Rediscovering The Fatherheart Of God:

Rediscovering the Ministry of Blessing Russ Parker, 2014-02-20 The Bible teaches us Russ Parker writes that blessing is a unique ministry resource gifted to believers to effect the purposes of God in peoples lives In this enthralling book the author tells of situations of family estrangement depression and chronic illness of times of hopelessness and helplessness where miraculous transformation has been wrought through calling on God to bless someone with the richest blessing they are able to receive As he has travelled the country teaching on the ministry of blessing Russ has seen an enthusiastic response and uptake especially amongst those involved in prayer ministry He believes it is time for all who want to be part of God s renewal both in church and through reaching out to the wider community

The Messages Of Rediscovering the Kingdom Myles Munroe, 2006 When governments collapse human philosophies fail and your life is crashing down around you Rediscovering the Kingdom will become your guide through the treacherous storms of the 21st century All of the past ideologies have failed humanism communism totalitarianism fascism socialism and even democracy This is a philosophy an ideology that will not fail for it was bore in the heart of God Himself As Dr Munroe unveils the reality and the power of the Kingdom of God you will be challenged to the core of your religious soul as you discover realities that few have seen let alone talked about Rediscovering the Kingdom will defy almost every concept you have about religion as it shifts the focus away from religion towards the ultimate issue the Kingdom of God

Rediscovering the Good News of the Gospel
Bruce E. Gibson, 2025-09-30 Historically methods of sharing the good news of the gospel have often been incomplete because the limited message has focused on sin sin removal avoidance of hell and ultimately heaven Within that context each group offers its guaranteed process sometimes sold as the exclusive process to avoid hell because avoiding hell seems to have been the best motivation to make converts As a result the gospel is often not perceived as life giving good news but as an allegiance to a religious team to avoid wrath and punishment And teams compete against other teams Consequently a growing number of people are walking away from the good news as presented This is particularly polarizing when the available responses seem to vacillate between the extremes of embracing the methods and traditions hook line and sinker without asking questions or forsaking the gospel the church and God To address this situation Bruce E Gibson verbalize questions that he thinks other Christians contemplate but do not have a safe place to discuss Join the conversation to embrace and address these questions

The Father'S Heart Caleb Plumb, 2013-11-27 There is a revolution happening right now all over the world as believers in Jesus Christ are rediscovering the words of Jesus I came to reveal the Father John 1 18 When you learn to live life with an awareness of and attention to the Fathers presence everything changes Believers move from religion to relationship Faith in God shifts from duty to an exciting journey Imagine you could live with a supernatural confidence that your Father in heaven loves you is all powerful and is always with you How would that change your life What if you also discovered you could hear His voice and feel His presence every day This book was written to

encourage every believer to walk in this reality The Fathers Heart consists of personal stories from author Caleb Plumbs life He details triumphs and mistakes of attempting to live on fire for God He pulls back the curtain to his prayer life dreams visions and supernatural encounters with a desire to inspire others to pursue the presence of God He writes in the spirit of Jeremiah 29 13 You will seek me and find me when you seek me with all of your heart **Rediscovering Identity** Anthony Skipworth,2005-03 Rediscovering Identity is a refreshing personal account of how one man s influence with Christ at the center has impacted thousands A call to rediscover one s identity in Christ **Rediscovering Christmas** AJ Sherrill,2024-10-15 A profound exploration of the Bible s Christmas story that delivers surprising insights to embrace the ancient wonder of the holiday season If you want this Christmas to be the best ever read this book Rediscovering Christmas opened my eyes to a world of meaning I had never known Steven Pressfield bestselling author of Gates of Fire and The War of Art Are you tired of feeling exhausted overwhelmed and empty during the holiday season Instead of getting caught up in the hustle and bustle are you ready to slow down catch your breath and rediscover the true beauty of Christmas This captivating collection of readings explores the intersection where the ancient context meets the present moment Pastor AJ Sherrill invites you into an experience designed to renew your mind reawaken your heart rekindle your awe and restore your body Rediscovering Christmas is divided into two sections Advent which teaches the purpose of waiting and Christmas which reveals the joy of receiving Through meaningful reflections practices and illustrations you ll see the diverse characters of the first Christmas in a new light and comprehend just how their stories intertwine with your own Return to its pages year after year and let it refresh your heart and mind about the wonder of Christmas Rediscovering Christmas is a timeless companion that will become a cherished tradition in your holiday season Hope Rediscovered David Atkinson,2019-06-13 Among the many causes of anxiety in today s world are global concerns to do with social and economic inequality the importance of sustainable development and climate change These raise human that is moral and spiritual questions about who we are our destiny how we can be helped to flourish and what we hope for Hope Rediscovered is about being re oriented in the face of such challenges Bishop David Atkinson who has an abiding interest in Christian ethics pastoral theology and science has put some key questions to the Gospel of John a text which says much about human flourishing and which draws on the Wisdom themes of the Hebrew Bible about misunderstanding our place in creation and about practical living Like his followers Jesus was beset with conflicts within the world The first century Christian community to which the Gospel was addressed discovered how to live hopefully in the way of Wisdom energized by God s Spirit The focus of this timely book is deep practical wisdom for a troubled world *Rediscovering the Christ* John R. Yungblut,1991 A radical approach to making Christ come alive again for those who can no longer reconcile the traditional doctrines about Jesus as the Christ with their present world view The author of Rediscovering Prayer and many other works presents a re mythologizing of Christ which questioning Christians will be able to embrace *Standing on My Knees* Jeff Lucas,2013-03-25 From the self confessed Mr

Bean of the Christian faith and one half of the most entertaining double act on the Christian live stage circuit Jeff Lucas lets you in how to get over 10 common barriers to prayer not simply with words but through finding the heart and mind you need to discover the reality of a life of prayer With Jeff Lucas typical wit and word play the title Standing on My Knees lets you know you re in for something wise but not weighty deep but not desparate and even funny but not frivolous Just as honest in print as he is on stage with fellow writer and raconteur Adrian Plass Jeff illustrates his message that you can grow a one to one relationship with God using his own experience of the trials torments and even trivialities of trying to live by faith Updated and upgraded from his 2003 title How Not to Pray this reissue isn t meant as a book of ready to use utterances written by someone else nor is it a recipe book for standard copybook prayers Rather it s the beginning of a journey into a lifelong fulfilling life of prayer Standing On My Knees Is A revised and reissued edition of Jeff s 2003 book How Not To Pray An encouragement who feel inadequate in prayer or find praying difficult A guide to growing a lifelong fulfilling life of prayer in relationship with God Jeff doesn t set out to humiliate those of us who find it hard to pray or to give simplistic words that give us a false sense of having prayed Instead he highlights how God is already listening and already in relationship with us and then helps us get our prayer habits into place so we can be more aware of his presence [World's Greatest Revivals](#) Fred Wright, Sharon Wright, 2011-07-28 How desperate are you Revivals always begin with personal desperation When we are desperate enough to cry out to God for our need He releases a deluge of His Spirit to not only meet your need but to also change your family community state nation and the world The greatest revivals have all been initiated by the deep seated needs of man God has responded to passionately meet each of those needs Waves of God s mercy in response to our heart s cry will benefit those around us and even the world The World s Greatest Revivals explores The Reformation The Great Awakening The Azusa Street Revival The Toronto Blessing Through extensive research and personal experiences authors Fred and Sharon Wright share the fascinating history of revivals and revivalists over the past 600 years and explore their long lasting impact on society This book shows the personal impact of these revivals and how our desperation opens the floodgates of heaven
