Description

An esteemed activist invites us to consider the complex idea of abolition as much more than a strategy or a set of tactics—at a deeper level, abolition is an entire political framework, culture, and orientation

Blending history and political theory and weaving in examples from literature, social movements, and his personal life, this book is a useful resource and primer for those interested in fighting for social justice. Guided

Reflections On Liberation Essays On Spirituality And Freedom

Emilie Ashurst Venturi

Reflections On Liberation Essays On Spirituality And Freedom:

Reflections on Liberation Daryl Russell Grigsby, 1985 **Spirituality** Kees Waaijman, 2002 This textbook is a systematic guide to the extensive field of spirituality Kees Waaijman charts the multiform phenomenon of spirituality the spirituality of ordinary people the great spiritual traditions and the force of counter movements From the foundation of this survey he answers questions like What exactly is spirituality What forms can a scholarly approach take Finally the book provides methodic access to the study of spirituality focusing on the following questions Which are the different forms of spirituality and how can we describe them How can spiritual texts be given a reliable reading Which themes can be distinguished in the field of spirituality and what would be a meaningful way to address them What do we mean by spiritual guidance and what can we learn from it This textbook has no equal It is indispensable to scholars wishing to study the subject but also to others who want to learn about spirituality **The Making of American Liberal Theology** Gary J. Dorrien, 2006-01-01 In this first of three volumes Dorrien identifies the indigenous roots of American liberal theology and demonstrates a wider longer running tradition than has been thought The tradition took shape in the nineteenth century motivated by a desire to map a modernist third way between orthodoxy and rationalistic deism atheism It is defined by its openness to modern intellectual inquiry its commitment to the authority of individual reason and experience its conception of Christianity as an ethical way of life and its commitment to make Christianity credible and socially relevant to modern people Dorrien takes a narrative approach and provides a biographical reading of important religious thinkers of the time including William E Channing Ralph Waldo Emerson Horace Bushnell Henry Ward Beecher Elizabeth Cady Stanton and Charles Briggs Dorrien notes that although liberal theology moved into elite academic institutions its conceptual foundations were laid in the pulpit rather than the classroom Joseph Mazzini. A memoir by E.A.V. With two essays by Mazzini: Thoughts on democracy, and The duties of man Emilie Ashurst Venturi, 1885 **The Interface of Science, Theology, and Religion** Dennis Ngien, 2019-03-07 In celebration of Alister E McGrath's sixty fifth birthday in 2018 this Festschrift aims to highlight him as a lauded scholar who exemplifies an interface of science theology and religion It comprises works by McGrath's theological allies and colleagues from diverse ecclesial homes including Graham Ward Oliver Crisp Tony Lane Sung Wook Chung Randall Zachman Veli Matti Kärkkäinen Jonathan Wilson Jeffrey P Greenman Robert Kolb Sister Benedicta Ward Michael Lloyd Bethany Sollereder and Patrick Franklin Critical but appreciative is the posture with which these contributors engage the wide range of McGrath's own scholarly pursuits and publications This volume edited by Dennis Ngien covers these themes that are central to the life and witness of the church atonement Christology Trinity eschatology mission Reformation science nature culture evangelism and theodicy there is much to ponder and reap here Readers will join with the contributors and pay tribute to McGrath who has risen to a life of significance as a scientist turned theologian professor author Christian apologist and churchman Melodies of a New Monasticism Craig Gardiner, 2018-03-09 The New Monastic

Movement is a vibrant source of renewal for the church's life and mission. Many involved in this movement have quoted Dietrich Bonhoeffer's conviction that the church must recover ancient spiritual disciplines if it is to effectively engage the powers that be. *Melodies of a New Monasticism* adopts a musical metaphor of polyphony, the combination of two or more lines of music, to articulate the way that these early Christian virtues can be woven together in community. Creatively using this imagery, this book draws on the theological vision of Bonhoeffer and the contemporary witness of George MacLeod and the Iona Community to explore the interplay between discipleship, doctrine, and ethics. A recurring theme is the idea of Christ as the *cantus firmus*, the fixed song around which people perform the diverse harmonies of God in church and world, including worship, ecumenism, healing, peace, justice, and ecology.

