

Rediscovering The Wissahickon

Mike Weilbacher

Rediscovering The Wissahickon:

Rediscovering the Wissahickon Through Its Science and History Sarah West, Carolyn West, J. Del Conner, 1993-01
Cresheim Farm Antje Ulrike Mattheus, 2023-06-30 This book is a work of political archaeology. It focuses on the people and events at a particular colonial farm in Germantown, Pennsylvania; their stories provide a micro and macro view of economic, social, demographic, and agro-ecological change. Cresheim Farm shows how one mostly unknown but strategically placed piece of land, home to an extraordinary array of people including early anti-slavery and anti-Nazi activists, the first woman editor of the *Saturday Evening Post*, and a robber baron, can tell, affect, and reflect the history of a nation. The writing is historically grounded and academically future-oriented, deeply researched, and immediate. Cresheim Farm serves as a lens through which to observe and understand social forces such as the launching point of freedom and democracy movements, white privilege, slavery, and genocidal westward expansion. The past lives on in all of us. **Rediscovering America's Sacred Ground** Barbara A. McGraw, 2012-02-01 Returning to the ideas of John Locke and the Founders themselves, Barbara A. McGraw examines the debate about the role of religion in American public life and unravels the confounded rhetoric on all sides. She reveals that no group has been standing on proper ground and that all sides have misused terminology, religion, secular dichotomies, public/private, and concepts of separation of church and state in ways that have little relevance to the original intentions of the Founders. She rediscovers a theology underlying the founding documents of the nation that is neither anyone's particular religion nor one requiring religion. Instead, it justifies freedom of conscience for all and provides a two-tiered public forum: a civic public forum and a conscientious public forum for the debate itself and the actions that debate inspires. America's Sacred Ground: this theology and its public forum determine the meaning of freedom and the ways in which Americans can pursue the good: good government, good communities, good families, good relations between individuals, and good individuals from a plurality of perspectives. By exploring our past, McGraw answers the critical question: Who are we as a people, and what do we stand for? **Wild Philly** Mike Weilbacher, 2023-02-28 A vibrant, family-friendly guide to the unexpected nature found in and around Philadelphia. Philadelphia may seem like a concrete jungle, but in reality, it's full of amazing wildlife. You just need to know where to find it. Equal parts natural history field guide and trip planner, *Wild Philly* has something for everyone. This handy yet extensive guide looks at the factors that shape local nature and profiles over 100 local species, from beautiful flowers and towering trees to majestic birds and surprising city dwellers like coyotes and red foxes. Also included are descriptions of day trips that help you explore natural wonders on hiking trails in public parks and in your own backyard. *Germantown, Mount Airy and Chestnut Hill* Judith Callard, 2000 Called the most historic street in America, Germantown Avenue follows the path of an ancient Lenape trail. This historic route links Germantown, Mount Airy, and Chestnut Hill, the three neighborhoods of the city of Philadelphia that make up the old German Township. From the first protest against slavery in North America to the battle of Germantown in 1777 to the service of its two military hospitals

during the Civil War Germantown has been the site of some of history's most significant events. Many rarely seen images from the archives of the Germantown Historical Society are in Germantown Mount Airy and Chestnut Hill. Covering the period from Colonial times to the twentieth century, these images tell in sharp detail the story of the region founded by German speaking settlers in 1683. From these beginnings, Germantown evolved into a prosperous industrial center by the mid nineteenth century. It also became home to wealthy businessmen who built elaborate Victorian villas and gardens. Germantown was home to one of the nation's first commuter railroads and to many factories and textile mills. Immigrants from all parts of Europe were attracted to Germantown. These faces, events and places are what make Germantown Mount Airy and Chestnut Hill an indispensable keepsake.

Pennsylvania Heritage, 1993 Philadelphia and the Pennsylvania Dutch Country, 1994. Fresh, thorough, practical and packed with essentials. City wide walking tours that let you see it all from Independence Hall to Society Hill, the Liberty Bell to Ben Franklin's Court. Pleasures and treasures, ritzy Rittenhouse Square, strolling on the Schuylkill, great Eakins paintings, the sensational 76ers. Where to stay and eat, no matter what your budget. Posh hotels, the best convention choices, quaint B & B, Smart Travel Tips, Fodor's Choice, What's Where, Pleasures, festivals and more.

The Inquirer Regional Almanac, 1994 **Exploring Osaka** David M. Dunfield, 1993. A comprehensive English language guide to the city of Osaka for business travellers and tourists alike. Second only to Tokyo as a banking and trade centre of Japan, Osaka is a centre of tradition and culture as well, the home of bunraku puppet theatre, for example, and is minutes by rail from Japan's ancient capitals of Kyoto and Nara. A variety of suggested sightseeing itineraries are included, as well as recommended museums, restaurants and hotels, a list of festival dates and sources of additional information.

The American Soul Jacob Needleman, 2003-06-02. Looking at the lives of America's founders including Washington, Jefferson and Franklin, scholar and bestselling author Jacob Needleman explores their core of inner beliefs, their religious and spiritual sensibilities and their individual conception of the purpose of life. The founders, Needleman argues, conceived of an inner democracy, a continual pursuit of wisdom and self improvement that would undergird the outer democracy in which we live today. Any understanding of America as a nation of spiritual values will in the years ahead require Needleman's work as a point of reference.

Getting the books **Rediscovering The Wissahickon** now is not type of inspiring means. You could not only going next ebook growth or library or borrowing from your associates to gain access to them. This is an no question easy means to specifically acquire guide by on-line.
