**All-American Redneck** Matthew J. Ferrence, 2014-03-30 Examining the icon's foundations in James Fenimore Cooper's Natty Bumppo an ideal white man free of the boundaries of civilization and the degraded rural poor of Erskine Caldwell's Tobacco Road Matthew Ferrence shows how Redneck stereotypes were further extended in Deliverance both the novel and the film and in a popular cycle of movies starring Burt Reynolds in the 1970s and 80s among other manifestations As a contemporary cultural figure the author argues the Redneck represents no one in particular but offers a model of behavior and ideals for many Most important it has become a tool reductive confining and sometimes almost liberating by which elite forces gather and maintain social and economic power Those defying its boundaries as the Dixie Chicks did when they criticized President Bush and the Iraq invasion have done so at their own peril **In Search Of Elvis** Vernon

Billings, Gurney Norman, Katherine Ledford, 2013-07-24 Appalachia has long been stereotyped as a region of feuds moonshine stills mine wars environmental destruction joblessness and hopelessness Robert Schenkkan's 1992 Pulitzer Prize winning play The Kentucky Cycle once again adopted these stereotypes recasting the American myth as a story of repeated failure and poverty the failure of the American spirit and the poverty of the American soul Dismayed by national critics lack of attention to the negative depictions of mountain people in the play a group of Appalachian scholars rallied against the stereotypical representations of the region's people In Back Talk from Appalachia these writers talk back to the American mainstream confronting head on those who view their home region one dimensionally The essays written by historians literary scholars sociologists creative writers and activists provide a variety of responses Some examine the sources of Appalachian mythology in nineteenth and early twentieth century literature Others reveal personal experiences and examples of grassroots activism that confound and contradict accepted images of hillbillies The volume ends with a series of critiques aimed directly at The Kentucky Cycle and similar contemporary works that highlight the sociological political and cultural assumptions about Appalachia fueling today's false stereotypes Fear and Loathing in America Hunter S. Thompson, 2011-09-27 From the king of Gonzo journalism and bestselling author who brought you Fear and Loathing in Las Vegas comes another astonishing volume of letters by Hunter S. Thompson featuring a new introduction from award winning author and staff writer at The New Yorker Jon Lee Anderson Brazen incisive and outrageous as ever this second volume of Thompson's private correspondence is the highly anticipated follow up to The Proud Highway When that first book of letters appeared in 1997 Time pronounced it deliriously entertaining Rolling Stone called it brilliant beyond description and The New York Times celebrated its wicked humor and bracing political conviction Spanning the years between 1968 and 1976 these never before published letters show Thompson building his legend running for sheriff in Aspen Colorado creating the seminal road book Fear and Loathing in Las Vegas twisting political reporting to new heights for Rolling Stone and making sense of it all in the landmark Fear and Loathing on the Campaign Trail '72 To read Thompson's dispatches from these years addressed to the author's friends enemies editors and creditors and such notables as Jimmy Carter Tom Wolfe and Kurt Vonnegut is to read a raw revolutionary eyewitness account of one of the most exciting and pivotal eras in American history SEE THE SKEGEEHAWK!, 2014-10-10 Gerry Mellows forty three year old college professor has an obsessive compulsive sex addiction Twenty seven year old student coed hottie and vivacious and vibrant vixen Zee Breyer is his latest target Zee

