

Redefining European Security

Carl Cavanagh Hodge

Redefining European Security

A. Malici

Redefining European Security:

Redefining European Security Carl C. Hodge, 2002-09-11 *Redefining European Security* is a collection of essays concerned with changing perspectives on peace and political stability in Europe since the end of the Cold War in both the hard security terms of military capacity and readiness and in the realm of soft security concerns of economic stability and democratic reform. European governments, the European Union and the North Atlantic Treaty Organization are dealing with the fundamental problem of determining the very parameters of Europe politically, economically and institutionally. This book defines security as the efforts undertaken by national governments and multilateral institutions beginning with the end of the Cold War and the reunification of Germany to continue to protect European populations from acts of war and politically motivated violence in light of the dissolution of the imminent political threat posed to Western Europe by the Soviet Union. 1945-1991. Together these essays assess the progress made in Europe toward preventing conflict as well as in ending conflict when it occurs after the abrupt passing of a situation in which the source and nature of a conflict were highly predictable and the emergence of new circumstances in which potential security threats are multiple, variable and difficult to measure. Contemporary Europe is a mixture of old and new of arrested and accelerated history. Europe's governments and institutions have been only partly successful in meeting new security challenges to a high degree because of failing unity and political will. Yesterday Europe only just avoided perishing from imperial follies and frenzied ideologies, wrote the late Raymond Aron in 1976; she could perish tomorrow through historical abdication.

Redefining European Security Carl C.

Hodge, 2002-09-11. First published in 1999, Routledge is an imprint of Taylor & Francis, an informal company. [Redefining Transatlantic Security Relations](#) Dieter Mahncke, Wyn Rees, Wayne Thompson, 2004-06-19. The transatlantic security relationship has been at the heart of cooperation since the onset of the Cold War and has been the foundation on which the stability of Europe has been built. But the post-Cold War period has raised major challenges for transatlantic relations as well as new security threats such as terrorism, organized crime and drug trafficking. These are fresh concerns in the sense that they have not been previously regarded as matters for US-European cooperation. Recent events such as the 1999 war in Kosovo, the European Union's decision to create a Rapid Reaction Force and the US policy of proceeding with a ballistic missile defence capability have all contributed to tensions in transatlantic relations. The transatlantic relationship has entered a new and highly uncertain period. This book looks at the three main facets of the transatlantic security relationship: the defense of Europe, global challenges and new security threats.

Facing War: Rethinking Europe's Security and

Defence Serena Giusti, Giovanni Grevi, 2022-11-29. Russia's attack on Ukraine has sent shockwaves across Europe and the world. While the current war is a geopolitical turning point, it remains unclear whether it will trigger a quantum leap forward for European defence policies and for the role of the European Union as a security provider. This Report investigates whether we can expect a further convergence of European strategic cultures and on collaboration among Europeans to generate the

required military capabilities and integrate their forces Most importantly it finds that the timely implementation of the EU s Strategic Compass will be a decisive test to establish whether Europeans are rising to the challenge of taking more responsibility for their security and defence Rethinking Security in Post-Cold-War Europe William Park,G.Wyn

Rees,2014-06-11 Provides a survey of the principal items on the agenda following the end of the Cold War focusing upon the institutions and regions where the reconsideration of security issues has been particularly profound The book is organised into three main sections the first examines the changed roles of the main security institutions which have survived the Cold War NATO the European Union Western European Union and the Organisation for Security and Cooperation in Europe The second analyses the Central European countries Russia and States of the former Soviet Union in terms of their ideologies political structures and relationships of the Cold War period Lastly the text examines the northern and southern regions of Europe where quite different perspectives and agendas are concerned **Rethinking European Union foreign policy**

