year period it will appeal to all readers interested in learning more about the history of the people who have inhabited one sixth of the earth s landmass for centuries

White Terror Jamie Bisher, 2006-01-16 This is the gripping story of a forgotten Russia in turmoil when the line between government

and organized crime blurred into a chaotic continuum of kleptocracy vengeance and sadism It tells the tale of how in the last days of 1917 a fugitive Cossack captain brashly led seven cohorts into a mutinous garrison at Manchuli a squalid bordertown on Russia's frontier with Manchuria The garrison had gone Red revolted against its officers and become a dangerous ill-disciplined mob Nevertheless Cossack Captain Grigori Semionov cleverly harangued the garrison into laying down its arms and boarding a train that carried it back into the Bolsheviks' tenuous territory Through such bold action Semionov and a handful of young Cossack brethren established themselves as the warlords of Eastern Siberia and Russia's Pacific maritime provinces during the next bloody year Like inland pirates they menaced the Trans-Siberian Railroad with fleets of armoured trains Cossack cavalry mercenaries and pressgang cannon fodder They undermined Admiral Kolchak's White armies ruthlessly liquidated all Reds terrorized the population sold out to the Japanese and antagonized the American Expeditionary Force and Czech Legion in a frenzied orchestration of the Russian Empire's gotterdammerung Historians have long recognized that Ataman Semionov and Company were a nasty lot This book details precisely how nasty they were

The Furies Arno J. Mayer, 2013-05-16 The great romance and fear of bloody revolution strange blend of idealism and terror have been superseded by blind faith in the bloodless expansion of human rights and global capitalism Flying in the face of history violence is dismissed as rare immoral and counterproductive Arguing against this pervasive wishful thinking the distinguished historian Arno J Mayer revisits the two most tumultuous and influential revolutions of modern times the French Revolution of 1789 and the Russian Revolution of 1917 Although these two upheavals arose in different environments they followed similar courses The thought and language of Enlightenment France were the glories of western civilization those of tsarist Russia's intelligentsia were on its margins Both revolutions began as revolts vowed to fight unreason injustice and inequality both swept away old regimes and defied established religions in societies that were 85% peasant and illiterate both entailed the terrifying return of repressed vengeance Contrary to prevalent belief Mayer argues ideologies and personalities did not control events Rather the tide of violence overwhelmed the political actors who assumed power and were rudderless Even the best plans could not stem the chaos that at once benefited and swallowed them Mayer argues that we have ignored an essential part of all revolutions the resistances to revolution both domestic and foreign which help fuel the spiral of terror In his sweeping yet close comparison of the world's two transnational revolutions Mayer follows their unfolding from the French Declaration of the Rights of Man and the Bolshevik Declaration of the Rights of the Toiling and Exploited Masses the escalation of the initial violence into the reign of terror of 1793-95 and of 1918-21 the dismemberment of the hegemonic churches and religion of both societies the externalization of the terror through the Napoleonic wars and its internalization in Soviet Russia in the form of Stalin's Terror in One Country Making critical use of theory old and new Mayer breaks through unexamined assumptions and prevailing debates about the attributes of these particular revolutions to raise broader and more disturbing questions about the nature of revolutionary violence attending new foundations

World

War I Spencer C. Tucker, 2019-05-10 Offers detailed coverage of every country that played a significant role in World War I from key participants including France Germany Great Britain the Ottoman Empire and the United States to smaller nations such as Bulgaria Montenegro and New Zealand World War I A Country by Country Guide is a comprehensive reference exploring the role various nations played in this devastating conflict Each of the 22 country sections provides detailed background information the reasons behind the country's entry into the war a summary of its combat effort in the war a discussion of the home front experience and a description of the war's impact on that nation Illuminating sidebars offer an interesting war anecdote involving each country while essays survey each country's military branches and key military and political leaders Finally a timeline for each nation covers all of the important events involving that country during World War I In addition to the country coverage a battles section offers entries on 18 of World War I's most important engagements and a separate section on weapons and tactical changes is included The book also features dozens of maps and images

throughout the text that serve as important visual aids that help readers to understand all aspects of the conflict **Soviet Tragedy** Martin Malia, 2008-06-30 The Soviet Tragedy is an essential coda to the literature of Soviet studies Insofar as he returns the power of ideology to its central place in Soviet history Malia has made an enormous contribution He has written the history of a utopian illusion and the tragic consequences it had for the people of the Soviet Union and the world David Remnick The New York Review of Books In Martin Malia the Soviet Union had one of its most acute observers With this book it may well have found the cornerstone of its history Francois Furet author of Interpreting the French Revolution The Soviet Tragedy offers the most thorough scholarly analysis of the Communist phenomenon that we are likely to get for a long while to come Malia states that his narrative is intended to substantiate the basic argument and this is certainly an argumentative book which drives its thesis home with hammer blows On this breathtaking journey Malia is a witty and often brilliantly penetrating guide He has much wisdom to impart The Times Literary Supplement This is history at the high level well deployed factually but particularly worthwhile in the philosophical and political context at once a view and an overview The Washington Post *A History Of Russia Volume 2* Walter G. Moss, 2004-10-01 Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects He has also brought the history up to date by revising the post Soviet material which now covers events from the end of 1991 up to the present day This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US Canada and around the world

