Reflecting His Image:

In His Image Michael J. Wilkins, 2020-04-06 A Disciple will be like his teacher Luke 6 40 What does it mean to be a follower of Jesus The ultimate goal of discipleship is to be like the Teacher to be like Jesus Himself Every Christian wants to understand what that means But even if we understand it is it possible Michael Wilkins asserts that it s not only possible it s a life that all Christians are called to not just a select few So why do we so seldom experience it As Wilkins points out even the first followers of Jesus had a hard time grasping what it meant to be His disciples Like them our difficulty often lies in not clearly understanding who Jesus is not recognizing the resources available to us as God s children or not believing who we are to be as Christ s followers But like the early disciples our lives can radically change If we want to follow Jesus we can become like Him Jesus takes us exactly as He finds us writes Wilkins and transforms us into His likeness So come learn what it means to walk with Jesus and reflect His image to the real world *Reflecting His Image* K. A Missionary Looks at the Conquest of Babylon Richard Lehman, 2025-03-01 Many recognize that Revelation reveals the most important last day's issues and battle for mankind But is that battle physical or spiritual Is it only yet to come or has it been going on already for a long time What kind of battle is being described and what should I be doing to ensure that I am on the right side of the battle If you attempt to interpret Revelation literally which most interpreters do to some degree or another you come up with many different physical battle interpretations or political religious personality warnings all according to the author's worldview So now the confusion comes from trying to determine which interpretation is actually coming to pass and how to prepare yourself for it But if you focus on a spiritual interpretation you will find that there is only one interpretation and that one points to the life and testimony of Jesus Christ see Revelation 1:2 So if you prepare yourself to follow Jesus Christ's testimony revealed through Revelation you will find that you are prepared for anything In scripture the number seven is often used to represent the completed work of God Revelation is a book of many sevens because it is intended to complete the testimony of Jesus Christ within you With that purpose this book is a follow on from the first book that focused on Jesus Christ's Love Letter to the church covering the first eight chapters of Revelation This book will continue by covering the next eight chapters and by explaining the spiritual meaning of most of the many sevens within Revelation As those sevens are revealed we will see a spiritual battle unfold uncovering the greatest foe to the true church which is hypocrisy Revelation will ultimately describe this hypocrisy as MYSTERY BABYLON THE GREAT THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH Revelation 17:5 As a missionary I am focused on exposing hypocrisy which is spiritual harlotry so that we might establish the kingdom of God that Jesus brought within the hearts of people In particular my calling is to focus on identifying a true ministry to enable them to

follow the Holy Spirit's lead in reaching and teaching others. So it is only natural that this book would focus on the Revelation purpose of The Conquest of Babylon because spiritual Babylon represents the spiritual harlotry that has saturated the multitude of church organizations and their ministry. Therefore Revelation shows us a calling vision for a ministry that has the everlasting gospel to preach to them that dwell on the earth and to every nation and kindred and tongue and people. Saying with a loud voice, Fear God and give glory to him for the hour of his judgment is come and worship him that made heaven and earth and the sea and the fountains of waters. And there followed another angel a ministry saying Babylon is fallen is fallen that great city because she made all nations drink of the wine of the wrath of her fornication. Revelation 14:6-8. Hypocrisy has corrupted most every church organization which in turn has also influenced great corrupted purposes within most every institution of mankind. People learn how to play the insincere facade of hiding the corrupted purposes of their heart by the examples that have been shown them through corrupted church organizations and their leadership. There are many symbolic lessons within Revelation: the seven trumpets, the three woes, the two witnesses, the woman with a crown of 12 stars, the 1,260 days, the dragon, the war in heaven where Satan is cast out, the beast, the image of the beast, the mark and number of the beast, fallen Babylon, the 1,600 furlongs and the seven vials of God's wrath poured out. All of these and more are covered thoroughly within this book. Caught in the CROSS-Fire Michael Kenneth Wilson, 2025-07-31.

There are insidious forces threatening to shape people's lives in ways that may or may not meet with their approval and certainly do not meet with God's. The ultimate judge. Over many centuries it has been common to name these radical forces as the world, the flesh, and the devil. This book deals with the nature and impact of these highly dangerous forces and what is involved in successfully countering them. **The Holy Spirit** Taylor Patricia Taylor, Patricia Taylor, 2009-09. The Holy Spirit: The Feminine Nature of God by Patricia Taylor. This book presents the evidence that God is both male and female. No God does not have a gender because He does not have a physical body but He clearly reflects masculine and feminine qualities in His nature. In the Old Testament the God of the Jews, Christians, and Muslims is presented as Jehovah, LORD, and also Shekhinah. Holy Spirit, Jehovah. God calls Himself Father and carries out that role through provision, protection, and discipline. The Shekhinah, Glory of God, permeated the earth and interacted with God's people. She was often portrayed as a loving, nurturing mother. The words used for the Holy Spirit were originally feminine but with translations into other languages the pronouns describing Her were changed to masculine forms. Whether deliberate or not, over time this quality of the nature of God was lost, and these three religions developed into patriarchal systems that suppressed the importance of feminine input into not only religious systems but also society as a whole. Many writers and theologians down through history have recognized this fact but it is denied or overlooked by mainstream religions today. Early Church Fathers including Clement, Philo, and Jerome, prominent medieval church leaders, Anselm of Canterbury, Bernard of Clairvaux, St. Birgitta of Sweden, and many others, and more modern day leaders, Martin Luther, Oswald Chambers, Albert Einstein, and Carl Jung, have all supported the truth of the feminine nature of

God Though these people are held in high regard by many this aspect of their reasoning is completely ignored Why is this subject not taken seriously A W Tozer said it is impossible to have sound moral practices and right attitudes without a clear view of who God is Billy Graham said the next step in the growth of the Church is to better understand the nature and work of the Holy Spirit in our lives There are many small voices who are promoting this truth of God but they are not being heard by the average person It is time to shout this truth to the world and watch how it can transform the position of women and bring balance and health to hurting families and societies Whether you are a Christian Jew Muslim or Atheist this information is important to you personally because religious views have and still do establish our value systems and political issues at a national level Read the full story and documentation of this important issue in *The Holy Spirit The Feminine Nature of God* Order now from iUniverse com or Amazon com Send comments for Patricia Taylor to holy spirit hotmail com *Remains of ... ReCreatable begins with the story of a glass baking dish the delectable aroma of tantalizing brownies and an unseen defect that turns the promise of something delicious into a minor disaster leaving glass fragments and brownies irretrievably intermingled Both the dish and brownies are irrevocably lost The implications for us are inescapable created by God to reflect his glory and for his pleasure we have been broken by sin to the point that we are completely useless to accomplish the purpose for which we were made But unlike the shattered brownie dish that gets discarded as worthless God takes the shards of our lives and does the miraculous He does not simply fit us back together He takes those splinters of our destruction and uses them to re create us complete restored redeemed and fitted to do and be all that he ever intended for us ReCreatable leads us progressively through the impact of the creative genius of God in our lives It points us to the reality of restored relationships the resurrection of our role as true reflectors of God's glory and the revolutionary life that can be ours when we learn to be true disciples re created to live well for God