willingly becomes Gerry's latest mistress playmate. Passionate sexual adventures and sinful lust-laden episodes lead to deception, iniquitous conception, and extramarital ménage à trois mayhem. Self-destruction, self-demise, creeping, scheming, illicit, steamy sexing you name it. This one has it. The three S's: sin, scandal, shame. The three R's: raunchy, risqué, real. Pam, Gerry's high school sweetheart and wife of ten years plus, becomes the focal point, victim of eroding, spiraling family values, spiritual demise, and dramatic, traumatic, shameless home wrecking. Marital infidelity sparks fly in this sordid, sensual saga. Dom Zee's part-time live-in lover is in the dark. Rho Zee's voluptuous diva, younger sister, plays a central role. Complicated relationships, intricate situational circumstances lead down a Pandora's Box pitfall, a hurtful, rocky road of perdition, peril, and adventure. Zee is a naughty narrative of emotional nuances, psychological undercurrents, and clever witticisms. Sex kitten, vixen Zee Breyer runs half-naked through Gerry's midlife crisis libido menagerie of creeping, conniving infidelity, sin, adultery, hot, wild, freaky sex, scandalous betrayal, and treachery. Ninety percent nonfiction, ten percent fiction, or its reversal, ten percent fiction, ninety percent nonfiction. It really doesn't matter for all names of the innocent have been changed to protect the guilty. This one has more page-turning twists than a runaway lust rollercoaster. ZEE is a composite of various women interwoven intimately, known, passionately loved and hated at different relational intervals in the midst of tangled liaisons. From sand-filled Jacksonville, Florida beaches to Alabama's Crimson Tide backwoods up the eastern seaboard to Brotherly Love Philadelphia, Zee races like a Kentucky Derby thoroughbred. Rated M for mature, N for naughty, ES for explicit sex, and G for gripping.

**Nightmare Movies** Kim Newman, 2011-04-18. Now over twenty years old, the original edition of *Nightmare Movies* has retained its place as a true classic of cult film criticism. In this new edition, Kim Newman brings his seminal work completely up to date, both reassessing his earlier evaluations and adding a second part that analyses the last two decades of horror films with all the wit, intelligence, and insight for which he is known. Since the publication of the first edition, horror has been on a gradual upswing and has gained a new and stronger hold over the film industry. Newman negotiates his way through a vast back catalogue of horror and charts the on-screen progress of our collective fears and bogeymen from the low-budget slasher movies of the 1960s through to the slick releases of the 2000s. *Nightmare Movies* is an invaluable companion that not only provides a newly updated history of the darker side of film but also acts as a truly entertaining guide with which to explore the less well-trodden paths of horror and rediscover the classics with a newly instructed eye. *Pinnacle* Daniel Blair Stewart, 2016-12-14. *IMMORTALITY* Who should receive the gift of Eternal Life? The people of an overpopulated planet. The rich and powerful. Or should it be hoarded by those who made it possible? Rory is an artist and woman of the wilderness. She seeks only creative solitude and refuses to be governed by society or ruled by romantic yearnings. She is targeted by Peter Jarrel, who bestows on her a gift she does not want: Eternal Youth, and with it, painful and terrifying memories.

toward Southern symbols such as the Confederate Battle Flag and Robert E Lee are not necessarily reducible to a racial divide John F Cataldi uses data to demonstrate that most black and white respondents navigate a social balance between the extremes of conservation and progress as a way to productively coexist and unify as a community rather than maintain an insular posture or cause division based solely on symbolic ideology These findings challenge conventional sociological and media provided paradigms and broaden the discussion of what tolerance and situational context mean for a large spectrum of community members who live in the milieu of Confederate symbols every day *Counselor Dave Aquino*,2013-03 Blam That one s for me Ted said as he shoots and kills Peggy Reddick for what seems to be no justification Jack Reddick Peggy s husband a cop on the hardest case of his life feels the murder was pay back for arrests he made Willing do whatever it takes to find the man he wants Jack will torment himself while abandoning his children who need him more than ever No leads no motive and no trace of this man named Ted Jack finds himself going crazy to know why If given the opportunity to put everything on the line just for a chance to find Ted will Jack do it Will he be fortunate enough to know what really happened Or will Ted without knowing it end up killing Jack as well About the Author Dave Aquino is the author of several novels including Personal War Personal War 2 Counselor and The Slot Machine He is working on his next novel *They Do What?* Javier A. **Object Lessons** Robyn Wiegman, 2012-01-11 A passionate advocate of identity studies and a keen reader of U S institutional politics Robyn Wiegman turns her attention in Object Lessons to the critical practices and political ambitions of identity based fields In a series of case studies drawn from womens studies queer studies ethnic studies and American studies she examines the unspoken belief that better theory will produce progressive social change in order to consider the political desire that fuels current scholarly debate Her metacritical analysis is neither a defense nor a dismissal of such political commitment but a sustained inquiry into the hope it generates the thinking it inspires and the conformity it inadvertently demands
