Women and Christian Mission Frances Adeney,2015-11-04 What are Christian women thinking about mission How do they do mission What informs their knowledge and action as they address issues in a complex world where religious proselytizing has become suspect This empirical study explores those questions finding congruence among women from diverse backgrounds and cultural contexts Women in mission face common identity issues utilize art and beauty in their work and develop character as they overcome obstacles in their cultural and denominational settings Through nearly

one hundred interviews of women in Europe Asia Brazil and the United States a study of women s theologies of mission lectures and countless conversations with women around the globe this study finds common themes among contemporary women doing Christian mission This book fills a lacuna in mission studies that professors pastors and church women and men will find informative and refreshing Methodological Reflections on Women's Contribution and Influence in the History of Philosophy Sigridur Thorgeirsdottir,Ruth Edith Hagengruber,2020-07-11 This book introduces methodological concepts aimed at including women in the canon of the history of philosophy The history of women philosophers is as long and strong as the history of philosophy and this holds true not only for the European tradition as the research of women philosophers of the past shows The phenomenon of ignoring and excluding women in 19th and 20th century views on the history of philosophy was a result of the patriarchal tradition that ostracized women in general In this book leading feminist philosophers discuss methodologies for including women thinkers in the canon and curricula of philosophy How does the recovery of women thinkers and their philosophies change our view of the past and how does a different view of the past affect us in the present Studying a richer and more pluralistic history of philosophy presents us with worlds we have never entered and have never been able to approach This book will appeal to philosophers and intellectual historians wanting to view the history of philosophy in a new light and who are in favor of an inclusive perspective on that history Wide Open Spaces Carol Henderson,2011-07-16 How does God call us The answers are as different as we are Sometimes God summons us through the Church and sometimes in spite of the Church In the depths of loss and confusion God speaks to us beckoning us to follow an unexplored path While we are heading in one direction God surprises us with an undeniable invitation to go another way Wide Open Spaces includes essays by women who have experienced and responded to God s call in all of these ways The ministers and Christian educators whose stories fill this book testify to God s grace in the midst of their lives as single people in family centered contexts as women whose callings also include parenthood and marriage and as those who the Church refuses to fully accept Discrimination harassment and homophobia pierce the narratives in this book Yet this is not a book about defeat **A Christian Guide for Reflection and Discussion** Corbin M. Wright,2013-02-08 His book helps readers reflect upon and discuss questions on Evangelism Suffering in General Economic Suffering Political Suffering Christian Unity Women s Role in Church and Society Marriage and Divorce Homosexuality Abortion Christianity and Other religions and Death and the After Life There are over 200 questions contained therein that are all the questions Christians should need to cover all of life s concerns **Reflections** Aleksandar Birvis,2019-11-14 A series of political crises led to the break up of a country Despite the ravages of civil war God did not cease to act One testimony to this can be found in this book of sermons each of them the product of authentic experience These spiritual experiences stood in contrast to the failures of the system People were abandoning God but God had not abandoned them The book contains a selection of moving messages such as The Lord s Prayer during the civil war In the school of blessing Pardon and witnessing about
