Strawn, 2012-11-15 Scholars of the social sciences have devoted more and more attention of late to the concept of human happiness mainly from sociological and psychological perspectives This volume which includes essays from scholars of the New Testament the Old Testament systematic theology practical theology and counseling psychology poses a new and exciting question what is happiness according to the Bible Informed by developments in positive psychology *The Bible and the Pursuit of Happiness* explores representations of happiness throughout the Bible and demonstrates the ways in which these representations affect both religious and secular understandings of happiness In addition to the twelve essays the book contains a framing introduction and epilogue as well as an appendix of all the terms used in reference to happiness in the Bible The resulting volume the first of its kind is a highly useful and remarkably comprehensive resource for the study of happiness in the Bible and beyond

Holy Word J. Arthur Baird, 2002-06-01 J Arthur Baird is the author of several important books in New Testament studies his best known perhaps being his *Audience Criticism and the Historical Jesus* At his untimely death he left a nearly complete manuscript now published here In this timely and relevant manuscript Baird offers first a critical introduction to the historical paradigm pointing out its limitations in terms of tracing the paradigm of New Testament formation He then traces this development himself beginning with the starting point of the Holy Word and noting its development through the context theological interpretation and application to its manifestation in the apostles schools and fathers He concludes with comments on its current implications This book represents the last and lasting final thoughts of a scholar who was very much devoted to the importance of the Holy Word *The Gospel of Matthew and the Sayings Source Q* Frans Neirynck, 1998

The Gospel of Mark Watson E. Mills,1994 **American Book Publishing Record** ,2004 **Elenchus of Biblica** ,1988 **The Kingdom of God** Christopher W. Morgan,Robert A. Peterson,2012-11-30 The kingdom of God is a very large biblical category indeed Accordingly a comprehensive understanding of the kingdom would illuminate many aspects of theology With this in mind Bruce Waltke Robert Yarbrough Gerald Bray Clinton Arnold Gregg Allison Stephen Nichols and Anthony Bradley have collaborated to articulate a full view of the kingdom of God across multiple disciplines One of the most important books on the kingdom since G E Ladd this volume offers a robust theology and is corroborated by the very series in which it stands Fourth in the noted Theology in Community series The Kingdom of God establishes the significance of the kingdom from the perspectives of biblical theology systematic theology history pastoral application missiology and cultural analysis Part of the Theology in Community series **Rediscovering the Holy Spirit** Michael Horton,2017-04-25 For the Spirit being somewhat forgotten is an occupational hazard The Holy Spirit is so actively involved in our lives that we can take his presence for granted As they say familiarity breeds contempt Just as we take breathing for granted we can take the Holy Spirit for granted simply because we constantly depend on him Like the cane that soon feels like an extension of the blind man s own body we too easily begin to think of the Holy Spirit as an extension of ourselves Yet the Spirit is at the center of the action in the divine drama from Genesis 1 2 all the way to Revelation 22 17 The Spirit s work is as essential as the Father s and the Son s yet the Spirit s work is always directed to the person and work of Christ In fact the efficacy of the Holy Spirit s mission is measured by the extent to which we are focused on Christ The Holy Spirit is the person of the Trinity who brings the work of the Father in the Son to completion In everything that the Triune God performs this perfecting work is characteristic of the Spirit In Rediscovering the Holy Spirit author pastor and theologian Mike Horton introduces readers to the neglected person of the Holy Spirit showing that the work of God s Spirit is far more ordinary and common than we realize Horton argues that we need to take a step back every now and again to focus on the Spirit himself his person and work in order to recognize him as someone other than Jesus or ourselves much less something in creation Through this contemplation we can gain a fresh dependence on the Holy Spirit in every area of our lives **The Gospel of Mark** ,1992
New Testament Abstracts ,1984 *Reprint Expediting Service Bulletin* ,1990 **The Greed Syndrome** Joseph Arthur Baird,1989 *Reprint Bulletin* ,1990 *New Approaches to Jesus and the Gospels* Royce G. Gruenler,2015-05-12 The approaches of contemporary New Testament scholarship to Jesus and the Gospels have been in Royce Gordon Gruenler s view inadequate Instead he offers some imaginative and well articulated reflections on several new and promising approaches These have meant a great deal to me over the past few years he writes since in fact I had a change of personal commitment from a former liberalism which had run dry to the rediscovery of the vitality of my earlier evangelical heritage This change was precipitated by the investigation of the data that this provocative volume details Gruenler employs a phenomenology of persons borrowed from Wittgenstein to highlight the fundamental claims of Jesus Though limiting himself

to the core of sayings accepted by radical critics as authentic the author concludes that Jesus concept of himself is so incredible on any human level that it becomes academic to insist on separating his implicit from his explicit christological claims The use of redaction criticism to distinguish the two therefore is misguided Marshaled in support are Lewis who urges attentiveness and obedience to the story Ramsey who points to the logically odd supernaturalism of the Gospels Polanyi the tacit dimension of trust Marcel Jesus creative fidelity Tolkien the spell of the story and Van Til the importance of presuppositions in Gospel research *Biblical bibliography* Paul-Emile Langevin,1972 Forthcoming Books Rose Army,2003
