Prescription or Poison? Amitava Dasgupta, 2011-02-15 From echinacea to ayurvedics this book explains how toxic these remedies are alone or in combination with other widely prescribed drug treatments For example one should avoid most herbal remedies when pregnant because of pesticides and preservatives required in growth and storage of the herbs a widely used herbal antidepressant called kava does damage to the liver most ayurvedic medicines contain unacceptable levels of lead and other heavy metals St John s Wort is not recommended if you are taking a medication for any chronic medical condition Dr Dasgupta explains in simple engaging prose what drug interactions are and why they are dangerous Most educated people see herbal remedies as natural and therefore safe Dr Dasgupta tells us that one of his first pharmacology

professors taught him that medicine is just another word for poison and should be treated with the same respect He will present a balanced account of efficacy and safety of herbal medicines with discussion on potentially unsafe and toxic remedies This book will be written in layman s language for the consumer health market but will be based on solid medical research and published reports in the medical literature      *The Truth About Pain Relief Options During Labour* , The Ultimate Guide to a Smooth Labour and Birth Prepare for one of life s most extraordinary journeys with confidence and knowledge The Ultimate Guide to a Smooth Labour and Birth is your comprehensive resource to understand prepare for and navigate the complexities of childbirth Whether you re a first time parent or looking to enhance your birthing experience this guide equips you with expert insights practical tips and empowering advice Description Welcoming a new life into the world is an incredible experience and proper preparation is the key to a smooth journey The Ultimate Guide to a Smooth Labour and Birth offers expectant parents an invaluable roadmap to navigate the intricacies of childbirth This book empowers you with the insights you need ensuring you approach labor and birth with confidence and grace Explore the various stages of labor from the early contractions to the magical moment when you hold your baby for the first time Gain a deep understanding of the physical and emotional aspects of labor allowing you to embark on this transformative journey fully prepared Discover a wide range of pain management techniques including natural methods like breathing exercises and relaxation techniques as well as medical options such as epidurals Learn how to create a personalized birth plan that aligns with your values and preferences ensuring your voice is heard throughout the process The Ultimate Guide to a Smooth Labour and Birth also explores the crucial role of support during labor Understand the significance of partner support discover the benefits of having a doula by your side and learn how healthcare providers contribute to ensuring a positive birth experience Prepare for potential challenges and emergencies with knowledge and composure Gain insights into managing stalled labor coping with back labor and handling various labor complications This knowledge can make all the difference during a critical moment Postpartum care is equally important and this guide covers aspects of physical recovery emotional well being bonding with your baby and breastfeeding support Transition into your role as a new parent with confidence armed with the knowledge and resources to navigate the joys and challenges that lie ahead The Ultimate Guide to a Smooth Labour and Birth is your trusted companion throughout this incredible journey Whether you re planning a home birth a hospital birth or exploring other options this book provides you with the tools and insights needed to make informed decisions and embrace the experience with grace and empowerment Ensure that your labor and birth experience is a positive and transformative one with this comprehensive guide Let it be your source of empowerment knowledge and inspiration as you prepare to welcome your precious new addition into the world Table of Contents Introduction The Truth About Pain Relief Options During Labour EPIDURAL ANALGESIA NATURAL PAIN RELIEF TECHNIQUES HYPNOBIRTHING ACUPUNCTURE AROMATHERAPY NITROUS OXIDE TENS MACHINE OPIOID ANALGESICS PETHIDINE REMIFENTANIL
