The Corruption and Redemption of Creation Harry Hahne, 2006-11-23 Nature plays an important and often neglected role in Jewish apocalypses Most Second Temple Jewish apocalypses ca 200 BC AD 100 do not oppose the material world but view nature as damaged by human and angelic sin Rather than expecting God to destroy the world many look forward to God s dramatic eschatological deliverance of nature from corruption Although Romans 8 19 22 was not written in the genre of an apocalypse it shares the basic apocalyptic world view The Apostle Paul follows that stream of apocalyptic thought that looks forward to the transformation of creation by an eschatological divine act the reversal of the damage caused by sin and the perfection of nature to share glory with redeemed humanity A comparison of nature in Jewish apocalypses and Romans 8 19 22 reveals important insights into the theology of early Judaism and its influence on early Christian thought

The Redeemed Good Defense Anthony MacPherson, 2021-07-06 Why God Everyday this question is uttered in sorrow bewilderment or anger This cry is the problem of suffering It is also known as the problem of evil It asks why a good all powerful God allows evil and pain Theodicy is the name of the theological responses that seek to defend God against charges of unfairness Traditional theodicies have been accused of intensifying the problem by claiming that God is justified in allowing evil because he uses it to bring about a greater good This greater good approach has been criticized in more recent times It seems to uncomfortably align God and evil too closely together Does God need evil in order to bring good This study explores an alternative stream of theodicy found in the idea of cosmic warfare In this theodicy God fights evil in its moral physical spiritual and supernatural forms This book explores the world of theodicy and its cosmic warfare forms It navigates the theological and ethical minefields involved Building on the idea that God is in the midst of a great cosmic controversy it seeks to further the conversation and articulates a new alternative redeemed good defense

The Visible God and Our Relation to Him in Creation and Redemption William Marshall, 1892

Love in Creation and Redemption Dwight Goddard, 1918

God's Good World Jonathan R. Wilson, 2013-04-15 The doctrine of creation has often been neglected in Christian theology Distinguished evangelical theologian Jonathan Wilson exposes what has been missing in current theological discourse and offers an original constructive work on this doctrine The book unites creation and redemption

showing the significance of God's work of creation for understanding the good news of redemption in Jesus Christ Wilson develops a trinitarian account of the life of the world and sets forth how to live wisely hopefully peaceably joyfully and generously in that world He also shows how a mature doctrine of creation can help the church think practically about contemporary issues including creation care sexuality technology food and water and more The Story of Creation Gibson Callaway Andrews,1900 The Holy Spirit as Communion I. Leon Harris,2017-09-26 In The Holy Spirit as Communion Leon Harris examines the pneumatologies of Colin Gunton and Frank Macchia For both theologians the doctrine of the Holy Spirit is foundational to understanding their doctrine of God Christology and ecclesiology Drawing on the theme of communion The Holy Spirit as Communion expresses the concept that the Holy Spirit is the person who perfects the divine nature and personhood of the Father and Son It is the Holy Spirit who perfects the eternal communion within the divine Trinity which is the source of the divine action that also perfects the communion in creation as an expression of the Father's will through Jesus Christ The Holy Spirit as Communion explores the essentiality of the Holy Spirit through a unique approach to Spirit Christology Gunton is represented by a radicalized version of Chalcedon Christology and Macchia formulates his account through the overarching metaphor of Spirit baptism Therefore the doctrine of God Christology ecclesiology and eschatology cannot be construed without a proper account of pneumatology that takes into consideration the eschatological perfecting work of the third person of the Trinity who perfects creation's koinonia as a gift from the Father through the grace of Jesus Christ **Progressive Creation** Holden Edward Sampson,1909 **Man, His Creation, Fall, Redemption, and Glorification** David Lipscomb Cooper,1948 *Society the Redeemed Form of Man* Henry James,1879 *A Race's Redemption* John Leard Dawson,1912 Salvation Means Creation Healed Howard A. Snyder,Joel Alan Scandrett,2011-07-13 The Bible promises the renewal of all creation a new heaven and earth based on the incarnation life death and resurrection of Jesus Christ For centuries this promise has been sidelined or misunderstood because of the church's failure to grasp the full meaning of biblical teachings on creation and new creation The Bible tells the story of the broken and restored relationship between God people and land not just God and people This is the full gospel and it has the power to heal the church's long theological divorce between earth and heaven Jesus resurrection in the power of the Holy Spirit is the key and the church as Christ's body is the primary means by which God is reconciling all things through Jesus Christ Jesus ultimate healing of all creation is the great hope and promise of the gospel and he calls the church to be his healing community now through evangelism discipleship and prophetic mission