Ben Tonra,Thomas Christiansen,2018-07-30 This electronic version has been made available under a Creative Commons BY NC ND open access license This book reviews a variety of approaches to the study of the European Union s foreign policy Much analysis of EU foreign policy contains theoretical assumptions about the nature of the EU and its member states their inter relationships the international system in which they operate and the nature of European integration Such assumptions when not discussed openly often curtail debate This book opens up this field of enquiry so students observers and analysts of EU foreign policy can review a range of tools and theoretical templates from which the development and the trajectory of the EU s foreign policy can be studied Situated at the interface between European studies and international relations the book outlines how the EU relates to the rest of the world explaining its effort towards creating a credible effective and principled foreign security and defence policy Rethinking the European Union Alice Landau,Richard Whitman,2016-07-27

Rethinking the European Union draws together contributors from across Europe to reflect upon methods of conceptualising the European Union within both changing global and European contexts The book takes the themes of institutions interests and identities as its organising framework within which each contributor offers a distinctive commentary on the EU The outcome is a text that goes beyond an exploration of the existing methods of conceptualising the European integration process and reflects upon the nature of the EU itself Bosnian Security After Dayton Michael A. Innes,2006-09-27

Featuring fresh contributions from leading scholars this new volume considers a varied range of post war post Dayton and post 9 11 problems and issues reminding readers that Dayton is not the only challenge to the safety stability and long term viability of the post war Bosnian state Drawing together all the latest research this book covers new ground in its discussion of post 9 11 security concerns and in its leading edge analyses of crime corruption and terror in a transitional state It takes Bosnia Herzegovina seriously as a subject of regional and international affairs and is a critically important contribution to scholarship showing how redefined global security concerns have heavily altered international and domestic security

priorities in Bosnia Herzegovina with corresponding implications for post war justice and identity politics foreign intervention and state level institution building This is essential reading for scholars of the Balkans peacebuilding and reconstruction European politics and of security studies in general The Kosovo crisis and the evolution of a post-Cold War European security Martin A Smith,Paul Latawski,2013-07-19 This electronic version has been made available under a Creative Commons BY NC ND open access license Analyses the international response to the crisis in Kosovo and its broader implications by examining its diplomatic military and humanitarian features Unravelling these implications can be challenging as it remains an event replete with paradoxes the originality of this book s approach lies in its exploration of these paradoxes The crisis in Kosovo has been a headline grabbing event a serious study of the implications of the conflict on wider European security issues and institutions is urgently required **EU foreign and security policy in Bosnia** Ana Juncos,2015-11-01 This book represents the first ever comprehensive study of the EU s foreign and security policy in Bosnia Drawing on a wealth of fresh empirical material it demonstrates that institutions are a key variable in explaining levels of common foreign security policy CFSP coherence and effectiveness over time In doing so it also sheds new light on the role that intergovernmental bureaucratic and local political contestation have played in the formulation and implementation of a European foreign policy The study concludes that the EU s involvement in Bosnia has not only had a significant impact on this Balkan country in its path from stabilisation to integration but has also transformed the EU its foreign and security policy and shaped the development of the EU s international identity along the way The book will be of great interest to researchers and students of EU politics International Relations and Bosnian politics *Developing European Internal Security Policy* Christian Kaunert,Sarah Léonard,2014-06-03 The European Union EU is making strong inroads into areas of security traditionally reserved to states especially into internal security or Justice and Home Affairs The Area of Freedom Security and Justice AFSJ as it has been renamed in the Amsterdam Treaty has seen significant policy developments since the late 1990s In fact there has been no other example of a policy making area making its way so quickly and comprehensively to the centre of the treaties and to the top of the EU s policy making agenda After major treaty revisions in Maastricht Amsterdam Nice and finally the Lisbon Treaty which entered into force on 1 December 2009 as well as an increased political impetus through the European Council Summits in Tampere 1999 the Hague 2004 and Stockholm 2009 the area appears as one of the most promising policy fields for integration in the EU in the foreseeable future This process has deepened even more significantly after the terrorist attacks on 11 September 2001 in the United States on 11 March 2004 in Madrid and on 7 July 2005 in London This book is the first to analyse these hugely topical developments in European internal security at both the treaty and policy levels as well as its implementation at the national level from various disciplinary perspectives political science law criminology etc This book was published as a special edition of European Security **EU, Security and The Eastern Partnership** Christian Kaunert,Giselle Bosse,Alena Vieira,2024-11-08 This book connects the scholarly discussions on

