# Redemptorist Missionary In Ireland 1851-1854

**Sir Henry Sidney**

## **Redemptorist Missionary In Ireland 1851-1854:**

**A Viceroy's Vindication?** Sir Henry Sidney, 2002 Three times Viceroy Sir Henry Sidney was a key figure in the Elizabethan conquest of Ireland Sidney's account of his public career in Ireland written in the winter of 1582-3 is one of the earliest political memoirs in English literature It is unique among early memoirs in its size richness of detail and apparent fidelity to the factual record Composed in plain prose and consciously shorn of decoration and classical allusion his narrative presents an individual with attitudes and preoccupations at odds with the zealous advocates of military conquest and religious oppression so often portrayed by historians By exploring its emphases omissions and deviations from the recorded sequence of events the editor's introduction reveals a surprisingly complex set of Elizabethan perceptions and prejudices about Ireland This memoir last edited for publication in the mid nineteenth century is an essential source for the study of the English in Ireland Forkhill Protestants and Forkhill Catholics, 1787-1858 Kyla Madden, 2005 Is conflict between Catholics and Protestants really the key to understanding Irish history The End of Outrage Breandán Mac Suibhne, 2017 Tells the absorbing story of post famine Donegal the Molly Maguires a secret society who had set themselves up against the exploitation of the rural poor and Patrick McGlynn an avaricious schoolmaster who turned informer on them availing of hunger disease debt hardship and death to expand his holding at the expense of his neighbours 'As I was Among the Captives' Joseph Campbell, 2001 Joseph Campbell 1879-1944 was a talented poet reared in Catholic Belfast who became a pioneer of Irish Studies in the United States His reputation as an Irish Irelander was gained in London but in 1921 he settled outside Dublin and soon became active in radical nationalism In the revolutionary years he became a republican justice and local councillor in Co Wicklow Having opposed the Anglo Irish Treaty he was arrested in Bray spending the entire Civil War interned in Mountjoy and Tintern on the Curragh Campbell's voluminous diaries cannily concealed from his captors provide much more than a chronicle of events and experiences Being the work of a skilled writer and acute observer they offer revealing cameos of his republican colleagues vivid notes of personal conversations and imaginative reflections on the psychological effects of incarceration Sympathetically edited by another distinguished poet and scholar this selection from his diaries will fascinate all students of the Irish Civil War *Population, providence and empire* Sarah Roddy, 2016-05-16 This electronic version has been made available under a Creative Commons BY NC ND open access license Over seven million people left Ireland over the course of the nineteenth century This book is the first to put that huge population change in its religious context by asking how the Irish Catholic Anglican and Presbyterian churches responded to mass emigration Did they facilitate it object to it or limit it Were the three Irish churches themselves changed by this demographic upheaval Focusing on the effects of emigration on Ireland rather than its diaspora and merging two of the most important phenomena in the story of modern Ireland mass emigration and religious change this study offers new insights into both nineteenth century Irish history and historical migration studies in general Its five thematic chapters lead to a conclusion that on

balance emigration determined the churches fates to a far greater extent than the churches determined emigrants fates

Historical Dictionary of Ireland Frank A. Biletz, 2013-11-14 All places undergo change but in few has this change been quite as sweeping as Ireland both the independent Republic of Ireland and dependent Northern Ireland so it is good to see where it is heading at present Obviously that has to be judged on the background of where it is coming from not only over the past decade or so but over centuries and indeed millennia This new edition of Historical Dictionary of Ireland is an excellent resource for discovering the history of Ireland This is done through a chronology an introductory essay and an extensive bibliography The cross referenced dictionary section has over 600 entries on significant persons places and events political parties and institutions including the Catholic church with period forays into literature music and the arts This book is an excellent resource for students researchers and anyone wanting to know more about Ireland

**Waterford's Anglicans** Eugene Broderick, 2009-10-02 This book explores the religious political and social fortunes of Waterford's minority Church of Ireland community during a turbulent period in Irish history In the decades under consideration an emerging and strident Catholic democracy eroded the power and social position of a once powerful ruling class Waterford's fearful and confused Anglicans took refuge and found consolation in a community which defined itself increasingly in denominational terms This denominationalism came to be characterised by its Protestant evangelicalism and loyalty to the union with Britain A unique insight is given into provincial Anglicanism with a detailed examination of the character of its religious life and practice There is a particular focus on one of the most controversial figures in the nineteenth century Anglican Church Robert Daly Bishop of Waterford 1843-1872 Described by a contemporary as a Protestant Pope this cleric inspired admiration and loathing as he strove to resist the advances of an increasingly confident and vibrant Catholic Church Studies of bishops of the nineteenth century Protestant Church have been largely conspicuous by their absence but this book makes a valuable and original contribution to a glaring hole in this area of historiography This study of Waterford's Anglicans adds significantly to our understanding of the nature of Irish Protestantism at a time of crisis and decline

