Redundant Masculinities Employment Change And White Working Class Youth:

Redundant Masculinities? Linda McDowell, 2011-07-22 *Redundant Masculinities* investigates the links between the so called crisis of masculinity and contemporary changes in the labour market through the lives of young working class men Allows the voices of poorly educated young men to be heard Looks at how the labour market is changing Emphasises the social construction of gender and racial identities Dispels popular myths about the crisis in masculinity **Redundant Masculinities?** Linda McDowell, 2003-08-08 *Redundant Masculinities* investigates the links between the so called crisis of masculinity and contemporary changes in the labour market through the lives of young working class men Allows the voices of poorly educated young men to be heard Looks at how the labour market is changing Emphasises the social construction of gender and racial identities Dispels popular myths about the crisis in masculinity **Young Working-Class Men in Transition** Steven Roberts, 2018-06-27 *Young Working Class Men in Transition* uses a unique blend of concepts from the sociologies of youth and masculinity combined with Bourdieusian social theory to investigate British young working class men s transition to adulthood Indeed utilising data from biographical interviews as well as an ethnographic observation of social media activity this volume provides novel insights by following young men across a seven year time period Against the grain of prominent popular discourses that position young working class men as in crisis or as adhering to negative forms of traditional masculinity this book consequently documents subtle yet positive shifts in the performance of masculinity among this generation Underpinned by a commitment to a much more expansive array of emotionality than has previously been revealed in such studies young men are shown to be engaged in school open to so called women s work in the service sector and committed to relatively egalitarian divisions of labour in the family home Despite this class inequalities inflect their transition to adulthood with the toxicity of neoliberalism rather than toxic masculinity being core to this reality Problematising how working class masculinity is often represented *Young Working Class Men in Transition* both demonstrates and challenges the portrayal of working class masculinity as a repository of homophobia sexism and anti feminine acting It will appeal to students and researchers interested in fields such as youth studies masculinity studies gender studies sociology of education and sociology of work **The White Working Class** Justin Gest, 2018 Powered by original field research and survey analysis in the United States and United Kingdom *The White Working Class What Everyone Needs to Know R* provides a comprehensive and accessible exploration of white working class politics and the populism that is transforming the transatlantic social and political landscape In recent years the world has been reintroduced to the constituency of white working class people In a wave of revolutionary populism far right parties have scored victories across the transatlantic political world Britain voted to leave the European Union the United States elected President Donald Trump to enact an America First agenda and Radical Right movements are threatening European centrists in elections across the continent In each case white working class people are driving the reaction to the social change brought by globalization In

the midst of this rebellion a new group consciousness has emerged among the very people who not so long ago could take their political economic and cultural primacy for granted In *The White Working Class What Everyone Needs to Know* R Justin Gest provides the context for understanding this large group of people He begins by explaining what white working class means in terms of demographics history and geography as well as the ways in which this group defines itself and has been defined by others Gest also addresses whether white identity is on the rise why white people perceive themselves as marginalized and the roles of racism and xenophobia in white consciousness Finally he looks at the political attitudes voting behavior and prospects for the future of the white working class This accessible book provides a nuanced view into the forces driving one of the most complicated and consequential political constituencies today **Masculinity and Aspiration in an**

Era of Neoliberal Education Garth Stahl, Joseph Nelson, Derron Wallace, 2017-03-16 This collection investigates the ways in which boys and young men negotiate neoliberal discourse surrounding aspiration and how neoliberalism shapes their identities Expanding the field of masculinity studies in education the contributors offer international comparisons of different subgroups of boys and young men in primary secondary and university settings A cross sectional analysis of race gender and class theory is employed to illuminate the role of aspiration in shaping boys identities which adds nuance to their complex identity work in neoliberal times *Young People, Class and Place* Robert MacDonald, Tracy Shildrick, Shane

Blackman, 2013-10-18 Under the weight of apparently growing consumer affluence globalisation and post modern social theory many have proclaimed the declining significance of social class and place to young people s lives and for social science Drawing upon new empirically grounded theoretically innovative studies this volume begs to differ It argues that the youth phase provides a privileged vantage point from which to interrogate and think about broader processes of social change and social continuity These themes are addressed by all the diverse contributions gathered here The chapters include investigation of the problems of growing up in gang neighbourhoods and young people s use of space for leisure new patterns of class formation and youth transition in Eastern Europe the effects of classed labels and identities such as chav and charver in youth culture and schooling the changing meanings of class and place for young women in changing socio economic landscapes new patterns of youth culture and transition among Black young men in East London and how we think and theorise about change and continuity in youth studies Together these new empirical studies and critical theoretical analyses confirm the continuing central importance of class and place in shaping the opportunities transitions sub cultures and life styles of young people This book was based on a special issue of *Journal of Youth Studies* Gender, Work and Community

After De-Industrialisation V. Walkerdine, L. Jimenez, 2012-01-17 How does an industrial community cope when they are told that closure is inevitable What if this is only the last in a 200 year long line of threats insecurities and closure How did people weather the storms and how do they face the future now While attempts to regenerate communities are everywhere we do not often hear from the people themselves just how they managed to create safe collective spaces or how the fall of the whole

house of cards brought with it effects which can be felt by young people who never knew the town when it was an industrial heartland We hear the story of how men and women tried to cope and still want to retain their community in the face of its destruction What can they and will they have to pass to the next generation and where will that leave the young people themselves who have nothing to stay for but are unable to leave This book examines these crucial questions facing post industrial societies

Geographical Thought Anoop Nayak,Alex Jeffrey,2025-06-30 This new second edition of Geographical Thought remains a clear and accessible introduction to the key ideas and figures in human geography A renewed focus on climate justice is layered throughout the book segueing into a new chapter on decolonising geography Each of the chapters has been refreshed using the latest scholarship in the field cutting edge theory and contemporary case studies From animal geographies to Black geographies the current text is brimming with new theories concepts and ideas Across three distinctive parts Geographical Foundations Geography at the Intersections and Plural and Relational Geographies this book provides an essential introduction to the theories that have shaped the study of societies and space Opening with an exploration of the founding concepts of human geography in the nineteenth century academy Nayak and Jeffrey examine the range of theoretical perspectives that have emerged within human geography over the last century from feminist and Marxist scholarship through to postcolonial and non representational theories Each chapter contains insightful lines of argument that encourage readers towards independent thinking and critical evaluation The supporting materials include a glossary visual images further reading suggestions and dialogue boxes This book is an invaluable guide for students new to the discipline seeking an introduction to the theories and ongoing debates as well as those looking to deepen their understanding of human geography

Retail Work Irena Grugulis,Ödül Bozkurt,2011-03-15 Internationally renowned experts assess the role of retail work in modern industrial economies in Retail Work Chapters are arranged thematically to capture four aspects of retail work the nature of work and the shop floor work across the supply chain and the wider productive system the skills used in retailing and workers as a collectivity

Masculinity Beyond the Metropolis J. Kenway,A. Kraack,A. Hickey-Moody,2006-06-20 This book gives insights on youth masculinity and place by exploring spatially marginalized masculinities in stigmatized and romanticized out of the way places in developed Western countries It shows the impact of globalization on place and identity through global ethnographic studies and media representations of young men in peripheral places
