Life ,1923 The W.C. Fields Films James L. Neibaur,2017-03-31 W C Fields was at the top among comedians during Hollywood's Golden Era of the 1930s and 1940s and has since remained a comic icon Despite his character's misanthropic child hating alcoholic tendencies his performances were enduringly popular and Fields became personally defined by them This critical study of his work provides commentary and background on each of his films from the early silents through the cameos near the end of his life with fresh appraisals of his well known classics Pictures once believed to be lost that have been discovered and restored are discussed and new information is given on some that remain lost *Black Belt* ,1997-02 The oldest and most respected martial arts title in the industry this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self defense in the world including techniques and strategies In addition Black Belt produces and markets over 75 martial arts oriented books and videos including many about the works of Bruce Lee the best known marital arts figure in the world **Amateur Movie Makers** ,1929 **Surviving the Unwanted Divorce** India Kern,2019-02-28 Are you sinking in the uncertainty of divorce Are you asking yourself will there ever be a waking moment when I do not think about my current situation Are you stuck in the pain and paralyzed by the chaos In *Surviving the Unwanted Divorce* India reveals how to take the tragedy of divorce and turn it into a sacred transition India demonstrates how divorce can serve as a spiritual journey to a life filled with purpose and passion Through her own story India candidly speaks about the crippling pain of her unwanted divorce It was in the valley of sorrow where she gained the wisdom to successfully transition from married to divorced In these pages you ll discover how to find balance in the chaos how to create a new norm how to avoid unnecessary suffering how to discover a purpose filled life how to create a life you love If you re suffering exhausted from the slog through the valley of divorce this book is for you Here s a better way and India will show you how to survive and flourish after the unwanted divorce **Indie, Inc.** Alisa Perren,2012-05-15 *Indie Inc* surveys Miramax's evolution from independent producer distributor to studio subsidiary chronicling how one company transformed not just the independent film world but the film and media industries more broadly Miramax's activities had an impact on everything from film festival practices to marketing strategies talent development to awards campaigning Case studies of key films including *The Piano Kids* *Scream* *The English Patient* and *Life is Beautiful* reveal how Miramax went beyond influencing Hollywood business practices and motion picture aesthetics to shaping popular and critical discourses about cinema during the 1990s and looks at the range of Miramax released genre films foreign language films and English language imports released over the course of the decade *American Film Cycles* Amanda Ann Klein,2011-12-01 A series of movies that share images characters settings plots or themes film cycles have been an industrial strategy since the beginning of cinema While some have viewed them as subgenres mini genres or nascent film genres Amanda Ann Klein argues that film cycles are an entity in their own right and a subject worthy of their own study She posits that film cycles

retain the marks of their historical economic and generic contexts and therefore can reveal much about the state of contemporary politics prevalent social ideologies aesthetic trends popular desires and anxieties American Film Cycles presents a series of case studies of successful film cycles including the melodramatic gangster films of the 1920s the 1930s Dead End Kids cycle the 1950s juvenile delinquent teenpic cycle and the 1990s ghetto action cycle Klein situates these films in several historical trajectories the Progressive movement of the 1910s and 1920s the beginnings of America's involvement in World War II the birth of the teenager in the 1950s and the drug and gangbanger crises of the early 1990s She shows how filmmakers audiences film reviewers advertisements and cultural discourses interact with and have an impact on the film texts Her findings illustrate the utility of the film cycle in broadening our understanding of established film genres articulating and building upon beliefs about contemporary social problems shaping and disseminating deviant subcultures and exploiting and reflecting upon racial and political upheaval

Wid's Year Book, 1921 *Reading Programs for Young Adults* Martha Seif Simpson, 1997-07-15 School and public libraries often provide programs and activities for children in preschool through the sixth grade but there is little available to young adults For them libraries become a place for work the place to research an assignment or find a book for a report but the thought of the library as a place for enjoyment is lost So how do librarians recapture the interest of teenagers This just might be the answer Here you will find theme based units such as Cartoon Cavalcade Log On at the Library Go in Style Cruising the Mall Space Shots Teens on TV and 44 others that are designed for young adults Each includes a display idea suggestions for local sponsorship of prizes a program game to encourage participation 10 theme related activities curriculum tie in activities sample questions for use in trivia games or scavenger hunts ideas for activity sheets a bibliography of related works and a list of theme related films The units are highly flexible allowing any public or school library to adapt them to their particular needs
