The Gift Kirk Douglas, 2009-11-29 Patricia Dennison s life is a chain of melodramatic events on the disastrous scale of the Titanic Terrorists have executed her father on a passenger plane She has inherited a multibillion dollar empire that she doesn t want whose directors are plotting against her The philanthropic doctor to whom she is engaged turns out to be gay So she falls instead for a Portuguese bullfighter who has just killed the husband of his last unfaithful lover And so with grandiose implausibility the successive episodes crash one upon the next

*Positive Horses* Patti Dammier PhD, 2019-09-25 Horse training isn t a mystical procedure In fact there isn t mystery in the methods necessary to teach any skill To learn any skill there is a logical sequence that if adhered to allows a behavior to be taught and learned Creating a Positive Horse consists of using positive methods which in turn creates a positive attitude Positive Horses explains those positive methods necessary to create horses that perform on taught learned cues both on the ground and in the saddle that are systematically rewarded but also have an extremely positive attitude to their trainer companion The system uses the method Behavior Modification This book is about Explanation of basic educational methods using systematic sequences that support training horses Creating the goals and objectives for each individual horse rather than a one size fits all approach Training using

positive reinforcement how food rewards creates useable cues instead of the trainer performing meaningless behavior that the horse doesn't understand Horses learning basic cues come stand walk on and halt which provides safety on the ground and assists in the next work in the saddle Applying basic training to other equestrian disciplines Addressing training method failure because the trainer doesn't assess the correct behavior to reward and doesn't understand the methods Horse case studies exemplifying the use of behavioral methods

**Riding in Release** Kate Sandel, 2022-03-28 Riding in Release considers the

relationship between two significant traditions of riding and horse training The French Classical School and horsemanship born out of the Vaquero and Buckeroo lineage Both traditions are founded on the development of a partnership with a horse which enables lightness of foot and thought This book provides useful insights for riders of all levels whether you want to hack out in harmony or improve your half pass with clear practical step by step instructions and advice Topics covered include consideration of the similarities of the traditions and why this is useful for modern riders to understand how horses move think and feel and how this knowledge is useful to us foundational handling up to high school common themes the human side of the partnership how to make sense to our horse and be someone he wants to learn from and how to help our horse develop a greater ease of movement without the use of gadgets or force There are detailed explanations of straightness balance and dynamic posture along with step by step guidance on teaching the language of the aids tapping into your horse s amazing capacity to learn Finally the development of good feeling between you and your horse through logical application that respects a horse s emotional life as well as his physical body is covered     Horse Makeovers Patti Dammier

PhD,2014-08-27 Horses are beautiful creatures who respond favorably to humans because we have the ability to create a positive relationship with them But how do we create a positive learning environment that will obtain desirable behavior from horses In her guidebook a professional educator and Grand Prix dressage horse trainer shares step by step lessons and powerful tools of behavior modification that will help horse trainers and riders create successful horse performance Dr Patti Dammier relies on over twenty five years of experience in horse training and professional research and education to offer an innovative approach that uses scientific evidence to teach basic principles of behavior change Through her methods case studies and key points riders and horse trainers will learn how to Establish goals and objectives specifically tailored for each horse Create reasonable and achievable lessons Develop rider aids and cues that reward behavior Decrease undesirable behavior without unnecessary force Manage risk and ensure a safe learning environment Horse Makeovers is a guidebook for anyone eager to learn an educated approach to training horses that utilizes proven scientific research resources of learning theory and techniques of positive motivation to achieve results     Horses and the Mystical Path Adele Von Rust

McCormick,Thomas McCormick,2010-09-24 On a trip to Scotland the psychotherapist family team of Adele Deborah and Thomas McCormick pioneers in the psychotherapeutic use of horses discovered that early Celtic mysticism held important insights into an equestrian partnered spirituality The McCormicks show how to integrate this spirituality with psychology forming a new powerful form of healing Horses and the Mystical Path recounts their memorable journey and the lessons they learned from their amazing equine guides     **Deciphering Dressage** Karen L. Davis,2007-07-30 The definitive guide to dressage the art science and secrets of graceful horsemanship for riders who want to exude natural elegance in the saddle Dressage has been described as a beautiful ballet on horseback It embodies an innate grace a seemingly effortless flow and an easy harmony between horse and rider Dressage elevates riding from a sport to an art form One of the fastest growing

equestrian sports in America it appeals to competitive riders as well as those who simply want to improve their mounts and their skills Because the principles of dressage encompass the art and science of horsemanship and every aspect of the horse rider relationship dressage training enhances other equestrian disciplines The exercises and patterns help improve the horse s overall balance and athleticism and make the mount more responsive Ideal for beginning enthusiasts or people who simply want to appreciate the elegance and finesse of classical riding Deciphering Dressage unlocks the secrets of classical precision riding It covers Choosing and caring for a suitable dressage horse Buying tack and riding apparel Sitting the horse correctly and using aids or subtle signals to cue the horse Preparing for competitions Riding a dressage test Competition and scoring Recognized shows schooling shows ride a tests and eventing Complete with over fifty photographs and drawings as well as step by step explanations of exercises and maneuvers this guide helps riders master the basics of this exceptionally demanding and rewarding discipline

*Dressage in the Fourth Dimension* Sherry Ackerman,2010-09-07 Dressage is often seen as the most formal and controlled of the equine sports following an ancient standardized training progression For philosopher and dressage instructor Dr Sherry Ackerman dressage is much more It along with riding in general can be a transformational art and an avenue for reflection exploration and self knowledge through which a rider can experience liberation from the individual egoistic self This second revised edition of *Dressage in the Fourth Dimension* is a pioneer work in awakening dressage consciousness Drawing on such diverse sources as sacred geometry ancient Western and Eastern philosophies and esoteric spirituality Ackerman seeks to heal humanity s alienation from nature through riding She points us toward the liberation from societal conditioning and normative thinking and ultimately from our own egos Her concept of the fourth dimension requires us to leave the analytic objective mind behind and enter into the mystery of inspiration A short unique thought provoking work that has enjoyed a word of mouth reputation among horse people for years *Dressage in the Fourth Dimension* will challenge riders assumptions about their horses and themselves

*Zen Mind, Zen Horse* Allan J. Hamilton,2011-09-10 Eastern philosophy enters the stables in this unique guide to horsemanship Allan Hamilton describes how horses understand and respond to the flow of vital energy around them They use this energy called chi to communicate with their herd express dominance and sense predators Hamilton shares safe simple techniques to make you more receptive to your animal s chi so you can develop a calm and effective training style that will not only help your horse follow commands but strengthen the spiritual bond between horse and rider
