Rediscovering Prophecy A New Song For A New Kingdom:

Rediscovering Prophecy Ronald Barclay Allen,1983 **More Precious Than Gold** Sam Storms,2009-02-04 In his third book of daily meditations Sam Storms urges readers to not just enter into God's Word but to take the next step toward knowing him and his Word better And the book of Psalms Storms believes is a great place to start because Psalms is so popular and so very relevant to our experiences today In **More Precious Than Gold** Storms combines years of life experience and his biblical and theological training to bring readers 50 brief daily meditations that are both stylistically accessible and theologically substantive Each meditation includes a historical or theological reflection on the psalm in context a story that brings it alive and creative tools to support the key idea Storms also interweaves the words of such luminaries as Charles Spurgeon Jonathan Edwards and John Piper to help readers better understand the concepts that are featured throughout Psalms worship prayer joy forgiveness steadfast love mercy sin's consequences the law of the Lord and our relationship with our enemies Like the Psalter Storms doesn't shy away from the tough issues Instead he encourages readers to experience through these daily meditations what he and generations of Christians have found to be true that the whole of the Christian faith is about lifting God higher and magnifying his name even during difficult times **A Case for Premillennialism** Donald K. Campbell,Jeffrey L. Townsend,1992 Premillennialism is not a fundamental doctrine of evangelical faith For example the Bible certainly does not set it forth in the same unequivocal terms or give it the same central position that the deity of Christ the vicarious atonement or the second coming have Yet to many evangelicals premillennialism is not merely what the Bible teaches on some minor point It has a special significance of its own among the loci of Christian faith This view has increased immensely during the last century The cause of this relatively sudden shift toward premillennialism has never been adequately explained Several factors certainly influenced it such as the vastly increased depth of Bible study the hermeneutical shift in churchly interpretation with its emphasis on the natural meaning of a passage in the context of the history and culture in which it was first given and modern studies of the early church which seem to show it was not really amillennial but premillennial This book seeks to set forth in comprehensive fashion the biblical basis for premillennialism and its significance for evangelical faith **Elenchus of Biblica** ,1990 **American Book Publishing Record** ,2002

Paperbound Books in Print ,1992 **The New Apostolic Reformation, Trump, and Evangelical Politics** Damon T. Berry,2023-06-29 Whilst many assume that conservative evangelical support for Trump is motivated by his position on social issues such as abortion and LGBTQ rights or a nostalgia for an imagined American golden age this book shows that the reality is much more complex by looking at a more recent and understudied trend of Evangelicalism in America Damon T Berry examines how leaders within the New Apostolic Reformation NAR a charismatically inclined Evangelical movement claim their support for Trump came from alleged prophetic visions that compelled them to defend Trump's candidacy and to continue to defend his presidency re-election against demonically inspired Marxist Deep State enemies In this conspiratorial

cosmology spiritual warfare through prayer and political activism is the duty of the faithful so that they might protect Trump as God's anointed leader and war against malevolent unpatriotic forces that oppose him the nation and God himself Working from primary source materials produced by leading figures among the NAR Berry argues that this conspiratorial discourse is central to NAR support for Trump's candidacy presidency and re-election effort and that this discourse has come to shape some of the most important debates among American religious conservatives in the 21st century **Dreams and Visions**
