Rediscovering Church Lynne Hybels, Bill Hybels, 2016-05-03 Rediscovering Church is the candid story of Willow Creek Community Church's phenomenal growth from 100 members meeting in a Palatine Illinois movie theater to its present Sunday morning attendance of 15 000 Bill Hybels and his wife Lynne tell about Willow Creek's beginnings its struggles the philosophy behind its success and the strategies that have made it a model for church growth The first half of the book written by Lynne Hybels explores the early years of Willow Creek and the personal accounts behind one of this century's most remarkable church stories It offers an honest look at the ways God has used both the strengths and weaknesses of His people creating a church of believers who have had tremendous impact for Christ in their community In the second half of Rediscovering Church Bill Hybels helps you apply the strengths of Willow Creek's ministry philosophy to your own congregation's mission From mission statements to developing leadership making sound financial decisions and handling growth Bill stresses that God wants to build His church to be an effective and committed community of faith that reaches out to a hurting world to be the body of Christ in real and tangible ways Rediscovering Church draws on the experiences of Willow Creek to show how one fellowship crystallized its mission and methodology its vision and values The Willow Creek story provides an example that churches and individuals alike can turn to for inspiration encouragement and a means of uncovering the pattern for their own unique mission and ministry *Rediscover Church* Collin Hansen, Jonathan Leeman, 2021-07-28 A Christian without a church is a Christian in trouble Since a global pandemic abruptly closed places of worship many Christians have skipped church life even neglecting virtual services But this was a trend even before COVID 19 Polarizing issues including political and racial strife convinced some people to pull away from the church and one another Now it's time to recommit to gathering as brothers and sisters in Christ In Rediscover Church Collin Hansen and Jonathan Leeman discuss why church is essential for believers and God's mission Through biblical references and personal stories they show readers God's true intention for corporate gathering to spiritually strengthen members as individuals and the body of Christ In an age of church shopping and livestreamed services rediscover why the future of the church relies on believers gathering regularly as the family of God Published in partnership with the Gospel Coalition and 9Marks **Rediscovering the Church Fathers** Michael A. G. Haykin, 2011-03-02 While the church today looks quite different than it did two thousand years ago Christians share the same faith with the church fathers Although separated by time and culture we have much to learn from their lives and teaching This book is an organized and convenient introduction to how to read the church fathers from AD 100 to 500 Michael Haykin surveys the lives and teachings of seven of the Fathers looking at their role in such issues as baptism martyrdom and the relationship between church and state Ignatius Cyprian Basil of Caesarea and Ambrose and others were foundational in the growth and purity of early Christianity and their impact continues to shape the church today Evangelical readers interested in the historical roots of Christianity will find this to be a helpful introductory volume

📖📖📖📖 (Rediscover Church) (Simplified Chinese) Collin Hansen, Jonathan Leeman, 2021-10-25 Churches are currently facing a host of difficult issues potential shut downs and restrictions due to COVID 19 political dissension among members racial division church abuse scandals and the list continues While some attendees have temporarily turned to virtual church services others are wondering if committing to a local church is worth the trouble Is it really that important to gather each week Written for anyone struggling to answer this question Collin Hansen and Jonathan Leeman help readers rediscover why the church is essential Rediscover Church starts from the ground up examining topics such as the mission of the church the importance of preaching and teaching church membership church discipline and how to love members who are different This book is a timely reminder that the church is more than just a livestream it is an essential fellowship of God s people furthering God s mission

Feels Like Home Lee Eclov, 2019-05-07 What a refreshing book Imagine a church whose primary emphasis is to make people feel at home I wish every young pastor could read this book Thanks Lee for a wonderful reminder of what the church is to be Erwin W Lutzer Pastor Emeritus The Moody Church Chicago Is your church acting like an organization or a home You love your church but you wonder if it could be more There s a greeting team but is there a true spirit of welcoming There are committees leaders and programs but is there a Spirit led vision There are small groups but are people truly connected Pastor and award winning author Lee Eclov was troubled by these questions Then he had a realization he wasn t called to lead an organization but a family His job was to be a homemaker not a CEO This paradigm shift changed everything In Feels Like Home he shares what he s learned from over 40 years of ministry about being the family of God and how to live into that beautiful reality This short volume is full of stories of small adjustments that make a huge difference in the effectiveness warmth and growth of a church community Discover how the love of a family can transform your church