security and resilience by examining the various definitions and meanings of the terms in the EU's Eastern Partnership EaP policy and in what ways the EU has attempted to define the relationship between security and resilience in its official rhetoric and in policy practice. The Russian invasion of Ukraine in February 2022 has largely been viewed as an extraordinary resilience test for the EU. The war has unleashed multiple crises ranging from security and asylum to energy and the economy in turn raising questions not only on how the EU can ensure the resilience of its eastern partners but also questions existential to the EU such as institutional and policy reform, further EU enlargement and the EU's role in a rapidly changing global context of polarisation and fragmentation. The chapters in this edited volume draw on a diversity of original conceptual and theoretical frameworks that are combined with an empirical analysis of often overlooked dimensions of EU's policy towards the EaP countries drawing on the original data collected by the authors including the semi-structured interviews. In light of the aforementioned challenges the chapters to this book have only increased in relevance pointing to pathways and opportunities for the EU to strengthen the resilience of its eastern partners and its own resilience in the future and inviting policy makers and scholars to reflect on potential pitfalls, contradictions and limitations of EU resilience building. This book will be beneficial to students, scholars and academics interested in European Studies, Politics and International Security. The chapters in this book were originally published in the Journal of Contemporary European Studies.

Corporate Risk and National Security Redefined Karen Lund Petersen, 2012-02-06 Contemporary security policy is no longer a matter of protecting borders or fighting an identified foreign enemy. With counterterrorism high on the security agenda, private citizens and companies have all come to be seen as central to the aim of providing security. Situated within the debate on terrorism risk and security, *Corporate Risk and National Security Redefined* offers a detailed analysis of the role of private companies in American and Danish counterterrorism policies. The book shows that a responsabilization strategy is central to both the American and Danish security policy, a strategy which tends to portray security as a duty rather than the right that it traditionally has been considered as. The study however finds that such strategies have been received very differently in the business communities of the two countries. The book brings the corporate understandings of the relation between corporate risk and national security to the fore and let the reader in on a constant conceptual battle and negotiation on the meaning of national security and corporate risk. *Corporate Risk and National Security Redefined* will be of interest to students and scholars of international relations, critical security, business and terrorism.

Freedom, Security and Justice in the European Union Ronald L. Holzacker, Paul Luif, 2013-08-28 As the European Union has evolved it has also begun to address policy questions which are closer to the very heart of the state. From cooperation in Justice and Home Affairs originally conceived as the third pillar of European cooperation has emerged the Area of Freedom, Security and Justice (AFSJ). A unique aspect of policy in this area is the desire to integrate the internal and external dimensions of this policy area. One of the tensions in this policy area has been balancing the protection of fundamental rights and increasing security. The first part of this book

