Work of History Peter Beilharz, Sian Supski, 2022-07-05 Stuart Macintyre was an eminent figure within the world of Australian history scholarship for 45 years. This collection of essays and responses revisits and extends this extraordinary life of achievement and engagement. Leading scholars write here of Macintyre's contribution to understanding radicalism and communism, postwar reconstruction, education and civics, universities, liberalism, historiography and the history wars. They also tell us about collegiality and friendship. The practice of history writing and telling has long been central to the narrative of the nation in Australia. The Work of History connects us to that past. It raises the question of what comes next and re-values Macintyre's contribution, serving both as a snapshot of the state of the historian's art and an introduction to those who come more recently to this highly contested field

The Most Dangerous Man in Australia? Barbara Winter, 2010 Who was the most dangerous man in Australia in the years before World War II Was it the geologist who obtained nickel and molybdenite to prolong the life of Krupp guns and help our dear Führer to win the next war Or perhaps the journalist who took Japanese money in return for persuading politicians that the peace loving Japanese were no threat to Australia Or the Vichy French Consul General who urged the Japanese to seize New Caledonia while he threatened the lives of Free French supporters in Australia These are some of the intriguing characters to be found in this book Judge for yourself who deserves the distinction

It also chronicles the two cases of indigenous resistance to genocide and extermination the international cover ups that obstructed documentation of these crimes and efforts to hold the perpetrators legally accountable The perpetrator regimes inflicted casualties in similar proportions Each caused the deaths of about one fifth of the population of the nation Cambodia s mortality was approximately 1 7 million and approximately 170 000 perished in East Timor In both cases most of the deaths occurred in the five year period from 1975 to 1980 In addition Cambodia and East Timor not only shared the experience of genocide but also of civil war international intervention and UN conflict resolution U S policymakers supported the invading Indonesians in Timor as well as the indigenous Khmer Rouge in Cambodia Both regimes exterminated ethnic minorities including local Chinese as well as political dissidents Yet the ideological fuel that ignited each conflagration was quite different Jakarta pursued anti communism the Khmer Rouge were communists In East Timor the major Indonesian goal was conquest In Cambodia the Khmer Rouge s goal was revolution Maoist ideology influenced Pol Pot s regime but it also influenced the East Timorese resistance to the Indonesia s occupiers Genocide and Resistance in Southeast Asia is significant both for its historical documentation and for its contribution to the study of the politics and mechanisms of genocide It is a fundamental contribution that will be read by historians human rights activists and genocide studies specialists *My Father's Daughter* Sheila Fitzpatrick, 2014-09-12 How does a daughter tell the story of her father Sheila Fitzpatrick was taught from an early age to question authority She learnt it from her father the journalist and radical historian Brian Fitzpatrick But very soon she began to turn her questioning gaze on him Teasing apart the many layers of memory Fitzpatrick reveals a complex portrait of an Australian family against a Cold War backdrop As her relationship with her father fades from girlhood adoration to adolescent scepticism she flees Melbourne for Oxford to start a new life But it s not so easy to escape being her father s daughter *My Father's Daughter* is a vivid evocation of an Australian childhood a personal memoir told with the piercing insight of a historian
