The summary is the first part of the annotation, and the evaluation is the second part. The diagram uses red arrows and text to highlight the formatting requirements.

Annotations:

It's a supplement to the anthology published in 128 volumes "The War of the Rebellion: A compilation of the Official Records of the Union and Confederate Armies". The author is a historian-archaeologist. This book is an excellent source for primary documents and offers a fresh narrative of the civil war in the New Mexico territory.
