Reflections of a Poet's Heart Rebecca Rowton Hemingway,2008-12-31 This book is a collection of poetry that I have written over the years that deal with love life and hardships As well as a few that fill the spirit when lost or empty I have been writing since I was ten years old The fulfillment I get from writing grows as the years pass by and I hope to bring to my readers a light at the end of their tunnel *Reflections in Time* Kenneth R. Stephens,2013-03 A half breed American Indian tells his story in a series of poems which he calls REFLECTIONS IN TIME The poet through long suffering patience discovers the key to his long kept secret past The poet also tells the story of his journey through time in poems A book of triumph and tragedy A book of laughter and tears This book will touch your soul *Reflections in Writing* Richard Allen Saare,2010-10-30 Reflections in Words is a compilation of poetry from my experiences around the world short stories I have written quotes that may help in troubled times a collection as I reflect on my life over the years These are the thoughts dreams fantasies I wish to share with you the reader It is my sincerest hope that it will touch your heart make you laugh and even make your eyes tear up on occasion May you enjoy these phrases and pass them as I have enjoyed them myself Richard Allen Saare *Reflections of a Poet* Andrew Head,1998-01-01 *Reflections* Abdallah Nacereddine,2004-11-01 The author Abdallah Nacereddine gives you a view of his thoughts and emotions with his work a collection of introspective verse from a world traveler and author This collection of work was written throughout his life but still holds truth in the present The core meaning remains His work is compiled not only for those who read English but also for the enjoyment of those readers who read French or even Arabic It is the authors hope that each reflection finds the reader able to look into a slice of a moment in time Here is a unique book with a lifelong collection of work from a poet who has traveled the world and experienced various cultures people and places Written mostly in English the poet first started his work in French and then later in Arabic This enables the reader to reflect upon the Cosmopolitan Observers poetry in three separate languages English French and Arabic A rare look into the poets point of view on various topics revealing his way of life at different stages These reflections came unexpectedly from any time anywhere Each thought has its own story some event that consciously or unconsciously generated it Some of them are good for just the moment while others are timeless The poet explains I am not really a poet but rather these reflections were inspired just like that instantly without forcing myself or deciding in advance what to write Use this for your personal introspective or even as a teaching tool for the various languages But most of all ENJOY