Soul Winners David Clary, 2022-09-15 American evangelicals have always been innovators They reimagined what a church could be whether it was a humble tent in a rural field or a high tech urban megachurch They embraced new forms of media to spread their message to the masses They thrived in a fiercely competitive religious marketplace In Soul Winners journalist David Clary argues that this entrepreneurial spirit has indelibly shaped evangelical ministries and their worldview For generations evangelical leaders have partnered with tycoons to pay for their churches crusades and campuses In turn evangelicals adopted the pro business anti government values of their conservative benefactors White evangelicals evolved into the Republican Party s most loyal voting bloc The close relationship between business and evangelicals has produced the growth oriented megachurches that dot the nation s landscape Pastors such as Rick Warren used market research and management theory to create their seeker sensitive churches Televangelists and prosperity gospel preachers most notably Joel Osteen tell their audiences that faith will be rewarded in this world as well as in the kingdom to come Clary s narrative approach brings to life colorful characters such as the ballplayer turned preacher Billy Sunday who condemned the godless social service nonsense of liberal churches and Billy Graham who brought

evangelicalism into the highest precincts of business and politics Soul Winners offers a fresh balanced perspective on evangelicals and the consequences of their enduring influence on American life *Church Plantology* Peyton

Jones,2021-04-20 The first comprehensive textbook on effective church planting from a veteran church planter The Apostle Paul was a veteran church planter who laid a foundation like a wise and master builder and there is much we can learn from his example Paul indicated that there were basic skills and experiences required to successfully plant a church Church Plantology examines the wide variety of church planting methods and ideologies in contemporary pastoral practice and outlines a biblical model based on the New Testament During his time in prison Paul spent much of his time writing to Titus Timothy and others who d served alongside him in the trenches to complete their training as church plantings We can continue to apply these time tested proven methods following the pioneering example of the early church Today the casualty rate in is high What if we could reduce the odds of failing Church Plantology by Peyton Jones is a robust guide to planting that will help planters to provide the foundation necessary to survive beyond the initial first years so that they don t end up a walking statistic *Rediscovering Church* Ian Mayer,2025-02-12 What if we could recapture the dynamic transformative

power of the early Church in today s world Acts 2 42 47 provides us with a remarkable blueprint of a thriving Christian community one marked by devoted discipleship authentic fellowship radical generosity and daily transformation Rediscovering Church will help close the gap between the church we see and the church we dream of Drawing from the timeless wisdom of the New Testament and filled with real world examples this practical guide will equip you with the tools and strategies you need to cultivate communities marked by authentic relationships transformative teaching passionate worship and sacrificial care You ll discover how to Create environments where genuine discipleship happens naturally Build meaningful fellowship that goes beyond surface level relationships Develop prayer cultures that expect and experience God s power Structure leadership that empowers rather than controls Plan gatherings that foster authentic community Implement programs that serve real needs Foster generosity that transforms lives and much more than you can ask or imagine The future of the Church depends not on our programs or buildings but on our ability to create authentic communities where people encounter Christ and are transformed by His love Let s rediscover together how to build communities that change lives and impact the world *Rethinking the Church* James Emery White,2003-07-01 Why is it important to rethink the

church Today many leaders focus on how their ministries can be run more efficiently But the foundational question according to James Emery White should be Why do we have this ministry and then Why do we do this ministry the way we do Is it effective Rethinking the Church helps pastors and lay leaders work through questions that must be answered if a church is to rethink evangelism discipleship ministry worship community and the structure of the church Break old molds check assumptions and be sensitive says White He uses the language and aims of seeker targeted churches but urges readers not to tie themselves to any model without understanding the individual purpose of their church Now thoroughly revised and

expanded Rethinking the Church contains more emphasis and key material on how to move from rethinking to transition White blends biblical reflection and hands on experience and uses the early church as described in the Book of Acts as the ultimate example Evangelicals, Worship and Participation Alan Rathe, 2016-04-22 In discussions of worship the term participation covers a lot of ground It refers not only to concrete acts in gathered liturgy but also to some of the loftiest claims of Christian theology In this book Alan Rathe probes the ways in which North American evangelicals have in recent years regarded the landscape of participation Rathe presents a broad review of evangelical worship literature through a lens borrowed from medieval theology This brings into surprising focus not only evangelical understandings but also evangelical identities and the historical traditions they reflect and offers fresh perspectives on such current theological concerns as God s triunity missio Dei and the practical theology of participation Offering a fresh contribution to a young but important discipline the liturgically informed study of evangelical worship practice this book reconnects the evangelical tradition to the Great Tradition and in the process re appropriates classic concepts that are full of promise for contemporary ecumenical dialogue
