

REDCAPS BRITAIN'S MILITARY POLICE

MIKE CHAPPELL

Redcaps British Military Police

George Forty

Redcaps British Military Police:

The Redcaps G. D. Sheffield, 1994 The red capped military policeman standing on traffic duty on vital crossroads has become a familiar and respected figure to the 20th century British soldier Although generals as diverse as Wellington and Haig can be numbered among its admirers the role of the Royal Military Police and its antecedents is much less well known outside the army Redcaps Mike Chappell, 1997-05-15 The story of Britain's provost forces necessarily focuses attention on some of the less glorious episodes of British Army history Had every British soldier over the centuries been an obedient and dutiful soul there would have been no need for provost of military police Sadly armies particularly in time of war have always been home for the criminal and the British Army has had its share of thieves and cut throats as well as its drunken and licentious element How these were contained or dealt with is the main subject of this book The men who tamed the lawless are its subject **Redcaps** Roger Mills, Kevin Mann, 1995 Tied to a six part BBC1 television series this book focuses on the Royal Military Police to show who they are how they operate and how they compare with the civilian police force It follows the progress of selected cases and examines both the policing and detective aspects of their work European Police Forces and Law Enforcement in the First World War Jonas Campion, Laurent López, Guillaume Payen, 2019-11-08 This book offers a global history of civilian military and gendarmerie style policing around the First World War Whilst many aspects of the Great War have been revisited in light of the centenary and in spite of the recent growth of modern policing history the role and fate of police forces in the conflict has been largely forgotten Yet the war affected all European and extra European police forces Despite their diversity all were confronted with transnational factors and forms of disorder and suffered generally from mass conscription During the conflict societies and states were faced with a crisis situation of unprecedented magnitude with mass mechanised killing on the battle field and starvation occupation destruction and in some cases even revolution on the home front Based on a wide geographical and chronological scope from the late nineteenth century to the interwar years this collection of essays explores the policing of European belligerent countries alongside their empires and neutral countries The book's approach crosses traditional boundaries between neutral and belligerent nations centres and peripheries and frontline and rear areas It focuses on the involvement and wartime transformations of these law enforcement forces thus highlighting underlying changes in police organisation identity and practices across this period **The History of the Corps of Royal Military Police** Stephens Forster Crozier, 1951 Om udviklingen af det kongelige engelske militærpolit og specielt om dets indsats i Den 2 Verdenskrig Historie 1511 1939 British Fighting Methods in the Great War Paddy Griffith, 2013-07-23 This collection points out the very real and substantial evolution of tactics that went on in response to new warfare and how this had a real effect on the positive performance of the British Army from 1916 onwards *Love & Terror in Malaya* Michael Baudrier, 2005 Love and Terror has a historic background the Malay Emergency actually a guerilla war fought between Malaysians and Japanese occupiers of Malaya 1942-45 that later became a war against the returning

British by Malayan communists mostly of Chinese extraction and lasted until the late fifties Spike a British sapper together with the two comrades is flown to Singapore in 1947 The Japanese are still in Malaya but in POW work camps Spike soon adapts to the Malay culture learns the language with the help of Malay friends and lovers and is transferred to a Malay training battalion as interpreter He also meets and has an affair with a Chinese Malayan taxi dancer Angelene aka Aiwa Kam sister of Ying Kam a communist leader His first love the Malay woman Kamariah has a young son Daud who is kidnapped by the communist terrorists CTs in an attempt to persuade Kamariah to get information from Spike about a cache of arms hidden in the house in which he was quartered Daud is executed by Ying Kam Spike accepts Islam and marries Kamariah tries to remain in Malaya but is repatriated to Britain When Ying Kam is betrayed by a comrade who is seeking the large reward offered by the British he is ambushed and injured but escapes Incognito in a hospital where Kamariah's sister is a nurse Ying Kam is exposed and captured by Kamariah She assists in the capture of other CTs and becomes a rich woman Comrades of Spike have different encounters in Malaya and later in Britain Taffy marries a Chinese Malayan and stays on as an estate manager He is ambushed and assassinated by CTs The book *Love and Terror* illustrates many features of Malay Chinese and British culture and how they interact East and West do meet in many instances **Loos 1915** Nick

Lloyd, 2008-10-01 In little over three weeks of intensive fighting which not only witnessed the first British use of poison gas but also the debut of New Army divisions filled with citizen volunteers British forces at Loos managed to drive up to two miles into the German positions However they were unable to capitalise on their initial gains After suffering nearly 60 000 casualties three times the number suffered by their opponents and being driven from the German lines in disorder bitter recrimination followed Nick Lloyd presents a reassessment of the Battle of Loos arguing that it was vital to the development of new strategies and tactics He places it within its political and strategic context as well as discusses command and control and the tactical realities of war on the Western Front during 1915 **Winning and Losing on the Western Front**

