Reestablishment Of The Navy 17871801:

The Reestablishment of the Navy, 1787-1801 Michael J. Crawford, Christine F. Hughes, 1995 1789 Thomas B. Allen, 2023-10-01 Historian Allen recreates in this meticulous and fast moving posthumous account the events of the pivotal year 1789 in America It s a superb distillation of a complex moment in U S history Publishers Weekly Starred Review 1789 George Washington and the Founders Create America draws on hundreds of sources to paint a vivid portrait of the new nation setting out to show the world at large that a new and very American form of government was calling itself into being No future session of Congress will ever have so arduous and weighty a charge on their hands the New York Gazette observed in summer 1789 No examples to imitate and no striking historical facts on which to ground their decisions All is bare creation The Constitution had been written in 1787 and ratified in 1788 But 1789 was the year the government it described albeit only in the broadest of terms had to be brought into being Veteran journalist Thomas B Allen brings decades of experience and a gifted storyteller s eye to the long hidden history of how George Washington and the Founders set the federal government into motion

The End of Grand Strategy Simon Reich, Peter Dombrowski, 2018-01-15 In *The End of Grand Strategy* Simon Reich and Peter Dombrowski challenge this common view They eschew prescription in favour of describing and explaining what America s military actually does They argue that each presidential administration inevitably resorts to each of the six variant of grand strategy that they implement simultaneously as a result of a series of fundamental recent changes what they term calibrated strategies Reich and Dombrowski support their controversial argument by examining six major maritime operations stretching from America s shores to every region of the globe Each of these operations reflects one major variant of strategy They conclude that grand strategy as we know it is dead
