Drake,2021-04-13 The extra Calvinisticum the doctrine that the eternal Son maintains his existence beyond the flesh both during his earthly ministry and perpetually divided the Lutheran and Reformed traditions during the Reformation This book explores the emergence and development of the extra Calvinisticum in the Reformed tradition by tracing its first exposition from Ulrich Zwingli to early Reformed orthodoxy Rather than being an ancillary issue the questions surrounding the extra Calvinisticum were a determinative factor in the differentiation of Magisterial Protestantism into rival confessions Reformed theologians maintained this doctrine in order to

preserve the integrity of both Christ's divine and human natures as the mediator between God and humanity. This rationale remained consistent across this period with increasing elaboration and sophistication to meet the challenges leveled against the doctrine in Lutheran polemics. The study begins with Zwingli's early use of the extra Calvinisticum in the Eucharistic controversy with Martin Luther and especially as the alternative to Luther's doctrine of the ubiquity of Christ's human body. Over time Reformed theologians such as Peter Martyr Vermigli and Antoine de Chandieu articulated the extra Calvinisticum with increasing rigor by incorporating conciliar christology, the church fathers and scholastic methodology to address the polemical needs of engagement with Lutheranism. The *Flesh of the Word* illustrates the development of christological doctrine by Reformed theologians offering a coherent historical narrative of Reformed christology from its emergence into the period of confessionalization. The extra Calvinisticum was interconnected to broader concerns affecting concepts of the union of Christ's natures, the communication of attributes and the understanding of heaven.

Walking the Jerusalem Circuit Rodney Aist, 2025-07-03 Walking the Jerusalem Circuit revives a former Christian practice, the pre-Crusader pilgrim circuit of Jerusalem. Approximately four kilometers (2.5 miles) long, the Circuit connected the principal Christian sites in a logical walking order that could be done in less than a day. Bringing together the New Testament past and early medieval Jerusalem, Walking the Jerusalem Circuit offers an original discussion of the sources, before resourcing the walk with information on the sites, suggestions for engaging the stations, thoughts for reflection, scripture readings and excerpts from pilgrimage texts. With book in hand, walk in the footsteps of those who walked in the footsteps of Jesus, following the route that Christian pilgrims took through the Holy City centuries ago. Along with the places of Jesus and the early Church, pilgrims were interested in the Jerusalem of their day, seeking God's presence in the contemporary city. Walking the Jerusalem Circuit invites one to prayerfully observe the city today, its people and places, struggles and aspirations. The modern iteration of the Circuit offers a fresh, if ancient, way of engaging familiar places and well-known biblical events, providing a unique experience for reflecting upon Christian Jerusalem past and present.

Ascent into Heaven in Luke-Acts David W. Pao ,David K.