**A Redemptorist Missionary in Ireland, 1851-1854** Joseph Prost, 1998 The recollections of Joseph Prost an Austrian priest who initiated the Redemptorist parish missionary campaign in Ireland in 1851 provides a fascinating chronicle of the devotional revolution by one of its most earnest organizers He supplies a detailed account of the religious practices and social mores just after the Great Famine

The Second Generation Andreas W. Daum, Hartmut Lehmann, James J. Sheehan, 2015-12-01 Of the thousands of children and young adults who fled Nazi Germany in the years before the Second World War a remarkable number went on to become trained historians in their adopted homelands By placing autobiographical testimonies alongside historical analysis and professional reflections this richly varied collection comprises the first sustained effort to illuminate the role these men and women played in modern historiography Focusing particularly on those who settled in North America Great Britain and Israel it culminates in a comprehensive meticulously researched biobibliographic guide that provides a systematic overview of the

lives and works of this second generation      *Piety and Power in Ireland, 1760-1960* Stewart Jay Brown, David W. Miller, 2000

This volume in honour of the great historian Emmet Larkin is organized around the two themes that have shaped his work on the Catholic Church in modern Ireland the role of the church in the creation of the modern Irish state and the role of the church in defining a distinctive Irish national identity through the devotional revolution The various chapters explore different themes political social ecclesiastical and literary but are united by their common engagement with aspects of Larkin's work on Irish culture and consciousness between the late eighteenth century and the present      Faith, War, and Violence Gabriel R. Ricci, 2017-09-08 Faith War and Violence analyzes the age old links between religion and violence perpetrated in the name of God and the role religion performs in politically infusing the state with romantic spiritualism The volume examines instances of this phenomenon from ancient Rome to the modern day it finds that religion inspired violence is not restricted to Abrahamic faiths or to one geographic region The fact that symbolically charged religious violence has destructive consequences is not lost on contributors to Faith War and Violence Among the subjects tackled are the ideological and religious foundations that inspired the founders of Al Qaeda and its role in the Arab Spring the long history of religious conflict in Ireland known as the Troubles Sikh extremism and the evolution of the Christian approach to war As the contributors demonstrate in Western societies the unity of religious fervor and warmongering stretches from Constantine's incorporation of Christian symbols into Roman army flags to slogans like Gott mit uns God is with us which appeared on the belt buckles of German soldiers in World War I In recent years George W Bush declared the war on terror a crusade and his speechwriter David Frum coined the religiously inspired term Axis of Evil to describe Iraq and other countries opposing the United States      *Fighting Like the Devil for the Sake of God* Mark Doyle, 2009 Sectarian conflict in Northern Ireland has often had an air of inevitability about it For over three decades of turmoil and warfare in the twentieth century innumerable observers spoke of the ancient hatred between Protestants and Catholics their primordial quarrel and their deep rooted hostilities The author challenges the notion that violent conflict was ever natural or inevitable in this troubled region Focusing on the city of Belfast he demonstrates how through a series of riots beginning in the 1850s working class Protestants and Catholics constructed a new tradition of violence that set the stage for the tumultuous twentieth century He locates the city's tradition of violence in the everyday lives of its people Showing how violence became a regular routine fact of urban life how in effect violence shaped people's attitudes toward one another and toward the city itself he charts the emergence of two polarized mutually hostile communities in Belfast At the same time he also examines Belfast within its broader imperial context asking what role the British state played in fostering this violence and comparing Belfast's experience with that of the relatively tranquil city of Glasgow      Books Ireland , 1998      **Producing Prietliness** Joseph Gerard Nugent, 2004      **Knock** Eugene Hynes, 2008 In 1879 local people reported an apparition of the Virgin Mary and other supernatural personages at Knock a poor rural village in western Ireland The author draws on both insiders views and

his training as a sociologist to show how the apparition was related to the local social context including economic cultural religious political and historical dimensions      **Irish Economic and Social History** ,1999      Royal Historical Society  
Annual Bibliography of British and Irish History: Publications of 1998 Austin Gee,1999-10-28 The Royal Historical Society s