Reflection Michael Zilbering, 2011-03-14 The book *Reflection* contains a short memoir about the forceful containment of a young Jewish boy in Nazi concentration camps from during the Second World War. He is one of millions who went through the burning hell of concentration camps where, for the first time, he really met up with human grief, put down cruelty, and fought for survival every day, hour, and minute of life. The lesson of Holocaust about the nature of human evil, the need for vigilance, and the importance of individual responsibility are needed now more than ever. We live in dangerous times when echoes of our past resonate everywhere. We are again in the world of war in a world where madmen threaten America and Jews. The latter part of the book is a collection of published articles of contemporary political, economical, and social outlook. These writings are relevant in the present just like they were in the past.

Emancipation Still Comin' Kortright Davis, 2008-04-01 The Caribbean, awash with sun and water, is a meeting place of many races, religions, and cultures. There, North and South, Latin and Anglo, native Carib, African, black, French, and English, white races and cultures meet. In a religious melting pot, Protestant and Catholic, Christian, Afro-Caribbean, Hindu, and secularist faiths intertwine, cross-pollinate, and go their ways, separate yet together in the divine milieu. Such a place has a rich and revealing story to tell of history, nature, and humanity, of the understanding of freedom, of the meaning and scope of theology itself. The key in Caribbean society, with its experiences of slavery, colonialism, neocolonialism, and structural dependence, is emancipation, the pursuit, proclamation, and practice of human freedom. Emancipation is the key to Caribbean theology as well. This is the focal point of Kortright Davis's work. He introduces the complex tapestry of this unique society, its social and cultural pluralism, its particular strengths and weaknesses, poverty, dependence, alienation, and divisiveness. Davis explores many aspects of Caribbean religion and spirituality, especially the complexities of carnival and its uniquely African soul. He notes too a theological dependency and posits again a unique Caribbean emancipatory theology to establish a theological self-reliance. In emancipatory theology, as in Latin American liberation theology, the source for praxis and reflection is faith linked to historical experience. And the Caribbean experience of continual struggle for identity distinguishes and yet unites Caribbean Christians with Christians everywhere.

Summer Sermons, Winter Thoughts Peter C. Hodgson, 2018-05-31 The summer sermons have been delivered in the Presbyterian Church of Eagles Mere, Pennsylvania, over

a period of fifteen years When someone first arrives in Eagles Mere for the summer people ask how their winter has been winter meaning the whole time that has elapsed since the previous summer In the author s case winter means Nashville Tennessee where he has lived since 1965 when he joined the faculty of Vanderbilt Divinity School retiring after thirty eight years Winter Thoughts consists of autobiographical reflections on three topics lives theologies and politics The lives are those of Peter and Eva Hodgson The longest section Theologies describes the various influences and directions the author s work has taken in systematic and historical theology Politics reflects on the decline of the liberal democratic consensus The whole is loosely held together by an underlying question How is God efficaciously present in history without violating the fabric of history Changing Views of the Human Condition Paul W. Pruyser,1987 **My Country, 'tis of Thee** Rudolph M.

Unger,2005 A compilation of a monthly newsletter in defense of the principles and institutions which had madethe United States of America the greatest nation on earth **The Puritan Smile** Robert Cummings Neville,1987-09-30 This book develops a contemporary metaphysics of morals Currently the liberal tradition defines the field of moral and political theory It contains the popular utilitarian the deontological and the virtue ethics approaches to normative theory and by a broad dialectical negation it also defines the historical materialism of Marx The Puritan Smile circumvents the Liberalism Marxism dialectic with the Puritan emphasis on responsibility and their social definition of individuality To this core of classical puritanism is added the deeply rooted sense of culture and the vast historical experience of Confucianism with which it resonates strongly The need for tolerance and the celebration of liberty is asserted by Neville in order to offset the tendencies toward dogmatism and totalitarianism inherent within the Puritan and Confucian views The book integrates a Puritan sense of participation with a Confucian sense of moral obligation and a liberal appreciation of freedom and tolerance

Feminist Interpretations of Martin Heidegger Nancy J. Holland,Patricia Huntington,2010-11-01 The 14 essays included in this collection illustrate the ways in which feminist readings can deepen understanding of Heidegger s philosophy They illuminate both the richness and the limitations of the resources Heidegger s work can provide for feminist thought

