Reform And Regulation In Long Term Care:

Reform and Regulation in Long-term Care Valerie LaPorte, Jeffrey Rubin, 1979 **Long-Term Care Reforms in OECD Countries** Cristiano Gori, Jose-Luis Fernandez, Raphael Wittenberg, 2016-06-01 Since the early 1990s long term care policies have undergone significant transformations across OECD countries In some countries these changes have responded to the introduction of major policy reforms while in others significant transformations have come about through the accumulation of incremental policy changes The book brings together evidence from over 15 years of care reform to examine changes in long term care systems occurring in OECD countries It discusses and compares key changes in national policies and examines the main successes and failures of recent reforms Finally it suggests possible policy strategies for the future in the sector With contributions from a wide range of experts across OECD countries this book is essential reading for academics researchers and policy makers in the field of long term care policy **Medicare Regulatory and Contracting Reform** United States. Congress. House. Committee on Ways and Means. Subcommittee on Health, 2003 **Federal Implementation of OBRA 1987 Nursing Home Reform Provisions** United States. Congress. Senate. Special Committee on Aging, 1990 **Long-term Care in Health Care Reform** United States. Congress. Senate. Committee on Labor and Human Resources. Subcommittee on Aging, 1994 **Effective Management of Long Term Care Facilities** Douglas Singh, 2010-02-18 Effective Management of Long Term Care Facilities explores the complex operations of the long term care facility and offers critical skills to current and future nursing home administrators for delivering quality cost effective services The Second Edition has been thoroughly revised and reorganized to offer a more cohesive presentation of the material New chapters that have been added cover the long term care industry long term care policy and supportive case studies that incorporate management and patient care issues **Implementing Culture Change in Long-Term Care** Elaine Jurkowski, 2013-05-28 As one who is involved in the culture change movement and is trying to review the huge volume of available resources I find it refreshing to have a book that draws it all together I highly recommend this book to administrators who are overwhelmed at the thought of implementing change in their environment The author has done an excellent job of making it seem quite possible to make culture change a reality Doody's Medical Reviews The publication of Implementing Culture Change in Long Term Care marks the beginning of a new era in the aging services profession This book is the Rosetta Stone of the culture change movement Dr Jurkowski's skillful blend of theory research and practice addresses the movement's most urgent needs and makes the work of culture change advocates accessible to a broader and more influential audience This book is the future in paper and ink From the Foreword by Bill Thomas MD Founder of the Eden Alternative and the Green House Project This text offers a strategic approach for promoting an active culture of change in long term care facilities for older adults and people with disabilities It discusses the philosophical framework for the delivery of care in these settings and addresses the changing landscape of our long term care population With the aim of

transforming these facilities from institutional settings to person centered homelike environments the book offers administrators and practitioners numerous strategies and benchmarks for culture change and addresses tools and resources to support the culture change process The text describes how these benchmarks have been met and provides ways to address not just knowledge but also attitudes and behavior important components of a culture change strategy The book compares and contrasts current long term care paradigms the medical model the rehabilitation paradigm the independence and dignity model and strength based approaches in order to see how they facilitate or impede culture change It provides best practice examples of benchmarks to be attained along with strategies to promote this process These benchmarks and strategies are based upon the Artifacts for Culture Change Assessment Tool developed by the Centers for Medicare and Medicaid The text describes ways to build a blueprint and strategic processes for integrating these benchmarks into a long term care setting addressing the entire process from assessment through evaluation It also provides tools enabling readers to learn from their own process via a feedback loop and includes strategies to facilitate partnerships with family staff and community Key Features Elucidates benchmarks that can be implemented in long term care settings using the Centers for Medicare Medicaid s Long Term Care Artifacts assessment tool as an intervention Focuses on care practices the environment the inclusion and integration of family and community leadership benchmarks and workplace practices Includes robust examples of best practices within each of the main artifact arenas Incorporates tools and strategies for assessing the philosophical paradigm of a long term facility that can help or hinder the culture change process Provides discussion and reflection questions and websites for additional resources

to understand Overall the book is well organized with chapters that can stand on their own Readers considering going into long term care management or administration would find this book a valuable tool Doody s Medical Reviews This is a comprehensive reference for long term care administrators practitioners and students who want to understand the options issues and trends related to the effective administration and management of long term care communities The book is unique in its in depth focus on what needs to be accomplished and the evidence based information about what actually works Multifaceted insights address the ever changing world of the long term care industry and offer best practices and model programs in eldercare This multidisciplinary book covers the most crucial aspects of management including federal and or state regulations required to provide long term care services and operate long term care communities It offers advice on care at home naturally occurring retirement communities and continuing care retirement communities client care staff retention preventing elder abuse and neglect anticipating and managing litigation and arbitration in long term care aging and human diversity Alzheimer s Disease palliative care care transitions and much more Distilling many years of practical research and teaching experience the authors provide the necessary tools and tips that will enable professionals to maximize the quality of care and the quality of life for older adults living in long term care communities Each chapter includes helpful pedagogical features such as learning objectives case studies effective practices and or model programs in eldercare Key Features Based on federal and or state regulations required to provide long term care services and operate long term care communities Examines the complex operations of long term care options for effective eldercare Highlights the most cost effective practices and model programs in long term care communities that are currently used throughout the United States Provides useful tips about client care and staff retention as well as marketing and census development financing and reimbursement and legal issues Promotes innovative collaboration between education research and practice that is reflected by the training of the editors and contributing authors Monthly Catalog of United States Government Publications United States. Superintendent of Documents,1995 February issue includes Appendix entitled Directory of United States Government periodicals and subscription publications September issue includes List of depository libraries June and December issues include semiannual index *Reforms in Long-Term Care Policies in Europe* Costanzo Ranci,Emmanuele Pavolini,2012-11-08 Over the last two decades many changes have happened to the social welfare policies of various industrial countries Citizens have seen their pensions unemployment benefits and general healthcare policies shrink as belt tightening measures are enforced But in contrast long term care has seen a general growth in public financing an expansion of beneficiaries and more generally an attempt to define larger social responsibilities and related social rights The aim of this book is to describe and interpret the changes introduced in long term care policies in Western Europe The volume argues that recent reforms have brought about an increasing convergence in LTC policies Most of the new programs have developed a new general approach to long term care based on a better integration of social care and health care The book explores increasing public support

given to family care work in the past the family would take care of the elderly or infirm and increasing growth and recognition of a extended social care market by which care has shifted from a moral obligation based on family reciprocity to a paid professional activity A new social care arrangement has therefore been developing in Western countries based on a new mix of family obligations market provision and public support In order to understand such changes this analysis will take into account the social and economical impact of these reforms