Jonathan Boff, 2012-07-05 The Hundred Days campaign of 1918 remains a neglected aspect of the First World War Why was the German army defeated on the Western Front Did its morale collapse or was it beaten by the improved military effectiveness of a British army which had climbed a painful learning curve towards modern combined arms warfare This revealing insight into the crucial final months of the First World War uses state of the art methodology to present a rounded case study of the ability of both armies to adapt to the changing realities they faced Jonathan Boff draws on both British and German archival sources some of them previously unseen to examine how representative armies fought during the Hundred Days campaign Assessing how far the application of modern warfare underpinned the British army's part in the Allied victory the book highlights the complexity of modern warfare and the role of organisational behaviour within it *Behind the Front*

Craig Gibson, 2014-03-27 This book uncovers the vital relationships between British troops and local inhabitants in France and Belgium during the First World War *Companion to the British Army* George Forty, 2009-10-01 To encapsulate the

British Army in one book is no easy task but here George Forty presents it as it was during the Second World War When war was declared in 1939 the British Army was very much the Cinderella of the three armed services with a total strength of around 865 000 men However just four years later when the Allies invaded north west Europe the British Army had grown into a powerful well organised and well equipped fighting force of 3 million men and women George Forty presents a comprehensive overview of the British Army during this important time He includes full details of mobilisation and training higher organisation and arms of the service divisional organisations and non divisional units HQs and Staff the combat arms and the services the individual soldier his weapons and equipment tactics vehicle markings and camouflage the Auxiliary Territorial Service and other Women s Corps Fully illustrated with an unusual collection of photographs and line illustrations this is an indispensable reference guide for anyone interested in this fascinating period of British history

Killing at its Very Extreme Derek Molyneux, Darren Kelly, 2020-09-04 Killing at its Very Extreme takes the reader to the heart of Dublin from October 1917 to November 1920 effectively the first phase of Dublin s War of Independence It details pivotal aspects at the outset then the ramping up of the intelligence war the upsurge in raids and assassinations Vividly depicting mass hunger strikes general strikes prison escapes and ruthless executions by the full time IRA Squad amid curfews and the functioning of an audacious alternative government Intensity builds as the reader is embedded into Commandant Dick McKee s Dublin Brigade to witness relentless actions and ambushes The authors unprecedented access lays bare many myths about key players from both sides The tempo escalates with deployment of the notorious Black and Tans and Auxiliaries as well as a host of cunning political and propaganda ploys Desperate plights and horrific reprisals are portrayed the effects of mass sectarian pogroms and killings Tthe sacking of Balbriggan the killing of Se n Treacy the death of Terence MacSwiney and the capture and execution of teenager Kevin Barry As in the authors previous works the pulsating tension elation fear desperation hunger the mercy and the enmity leap from the pages The harrowing circumstances suffered by those whose sacrifices laid the bedrock for modern Ireland and whose own words form the book s primary sources are recounted in unflinching detail

Allies and Italians under Occupation I. Williams, 2013-07-30 Using original documents the Allied Occupation of southern Italy particularly Sicily and Naples is illustrated by examining crime and unrest by Allied soldiers deserters rogue troops and Italian civilians from drunkenness theft rape and murder to riots demonstrations black marketeering and prostitution

Forgotten Voices of Dunkirk Joshua Levine, 2010-05-13 The subject of the new major film by Christopher Nolan It could have been the biggest military disaster suffered by the British in the Second World War but against all odds the British Army was successfully evacuated and Dunkirk spirit became synonymous with the strength of the British people in adversity On the same day that Winston Churchill became Prime Minister Nazi troops invaded Holland Luxembourg and Belgium The eight month period of calm that had existed since the declaration of war was over But the defences constructed by the Allies in preparation failed to repel a German army with superior tactics The British

Expeditionary Force soon found themselves in an increasingly chaotic retreat By the end of May 1940 over 400 000 Allied troops were trapped in and around the port of Dunkirk without shelter or supplies Hitler s army was just ten miles away On 26 May the British Admiralty launched Operation Dynamo This famous rescue mission sent every available vessel from navy destroyers and troopships to pleasure cruisers and fishing boats over the Channel to Dunkirk Of the 850 Little Ships that sailed to Dunkirk 235 were sunk by German aircraft or mines but over this nine day period 338 000 British and French troops were safely evacuated Drawing on the wealth of material from the Imperial War Museum Sound Archive Forgotten Voices of Dunkirk presents in the words of both rescued and rescuers in an intimate and dramatic account of what Winston Churchill described as a miracle of deliverance

