João Scognamiglio Clá Dias, EP, 2013-01-01 New Insights on the Gospels Volume is part of a collection that enables you to accompany Our Lord Jesus Christ throughout every Sunday of the liturgical year together with the founder of the Heralds of the Gospel Dr Scott Hahn Fr Scanlan Chair of Biblical Theology and New Evangelization at the Franciscan University of Steubenville OH comments What a remarkable movement is the Heralds I spent my time this afternoon at JFK airport and my flight back to Pittsburgh reading New Insights with great profit and excitement I am so impressed by Msgr Scognamiglio's profound insight into Scripture as well as the spiritual wisdom that he communicates so clearly The work New Insights on the Gospels beyond being exegetical and pastoral has the merit of making theology accessible to all readers regardless of social status or academic level To soar in the heights of Theology what is needed more than culture or intelligence is faith Faith enables us to penetrate truths and mysteries that lie beyond the reach of human understanding When it comes to believing higher learning or intellectual capacity is not of consequence what truly matters is having a soul that is open to God's light It is only in the Catholic Faith that today's world will find answers to the problems that perturb it Perhaps this explains the growing interest among the faithful in deepening their knowledge of Catholic Doctrine Could this be the reason for the successful publication of the first volumes of this collection Published in four languages English Spanish Italian and Portuguese its first edition quickly ran out achieving a circulation of almost seventy thousand copies Saving precious teachings of the Fathers and Doctors of the Church from falling into oblivion it is a response to the worthy and emphatic recommendation of the Second Vatican Council of giving primacy to Thomism cf Optatum totius n 16 in the study of the mysteries of salvation The work has met wide acceptance among priests for whom it is mainly intended to serve as a resource in homily preparation But it has met an equally warm reception among the lay faithful who are eager to broaden their religious knowledge This may be a unique symptom of the spiritual condition of our age the thirst for the divine It is a thirst that increases as it is quenched causing neither distress nor pain but only joy for those who seek to satisfy it in the crystalline springs of the Word of God

(st),1884 *Christianity and Suffering* Rodney L. Reed,2017-12-14 We often hear these days that the centre of Christianity is moving toward the Global South and Africa is a key player in that movement This makes the study of African Christianity and African realities important even more so when it is being done by Africans themselves in their own context The Africa Society of Evangelical Theology ASET was created to encourage research and sustained theological reflection on key issues facing Africa by and for African Christians and those working within African contexts The volumes in the ASET series constitute the best papers presented at the annual conferences of ASET and together they seek to fill this important gap in the literature of Christianity Africa is all too familiar with suffering Yet there is a dearth of sustained theological reflection on suffering by Africans or for Africans Christianity and Suffering African Perspectives addresses this need and is the fruit of the 5th Annual Conference of the Africa Society of Evangelical Theology The contributions address age old issues like why God does not prevent or relieve human suffering they wrestle with causes of suffering including witchcraft poverty curses and war and they also explore appropriate Christian responses to suffering all from within the African context The Africa Society of Evangelical Theology ASET is a professional society founded in 2009 for the purpose of fostering evangelical theological scholarship and to facilitate collegial relationships among scholars and practitioners of the Christian religion in Africa Its core values are 1 Faithfulness to the Bible 2 Professional ethics 3 Creative and critical thinking 4 Christ like humility 5 Community of scholars encouraging respecting and learning from one another and 6 Development and inspiration of young scholars To learn more about ASET please visit its Facebook page facebook com AfricaSocietyOfEvangelicalTheology

Matthew Henry's Commentary on the Whole Bible: Volume II-I - First Kings to Esther Matthew Henry, Judges Abraham Kuruvilla MD,2017-06-05 *Judges A Theological Commentary for Preachers* engages hermeneutics for preaching employing theological exegesis that enables the preacher to utilize all the units of the letter to craft effective sermons This commentary unpacks the crucial link between Scripture and application the theology of each preaching text i e what the author is doing with what he is saying *Judges* is divided into fourteen preaching units and the theological focus of each is delineated The overall theological trajectory or theme of the book deals with the failure of leadership in the community of

God's people Since God's people are all called to be leaders in some arena to some degree in some fashion the lessons of Judges are applicable to all Christians The specific theological thrust of each unit is captured in this commentary making possible a sequential homiletical movement through each pericope of Judges While the primary goal of the commentary is to take the preacher from text to theology it also provides two sermon outlines for each of the twelve preaching units of Judges The unique approach of this work results in a theology for preaching commentary that promises to be useful for anyone teaching through Judges with an emphasis on application *Ellicott's Commentary on the Whole Bible Volume II* Charles J.
