Reflections In Prison Voices From The South African Liberation Struggle:

Reflections in Prison Mac Maharaj, 2010-11-18 In 1976 when he was imprisoned on Robben Island Nelson Mandela secretly wrote the bulk of his autobiography *Long Walk to Freedom*. The manuscript was to be smuggled out by fellow prisoner Mac Maharaj on his release later that year. Maharaj also urged Mandela and other political prisoners to write essays on southern Africa's political future. These were smuggled out with Mandela's autobiography and are now published for the first time 25 years later in *Reflections in Prison*. This collection of essays provides a unique snapshot of the thinking of Nelson Mandela, Walter Sisulu, Govan Mbeki, Ahmed Kathrada and other leaders of the anti-apartheid struggle on the eve of the 1976 Soweto Uprising. It gives an insight into their philosophies, strategies and hopes as they debate diversity and unity, violent and non-violent forms of struggle and non-racism in the context of different interpretations of African nationalism. Each essay is preceded by a short biography of the author, a description of his life in prison and a pencil sketch by a leading black South African artist. The collection begins with a foreword by Desmond Tutu and a contextualising introduction by Mac Maharaj. These essays are far more than historical artefacts. They reveal the thinking that contributed to the South African miracle and address issues that remain burning today. *George Padmore and Decolonization from Below* L.

James, 2014-10-14 This book argues that the rising tide of anti-colonialism after the 1930s should be considered a turning point not just in harnessing a new mood or feeling of unity but primarily as one that viewed empire, racism and economic degradation as part of a system that fundamentally required the application of strategy to their destruction. **The**

Spectacular Few Mark S. Hamm, 2013-03-11 Mark Hamm is without doubt the world's leading expert on prison radicalization. Based on decades of research, this book presents a nuanced and sophisticated picture. Beautifully written, it is the most complete and the most empirically rigorous account of this phenomenon to date. A must read for anyone interested in homegrown radicalization. Peter Neumann, Director of the International Centre for the Study of Radicalisation (ICSR), King's College London. The Madrid train bombers, shoe bomber, Richard Reid, al-Qaeda in Iraq and the 9/11 attacks all were led by men radicalized behind bars. Today's prisons are hotbeds for personal transformation toward terrorist beliefs and actions due to the increasingly chaotic nature of prison life caused by mass incarceration. In *The Spectacular Few*, Mark Hamm, a former prison warden, demonstrates how prisoners use criminal cunning, collective resistance and nihilism to incite terrorism. Drawing from a wide range of sources, *The Spectacular Few* imagines the texture of prisoners' lives. Hamm covers their criminal thinking, styles, the social networks that influenced them and personal turning points that set them on the pathway to violent extremism. Hamm argues that in order to understand terrorism today we must come to terms with how prisoners are treated behind bars. Mark S. Hamm is a former prison warden from Arizona and currently Professor of Criminology at Indiana State University and a Senior Research Fellow at the Terrorism Center, John Jay College of Criminal Justice, The City University of New York. His books include *Terrorism as Crime: From Oklahoma City to Al-Qaeda and Beyond* (NYU Press, 2007).

Pallo Jordan,2021-09-01 When President F W de Klerk announced the unbanning of the liberation movements on 2 February 1990 he opened the door to negotiations that would end apartheid and pave the way to democracy But how did this moment come about What power struggles and secret talks had brought the country to this point Written by two ANC veterans who were close to these events Breakthrough sheds new light on the process that led to the formal negotiations Focusing on the years before 1990 the book reveals the skirmishes that took place away from the public glare as the principal adversaries engaged in a battle of positions that carved a pathway to the negotiating table Drawing from material in the prison files of Nelson Mandela minutes of the meetings of the ANC Constitutional Committee the NWC and the NEC notes about the Mells Park talks led by Professor Willie Esterhuysen and Thabo Mbeki communications between Oliver Tambo and Operation Vula the Kobie Coetsee Papers the Broederbond archives and numerous other sources the authors have pieced together a definitive account of these historic developments While most accounts of South Africa's transition deal with what happened during the formal negotiations Breakthrough demonstrates that an account of how the opposing parties reached the negotiating table in the first place is indispensable for an understanding of how South Africa broke free from a spiralling war and began the journey to democracy G.K.
