Reflections From The Light Of Christ Five Quaker Classics:

Reflections from the Light of Christ James R. Newby, 1980 **Rufus Jones (1863-1948)** Claus Bernet, 2009 Rufus Jones 1863 1948 helped organize the Quakers' relief effort saving millions from starvation after the First World War. In Germany he is best known for having travelled to Berlin to seek a personal meeting with Hitler after the Kristallnacht in 1938. And at the conclusion of a long life devoted to service it was largely due to Jones that the American Friends Service Committee was awarded the Nobel Peace Prize in 1947. But Jones was also the quintessential American scholar seeking to harmonize theory and practice. He was a pivotal figure of the 20th century who stayed in close touch with authors and statesmen the world over. He earned a reputation as a modern mystic and an active pacifist and was regarded as the moral conscience of his era. His scholarship encompassed education and pedagogy, philosophical questions, church and Quaker history as well as the political issues of the day. Jones dealt with such issues as justice, democracy and child rearing. His ideas are still alive today and still arouse controversy. He was particularly anxious to avoid the cultivation of an elite, pleading instead for individual growth and personality development. Over the course of his life he was awarded twelve academic titles, taught at numerous universities, delivered countless lectures and was one of the first theologians to recognise the significance of radio and to make full use of it. To this day Rufus Jones is still honored as a seer, Protestant mystic and even as a Master Quaker and Quaker Giant. It is time also to take a critical look at these honors. **Quaker Life**, 2004

Newby, 2019-07-30. In this important book of Quaker spirituality Jim Newby writes about his spiritual journey and the ways he has sought to navigate an increasingly complex world and understand his purpose in it. A lifelong Quaker, Newby seeks to discern the primary ways in which he has grown spiritually, which are divided into the following parts: turning inward, community and relationship, pain and growth, path of a seeker and affirmations. Each chapter within these parts concludes with queries to encourage readers to reflect upon their own spiritual journeys. Readers may find what Newby writes humorous or his writing may provoke tears, questions and challenges to one's beliefs. Humor and tears, questions and spiritual challenges are all of God for to grow in Spirit encompasses all the feelings and emotions through which we pass in this life. In the words of Newby's late friend and author Malcolm Muggeridge, "Every happening great and small is a parable whereby God speaks to us and the art of life is to get the message." These reflections are Newby's attempt to get the message. **Subject Guide to Books in Print**, 1993 *American Book Publishing Record*, 2007 *Weekly Record*, 1980 *National Union Catalog*, 1980 **Classical Christianity and Rabbinic Judaism** Bruce D. Chilton, Jacob Neusner, 2012-02-01. Among the world's religions, Christianity and Judaism are the most symmetrical. But in our day of religious tolerance, a tendency to

overlook the vital differences between the two religions in the name of good will can undermine constructive Jewish Christian dialogue In this book Bruce D Chilton describes early Christian thought and Jacob Neusner describes early Judaic thought on fundamental issues such as creation and human nature Christ and Torah sin and atonement and eschatology At the end of each chapter each assesses the other's perspective and a final chapter explains why the authors believe theological confrontation not just comparison defines the task of interfaith dialogue today **William Penn** J. William Frost, 2024-10-15

While many recognize William Penn as the founder of Pennsylvania and a defender of religious liberty much less is known about Penn as a man of faith This wide ranging history examines Penn as a deeply religious man who experienced personal triumph and success as well as tragedy and failure After an introduction to Penn and his times J William Frost explores various aspects of Penn's faith including his conversion service within the Society of Friends moral teachings and advocacy for toleration in England and religious freedom in Pennsylvania He examines Penn as a figure whose contradictions reflect at least in part his turbulent times Penn was a radical who converted to an outlawed religion and sought to transform English society but he was also a conservative who supported monarchical authority in England and demanded deference in Pennsylvania Penn was born under Puritanism and lived through three revolutions five wars and decades of religious turmoil He died in the Age of Enlightenment having gone from leader and shaper of the Society of Friends to king's courtier to a prisoner accused of treason though he was eventually exonerated This intriguing history fills significant gaps in writings about Penn particularly concerning Penn's faith and its intersection with his work as a statesman and politician It will be of interest to those interested in William Penn the history of Quakerism and the history of religion in America **Books in Print**, 1994

Buddhist and Christian? Rose Drew, 2013-07-03 This is a detailed exploration of Buddhist Christian dual belonging engaging from both Buddhist and Christian perspectives the questions that arise and drawing on extensive interviews with well known individuals in the vanguard of this important and growing phenomenon The issue is pressing insofar the last century has witnessed a gradual but profound transformation of the West's religious landscape In today's context of diversity people are often influenced by more than one religion Multireligious identities are consequently on the rise At one end of the spectrum are those who identify themselves as fully belonging to more than one tradition One of the most prevalent combinations is Christianity and Buddhism This book addresses central and fundamental questions How is it possible to be authentically Buddhist and authentically Christian when for example God is central to Christianity yet absent from Buddhism when Christians have faith in Jesus Christ while Buddhists take refuge in the Buddha when Christians hope for heaven and Buddhists hope for nirvana and when Buddhists and Christians engage in different practices Are those who identify themselves as belonging to both traditions profoundly irrational religiously schizophrenic or perhaps just spiritually superficial Or is it possible somehow to reconcile the thought and practice of Buddhism and Christianity in such a way that one can be deeply committed to both And if it is possible will the influence of Buddhist Christians on each of these traditions
