 Reta Halteman Finger,2007 Though community has become a common byword in the contemporary Western church the
 practice of communal sharing has effectively fallen by the wayside Unfortunately it is often the poor who are left wanting
 because we no longer come together Reta Halteman Finger finds a solution to this modern problem by learning from the
 ancient Mediterranean Christian culture of community In the earliest Jerusalem church in holding the responsibility for
 preparing and serving communal meals women were given a place of honor With the table fellowship and goods sharing of
 the early church Luke says there were no needy persons among them Acts 4 34 Finger thoroughly examines this agape meal
 tradition challenging traditional interpretations of the community of goods in the Jerusalem church and proving that the
 communal sharing lasted for hundreds of years longer than previously assumed Of Widows and Meals begins a discussion of
 need in community that can revolutionize the contemporary church s interaction with the world at large *The Spirit Book*
