Watkins, 2017-02-16 Preaching is dramatic Through it we hear the voice of the living God as he speaks to us both through the reading and the preaching of the word of God But where do the hearers of sermons fit into the drama This book suggests ways in which the drama metaphor may help to address age old questions about the centrality of the gospel and the place of the hearer in preaching As God in Christ is the central character in the biblical drama of

redemption he also calls hearers to understand their role in creatively yet faithfully living according to the biblical script. Thus no sermon is complete until God's redemptive work is powerfully proclaimed and his people are instructed in how they too are participating in the *Missio Dei*. In this work Hebrews 11 is employed as a means of showing how God not only reveals his redemptive work to his people but also through them. As postmodernism sets the stage of contemporary preaching, *The Drama of Preaching* interacts with some of the particular challenges preachers face in engaging postmodern listeners that they might not only be hearers but doers of the preached word.

Small Church, Excellent Ministry Jeffrey C. Farmer, 2017-12-21 Pastors of smaller membership churches have a huge calling. They are responsible for changing the world. Rather than look at the small number of members in their congregations as a limitation, pastors should view their congregations as an elite force able to impact their communities for the Kingdom of God. *Small Church Excellent Ministry* is a handbook designed for pastors serving in smaller membership churches. This book will help you to conduct your ministry with excellence. Written by practitioners and professors, the information provided in this book is on the vanguard of pastoral ministry and is useful for training pastors to be leaders of their churches.

Text-Driven Preaching Daniel L. Akin, David L. Allen, Ned Mathews, 2010 Collection of essays urging pastors to commit to presenting true expository preaching from the pulpit. From publisher description.

The Sunday After the Funeral Timothy S. Thompson, 2020-07-31 Tim Thompson invites you to journey with him in exploring a dimension of ministry that has been sparsely addressed in main stream scholarship. Following innumerable experiences in dealing with traumatic situations as a local pastor, a clinical chaplain, and a military chaplain, Reverend Thompson has acquired hard learned lessons along the way. Some readers are currently serving as pastors and have experienced traumatic situations themselves. Others however may not have dealt with such situations but know someone who has had to deal with traumas as a pastor or a chaplain. Envision yourself as a pastor of a local church, say a mid size congregation in a semi rural context. The sun rises announcing the dawn of another day. It feels like just another day until it is rudely interrupted by the news that a member of your church has died tragically. As the pastor you join with a grieving family reeling from shock and confusion to organize the funeral. The funeral is well attended. You have planned and executed a memorial service in which the deceased is honored and the family is nurtured. A few days later you contemplate what to say on the Sunday after the funeral. Anticipating a congregation dealing with a wide range of emotions from sadness to confusion to anger, you prepare for an unprecedented challenge. As you pour over scripture seeking God for His divine intervention in that moment, perplexing questions course through your thoughts: What do I say? Where do I start? Should I address this event at all or should I face it head on? These are only a few questions with many more racing through your mind. Reverend Thompson has engaged in intense literary research and enlisted the experiences from other pastors to assist you for when these dreaded events occur.

How Effective Sermons Advance Ben Awbrey, 2010-12-20 Sermon structure has been deemed an important component of preaching throughout the history of preaching by preaching instructors and practitioners alike Many have made a case for the bearing that sermon structure has for the effective preaching of Scripture However sermon structure when incorporated in a sermon often is not as serviceable as it could and should be This book provides instruction for how sermon structure can serve to principle Scripture by using statements of theological principle in the sermon outline Therefore the timelessness and the timeliness of Scripture are prioritized through statements of theological principle providing doctrinal accuracy and personal relevance which are apparent in the outline of the sermon How Effective Sermons Advance provides a thorough and comprehensive treatment on the highly significant matter of sermon structure

How Effective Sermons End Ben Awbrey, 2022-07-21 Extremely rare is the preacher whose preaching could not be improved substantially by readdressing his sermon conclusions Moreover a sermon conclusion marks the typical preacher's greatest need for improvement in his preaching This most significant element of a sermon has been championed for its importance in a sermon and yet the conclusion is trivialized in if not omitted from the preaching of sermons Whether textual topical or expository in preaching methodology the typical preacher has a greater understanding and better implementation of everything else related to preaching in contrast to what is understood and done in concluding sermons Much is not done and much more is not understood to conclude sermons with clarity strength and persuasiveness How Effective Sermons End provides a comprehensive approach and thorough examination of the sorely needed and long overlooked instruction regarding that most vital of all elements of a sermon the sermon conclusion This book fills the existing void in homiletical pedagogy about concluding sermons a void that prevents preachers from reaching their full potential of effectiveness in the ministry of preaching the Word of God The pathway of better preaching is knowledge and skill to effectively conclude sermons and this book floods that pathway with light

A Manual for Preaching Abraham Kuruvilla, 2019-10-15 Abraham Kuruvilla's A Vision for Preaching offered an integrated biblical and theological vision for preaching A Manual for Preaching addresses the practical and perennial issue of how to move from the biblical text to an effective sermon The author a well respected teacher of preachers shows how to discern the

text's theological meaning and let that meaning shape the development of the sermon. Clearly written and illustrated with Old Testament and New Testament examples, the book helps preachers negotiate larger swaths of Scripture and includes two annotated sermon manuscripts from Kuruvilla.