focuses on the institutional relations of policymaking in AFSJ both within member states and between member states in particular the issues of national executive control national parliamentary scrutiny and peer review across the member states with regard to AFSJ The second part focuses on specific policy areas which are part of AFSJ Two chapters highlight the tension found in this policy area between security and human or fundamental rights the first related to data retention and the second on policing external borders The final two chapters are concerned with data exchange among European countries and transatlantically with the US and the interface between AFSJ and the Common Foreign and Security Policy CFSP The chapters contained in the book were presented at the Dutch Ministry of the Interior and Kingdom Relations and the Dutch national parliament Tweede Kamer making it of interest to scholars and practitioners alike The Search for a Common European Foreign and Security Policy A. Malici, 2016-01-05 When Kissinger lamented When I want to call Europe I cannot find a phone number the implication was clear Since then the momentum of the EU towards a common foreign and security policy has increased Yet the viability of this institutionalization effort is questionable This book advances a new perspective on this paradox The New Security Concept and German-French Approaches to the European "Pillar of Defence," 1990-2000 Siret Hürsoy, 2002 A historic opportunity without precedent is gradually becoming reality in the 21st Century with the chance taken to pave the way in the period 1990 2000 towards the organisation of defence in Europe The corresponding conditions have been brought about by concrete steps taken at the Maastricht Amsterdam Cologne Helsinki and Nice European Council meetings In the end the EU WEU is developing into an equal partner to the US by assuming greater responsibility in the security and defence sphere The French and German bilateral relationship which is the driving force behind every European integration process is the historical force behind this development of the ultimate desire to reach a robust European Pillar of Defence through reconfiguration of the transatlantic relationship This book provides the first comprehensive and up to date analysis of German and French approaches to the European Pillar of Defence from the view of Europeanisation emanating from the process of integration *The Making of European Security Policy* Roberta Haar, Thomas Christiansen, Sabina Lange, Sophie Vanhoonacker, 2021-05-17 This volume addresses how and in what capacity the European Union and its member states are able to respond to fundamental shifts occurring in global politics and remain relevant for the future The changing nature of the international system is subject to considerable contestation among scholars with many claiming that the fundamentals of the post war international system are being rewritten This volume brings together prominent scholars in the field of European security to address a range of pertinent issues related to Europe's role in the context of evolving global challenges The first section focuses on whether the EU is an actor with a strategic nature and the means to act on a global security strategy The second section considers the institutional dynamics and the approaches at the EU's disposal to fulfil its possible intended global roles The third section addresses Europe's most important strategic relationship the partnership it has with the United States This section considers the recalibration of the

transatlantic relationship in light of the changing international system and the reorientation of U S foreign policy This book will be of much interest to students of European Union policy European Security policy European Foreign policy and International Relations in general **The Emerging Euro-Mediterranean System** Dimitris Xenakis,Dimitris N. Chrysoschoou,2001 Focusing on the principal challenges facing the Euro Mediterranean partnership since the signing of the Barcelona Declaration in November 1995 this study assesses past European policies towards the region *Environmental Change and Security Project Report* ,1998 *The European Union and the Middle East* Soren von Dosenrode,Anders Stubkjaer,2002-08-06 The European Union and the Middle East presents a concise but thorough historical analysis of the relationship between the European Union and its predecessors and the Middle East from the early 1950s to the present day The authors provide a survey of the evolution of the foreign policy mechanisms of the EU and an outline of the relevant aspects of modern Middle East history They examine the relationship between the two regions from 1950 to the end of the Cold War with special emphasis on the period following the 1973 4 oil crisis They go on to look at the post Cold War era discussing the conflict with Iraq and examining the EU s continuing involvement in the Middle East peace process

This is likewise one of the factors by obtaining the soft documents of this **Redefining European Security** by online. You might not require more period to spend to go to the ebook inauguration as skillfully as search for them. Redefining European Security Introduction

Redefining European Security Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Redefining European Security Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Redefining European Security : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Redefining European Security : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Redefining European Security Offers a diverse range of free eBooks across various genres. Redefining European Security Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Redefining European Security Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Redefining European Security, especially related to Redefining European Security, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Redefining European Security, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Redefining European Security books or magazines might include. Look for these in online stores or libraries. Remember that while Redefining European Security, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Redefining European Security eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website

Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Redefining European Security full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Redefining European Security eBooks, including some popular titles.

FAQs About Redefining European Security Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Redefining European Security is one of the best book in our library for free trial. We provide copy of Redefining European Security in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Redefining European Security. Where to download Redefining European Security online for free? Are you looking for Redefining European Security PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Redefining European Security. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Redefining European Security are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Redefining European Security. So depending on what exactly you are searching,

you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Redefining European Security To get started finding Redefining European Security, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Redefining European Security So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Redefining European Security. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Redefining European Security, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Redefining European Security is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Redefining European Security is universally compatible with any devices to read.