War! What Is It Good For? Ian Morris, 2014-04-15 A powerful and provocative exploration of how war has changed our society for the better War What is it good for Absolutely nothing says the famous song but archaeology history and biology show that war in fact has been good for something Surprising as it sounds war has made humanity safer and richer In War What Is It Good For the renowned historian and archaeologist Ian Morris tells the gruesome gripping story of fifteen thousand years of war going beyond the

battles and brutality to reveal what war has really done to and for the world Stone Age people lived in small feuding societies and stood a one in ten or even one in five chance of dying violently In the twentieth century by contrast despite two world wars Hiroshima and the Holocaust fewer than one person in a hundred died violently The explanation War and war alone has created bigger more complex societies ruled by governments that have stamped out internal violence Strangely enough killing has made the world safer and the safety it has produced has allowed people to make the world richer too War has been history's greatest paradox but this searching study of fifteen thousand years of violence suggests that the next half century is going to be the most dangerous of all time If we can survive it the age old dream of ending war may yet come to pass But Morris argues only if we understand what war has been good for can we know where it will take us next Praise for War What Is It Good For Morris's pace is perfect his range dazzling his phrasemaking fluent his humor raucous A rattling good book Felipe Fernandez Armesto The Wall Street Journal Ian Morris's evidence that war has benefited our species albeit inadvertently is provocative compelling and fearless This book is equally horrific and inspiring detailed and sweeping lighthearted and dead serious For those who think war has been a universal disaster it will change the way they think about the course of history Richard Wrangham coauthor of *Demonic Males* and author of *Catching Fire* A disturbing transformative text that veers toward essential reading Kirkus Reviews starred review [Imperial Apocalypse](#) Joshua A. Sanborn, 2014 A unique study of which uses the collapse of Tsarist Russia and its consequences to argue that the events on the often forgotten Eastern Front of WWI had a stronger impact on the outcome of the war than is usually accepted **German Diplomatic Relations 1871-1945** William Young, 2006-09-04 The continuity issue has been a theme in German historiography for half a century Historians have examined the foreign policy of Wilhelmine and Nazi Germany that led to two world wars Dr William Young examines the continuity of German Foreign Office influence in the formulation of foreign policy under the leadership of Otto von Bismarck 1862 1890 Kaiser William II 1888 1918 the Weimar Republic 1919 1933 and Adolf Hitler 1933 1945 He stresses the role and influence of strong German leaders in the making of policy and the conduct of foreign relations *German Diplomatic Relations 1871 1945* will be of value to individuals interested in the history of Germany Modern Europe and International Relations [The Routledge Handbook of Soviet and Russian Military Studies](#) Alexander Hill, 2025-02-24 This handbook brings together historical and contemporary essays about Soviet and Russian military studies to offer a comprehensive volume on the topic Comprising essays written by acknowledged specialists the handbook examines the development of the Russian and Soviet armed forces from the Napoleonic Wars all the way through to the course and conduct of the Special Military Operation in Ukraine Divided into thematic and chronological sections the volume looks at wars fought by the Tsarist regime through to the First World War the Soviet Union's Great Patriotic War from 1941 to 1945 the Cold War including the Soviet war in Afghanistan and Russia's post Soviet wars and military development In addition the volume also includes a section that analyses a number of overarching themes including the development of Russian and

Soviet airpower partisan warfare counterinsurgency and the role of women in Russian and Soviet armed forces The volume concludes with an essay looking at whether using the historical material and material on the conduct of the war in Ukraine we can reasonably talk of a Russian way of war This volume will be of considerable interest to students of the Soviet Union and Russia strategic studies and military history *The Aftermath of the Russian Revolution* Kathlyn Gay,2009-01-01 Details the the history of the aftermath of the Russian Revolution **Reader's Guide to Military History** Charles Messenger,2013-10-31 This book contains some 600 entries on a range of topics from ancient Chinese warfare to late 20th century intervention operations Designed for a wide variety of users it encompasses general reviews of aspects of military organization and science as well as specific wars and conflicts The book examines naval and air warfare as well as significant individuals including commanders theorists and war leaders Each entry includes a listing of additional publications on the topic accompanied by an article discussing these publications with reference to their particular emphases strengths and limitations *The Russian Revolution* Sheila Fitzpatrick,2017-09-29 The Russian Revolution had a decisive impact on the history of the twentieth century In the years following the collapse of the Soviet regime and the opening of its archives it has become possible to step back and see the full picture Starting with an overview of the roots of the revolution Fitzpatrick takes the story from 1917 through Stalin s revolution from above to the great purges of the 1930s She tells a gripping story of a Marxist revolution that was intended to transform the world visited enormous suffering on the Russian people and like the French Revolution before it ended up by devouring its own children This updated edition contains a fully revised bibliography and updated introduction to address the centenary what does it all mean in retrospect

When somebody should go to the books stores, search establishment by shop, shelf by shelf, it is in fact problematic. This is why we give the ebook compilations in this website. It will extremely ease you to look guide **Red Victory A History Of The Russian Civil War 1918 1921** as you such as.

By searching the title, publisher, or authors of guide you truly want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best area within net connections.