Subject Guide to Books in Print ,1996 Hope, Form, and Future in the Work of James Joyce David P. Rando,2021-11-18 Hope and future are not the terms with which James Joyce has usually been read but this book paints a picture of Joyce s fiction in which hope and future assume the primary colours Rando explores how Joyce s texts as early as Dubliners and A Portrait of the Artist as a Young Man delineate a complex hope that is oriented toward the future with restlessness dissatisfaction and invention He examines how Joyce envisions alternatives to the prevailing conventions of hope throughout his works and in Ulysses and Finnegans Wake develops formal techniques of spatializing hope to contemplate it from all sides Casting fresh light on the ways in which hope animates key aspects of Joyce s approach to literary content and form Rando moves beyond the limitations of negative critique and literary historicism to present a Joyce who thinks agilely about the future politics and possibility *Ralph Ellison and the Raft of Hope* Lucas E. Morel,2014-07-11 An important new collection

of original essays that examine how Ellison's landmark novel *Invisible Man* 1952 addresses the social cultural political economic and racial contradictions of America. Commenting on the significance of Mark Twain's writings, Ralph Ellison wrote that a novel could be fashioned as a raft of hope, perception and entertainment that might help keep us afloat as we tried to negotiate the snags and whirlpools that mark our nation's vacillating course toward and away from the democratic ideal. Ellison believed it was the contradiction between America's noble ideals and the actualities of our conduct that inspired the most profound literature the American novel at its best. Drawing from the fields of literature, politics, law and history, the contributors make visible the political and ethical terms of *Invisible Man* while also illuminating Ellison's understanding of democracy and art. Ellison hoped that his novel, by providing a tragicomic look at American ideals and mores, would make better citizens of his readers. The contributors also explain Ellison's distinctive views on the political tasks and responsibilities of the novelist, an especially relevant topic as contemporary writers continue to confront the American incongruity between democratic faith and practice. Ralph Ellison and the Raft of Hope uniquely demonstrates why *Invisible Man* stands as a premier literary meditation on American democracy. *Sheikh Mujibur Rahman's Thoughts and Visions* Md Rafiqul Islam, 2025-05-11. Sheikh Mujibur Rahman's *Thoughts and Visions* Emancipation, Peace and Development provides a compelling and nuanced analysis of Sheikh Mujibur Rahman's life, philosophy and contributions, intertwining them with the frameworks of Political Science and Peace Studies. As the architect of Bangladesh, Mujib's qualities and ideals resonate with those of other legendary figures like Mahatma Gandhi, Martin Luther King Jr and Nelson Mandela. This book reveals how his vision for peace, emancipation and development is integral to understanding his unwavering commitment to the freedom of the Bengali people. Through ten meticulously organized chapters, the narrative explores Mujib's journey, highlighting his pivotal roles in political emancipation, economic empowerment and the pursuit of social justice. The text delves into his nation-building efforts, detailing his ambition to transform Bangladesh into a Sonar Bangla, Golden Bengal, and his dedication to fostering regional peace in South Asia. Furthermore, it examines Mujib's evolution into a global leader who advocated for peace and justice on the world stage, emphasizing his lasting impact beyond national borders. *Dietrich Bonhoeffer* Dietrich Bonhoeffer, 1991-01-01. Bonhoeffer's theological brilliance, committed discipleship, ecumenical insight and courageous participation in the struggle against Nazism have profoundly shaped contemporary Christian understanding and action. Although his early death at the hands of the Gestapo prevented him from providing us with a full and systematic theology, his writings are remarkably extensive and have become increasingly influential. This volume concentrates on the key texts and ideas in Bonhoeffer's thought. It presents the essential Bonhoeffer for students and the general reader. John de Gruchy's introductory essay and notes on the selected texts set Bonhoeffer in his historical context, chart the development of his thought and indicate the significance of his theology in the development of Christian theology as a whole. Substantial selections from Bonhoeffer's work illustrate key themes: His theological foundations, Christology and reality, Confessing Christ

concretely The life of free responsibility Christ in a world come of age *Creation and Salvation* E. M. Conradie, 2012
Christians trying to save the planet have to relate creation with salvation This volume explores the ways in which this task is
approached by a wide range of recent theological movements **Poetic Feel of an Urban Warrior** Ron "Angola"
Brady, 2011-07-05 At the heart of this book lies a creative yet bold and inspiring manifesto of poetry essays and spoken words
conceptualized with the purpose of educating and motivating people of the Black Afrikan collective to find their place in our
struggle and to take part in it Concisely placed within three chapters entitled 2 Black 2 Strong Payin Proper Respects and
Man Up Time the author seizes to make his voice heard and presence felt on the dynamics of our struggle and the lack of
voices and pro active presence that inevitably seems to make our struggle one of capitulation Written as a combustible result
of dissatisfaction pride love and self identity with a dire concern that refuses to be extinguished this book must be read with
the objective of harboring the heat of social truth until it s your the readers turn to regurgitate what you poetically feel you
must say