Bloodline Iain Gordon,2020-01-24 A guide to the history of each of the British Army s regular formations from their origins to their development over time Using easy to follow family tree type tables Bloodline shows the origins and development of every regular formation in the British Army including the latest amalgamations and changes brought about within the Future Army Structure The charts illustrate clearly how in some cases up to twenty five original regiments of the line have over the centuries by successive disbandments and amalgamations been reduced to a single regiment in today s superb but shamefully overstretched army The Battle Honours of each post Cardwell constituent are recorded separately so the progress of each of the original regiments and the theatres in which it was involved may be examined individually The pedigrees and Honours of disbanded units are also recorded so their contribution will not be lost to posterity A chronological summary of Battle honours provides an overview of the British Army s campaigns over the past 300 years and notes on the origins of each formation place its original purpose within the political and historical perspective of the time A robust editorial platform throughout applauds the Army as the Nation s most dependable and trustworthy institution and castigates government neglect and public indifference for the unnecessary blood and sacrifices which successive generations of soldiers have had to make as a result of inadequate investment and preparation Bloodline is a splendid record of achievement and will provide an invaluable work of reference for anyone who has dealings with or simply an interest in or affection for the British Army Praise for Bloodlines I know of no other resource that contains such a wealth of information about the History of the Regiments of the British Army This will be a very useful addition to my shelf of military reference books Daly History Blog If you conduct research into the main elements of the British Army then this is an invaluable guide as to their lineage hereditary and modern counterparts The author has produced an outstanding reference text in one easy to follow volume He has done great service to aiding researchers with this publication In one excellent volume he has listed the principal elements of the Army and their histories This concise volume deserves space on any serious researcher s shelf Military Archive Research

Exporting British Policing During the Second World War Clive Emsley,2017-07-13 Exporting British Policing is a comprehensive study of British military policing in liberated Europe during the Second World War Preventing and detecting thefts receiving and profiteering together with the maintenance of order in

its broadest sense are in the peacetime world generally confided to the police However the Second World War witnessed the use of civilian police to create a detective division of the British Army's Military Police SIB and the use of British civilian police alongside American police as Civil Affairs Officers to restore order and civil administration Part One follows the men of the SIB from their pre war careers to confrontations with mafiosi and their investigations into widespread organised crime and war crimes during which they were constantly hampered by being seen as a Cinderella service commanded by temporary gentlemen Part Two focuses on the police officers who served in Civil Affairs who tended to come from higher ranks in the civilian police than those who served in SIB During the war they occupied towns with the assault troops and then sought to reorganise local administration at the end of the war in the British Zones of Germany and Austria they sought to turn both new Schutzmannen and police veterans of the Third Reich into British Bobbies Using memoirs and anecdotes Emsley critically draws on the subjective experiences of these police personnel assessing the successes of these wartime efforts for preventing and investigating crimes such as theft and profiteering and highlighting the importance of historical precedent given current difficulties faced by international policing organizations in enforcing democratic police reform in post conflict societies

Lessons from Malta Malcolm Lloyd Dubber, 2022-11-30 This is a story of a romance between a Royal Navy officer and a Red Cross nurse caught up in D Day and the battles that follow up to the Battle of the Bulge in the Ardennes and Holland The naval officer commands fast coastal patrol boats MTBs and main function is to deceive German defence plans at D Day and later intelligence work on finding V1 and V2 weapons sites He spends some of his leave with his uncle who owns a farm near Newhaven and a few miles from his MTB depot The nurse becomes emotionally involved with an American Army Medical doctor while her naval officer husband is wrapped up in clandestine intelligence operations and is reported Missing in Action He is eventually gets entangled with preventing the SS Gestapo attempts to abduct or kill escaping refugees from Holland to Britain they are V weapon scientists and engineers The American Army Medical Officer becomes a casualty and requires specialist care treatment He joins the escaping refugee party and is safely shipped back to the USA She is torn with emotions for her husband who has not written to her and the American Army Doctor Her husband is finally reunited with her where he reveals that he is to be posted to Malta where they both met originally and aim to go back to This seals their relationship and love for each other

Soldiers' Stories Yvonne Tasker, 2011-08-08 A comprehensive analysis of the changing representations of military women in American and British movies and TV programs from the Second World War to the present

The Commissionaires John Gardam, 1998
