Reform And Revolution The Life And Times Of Raymond Robins

Neil V. Salzman

Reform And Revolution The Life And Times Of Raymond Robins:

Reform and Revolution Neil V. Salzman, 1991 The author made use of recently available collections of personal letters and documents of Progressive reformer Raymond Robins in the papers of his sister Elizabeth Robins at the Fales Library of New York University to develop this complete analysis of Robins and his work The Lockhart Plot Jonathan Schneer, 2020 This is the extraordinary story of the British plot in the summer of 1918 to overthrow the Bolshevik government in Russia murder the Bolshevik leaders and install a new government in Moscow that would re open the war against the Germans on the Eastern Front Reds Ted Morgan, 2020-04-14 In this landmark work Pulitzer Prize winning author Ted Morgan examines the McCarthyite strain in American politics from its origins in the period that followed the Bolshevik Revolution to the present Morgan argues that Senator Joseph McCarthy did not emerge in a vacuum he was rather the most prominent in a long line of men who exploited the issue of Communism for political advantage In 1918 America invaded Russia in an attempt at regime change Meanwhile on the home front the first of many congressional investigations of Communism was conducted Anarchist bombs exploded from coast to coast leading to the political repression of the Red Scare Soviet subversion and espionage in the United States began in 1920 under the cover of a trade mission Franklin Delano Roosevelt granted the Soviets diplomatic recognition in 1933 which gave them an opportunity to expand their spy networks by using their embassy and consulates as espionage hubs Simultaneously the American Communist Party provided a recruitment pool for homegrown spies Martin Dies Jr the first congressman to make his name as a Red hunter developed solid information on Communist subversion through his Un American Activities Committee However its hearings were marred by partisan attacks on the New Deal presaging McCarthy The most pervasive period of Soviet espionage came during World War II when Russia as an ally of the United States received military equipment financed under the policy of lend lease It was then that highly placed spies operated inside the U S government and in America s nuclear facilities Thanks to the Venona transcripts of KGB cable traffic we now have a detailed account of wartime Soviet espionage down to the marital problems of Soviet spies and the KGB s abject efforts to capture deserting Soviet seamen on American soil During the Truman years Soviet espionage was in disarray following the defections of Elizabeth Bentley and Igor Gouzenko The American Communist Party was much diminished by a number of measures including its expulsion from the labor unions the prosecution of its leaders under the Smith Act and the weeding out under Truman s loyalty program of subversives in government As Morgan persuasively establishes by the time McCarthy exploited the Red issue in 1950 the battle against Communists had been all but won by the Truman administration In this bold narrative history Ted Morgan analyzes the paradoxical culture of fear that seized a nation at the height of its power Using Joseph McCarthy s previously unavailable private papers and recently released transcripts of closed hearings of McCarthy s investigations subcommittee Morgan provides many new insights into the notorious Red hunter s methods and motives Full of drama and intrigue finely etched portraits and political revelations *Reds* brings to life a

critical period in American history that has profound relevance to our own time Red Pepper and Gorgeous George James C. Clark, 2011-10-09 For nearly a century in Florida and throughout the South election to the United States Senate virtually guaranteed a lifetime position especially if you were a Democrat Certainly no Republican candidate stood a chance in the general election and it was nearly unthinkable to imagine a serious challenger emerging in the primary Claude Red Pepper first ran for the U S Senate in 1934 Though unsuccessful despite allegations of voter fraud he won a special election two years later after both senators from Florida died in office Reelected to full terms in 1938 and 1944 as a vigorous supporter of the New Deal he had every reason to suspect the seat was his indefinitely or at least until he decided it was time to seek higher office Pepper saw himself as the national heir to Roosevelt s foreign policy he encouraged cooperation with the Soviet Union our World War II ally and actively worked to defeat Truman s presidential nomination in 1948 After nearly fourteen years in office Pepper had earned the enmity of the president alienated most of his colleagues in the senate and aligned himself with the ultra left wing politics of Henry Wallace Still in the entire history of the state no sitting Florida Senator had ever been voted out of office However the political world was changing and it was the right leaning Gorgeous George Smathers not Pepper who recognized and took advantage of this fact Smathers fought a vicious bare knuckled campaign employing ferocious and divisive attacks against Pepper He helped make liberal anathema to aspiring southern politics and was the first of a new breed of conservative politicians though not yet Republican to rise to power Eventually the era would be named for a junior senator from Wisconsin but it was Smathers who first successfully employed the strategies of McCarthyism to unseat an incumbent He was so successful in fact that before the general election Smathers had to reassure President Truman and other potential supporters that his loyalties did in fact lie with the Democratic Party His resounding victory inspired others including Richard Nixon and Barry Goldwater to adopt similar tactics in their senatorial campaigns It also helped set the stage for the complete reversal of the political power structure that had ruled the South since the end of Reconstruction Red Pepper and Gorgeous George is a fascinating look at the campaign that changed everything in Florida and the South It is also a shocking sobering reminder that despite introducing the phrase hanging chad to the national lexicon the 2000 presidential election was merely the second most important national election to take place in the state

Celibacies Benjamin Kahan, 2013-11-25 In this innovative study Benjamin Kahan traces the elusive history of modern celibacy Arguing that celibacy is a distinct sexuality with its own practices and pleasures Kahan shows it to be much more than the renunciation of sex or a cover for homosexuality Celibacies focuses on a diverse group of authors social activists and artists spanning from the suffragettes to Henry James and from the Harlem Renaissance s Father Divine to Andy Warhol This array of figures reveals the many varieties of celibacy that have until now escaped scholars of literary modernism and sexuality Ultimately this book wrests the discussion of celibacy and sexual restraint away from social and religious conservatism resituating celibacy within a history of political protest and artistic experimentation Celibacies offers an

entirely new perspective on this little understood sexual identity and initiates a profound reconsideration of the nature and constitution of sexuality

America's Secret War against Bolshevism David S. Foglesong, 2014-02-01 From the Russian revolutions of 1917 to the end of the Civil War in 1920 Woodrow Wilson's administration sought to oppose the Bolsheviks in a variety of covert ways Drawing on previously unavailable American and Russian archival material David Foglesong chronicles both sides of this secret war and reveals a new dimension to the first years of the U S Soviet rivalry Foglesong explores the evolution of Wilson's ambivalent attitudes toward socialism and revolution before 1917 and analyzes the social and cultural origins of American anti Bolshevism Constrained by his espousal of the principle of self determination by idealistic public sentiment and by congressional restrictions Wilson had to rely on secretive methods to affect the course of the Russian Civil War The administration provided covert financial and military aid to anti Bolshevik forces established clandestine spy networks concealed the purposes of limited military expeditions to northern Russia and Siberia and delivered ostensibly humanitarian assistance to soldiers fighting to overthrow the Soviet government In turn the Soviets developed and secretly funded a propaganda campaign in the United States designed to mobilize public opposition to anti Bolshevik activity promote American Soviet economic ties and win diplomatic recognition from Washington

St. Louis and Empire Henry W Berger, 2015-04-23 From its eighteenth century French fur trade origins to post Cold War business dealings with Latin America and Asia the city has never neglected nor been ignored by the world outside its borders In this pioneering study Henry W Berger analyzes St Louis's imperial engagement from its founding in 1764 to the present day revealing the intersection of local political cultural and economic interests in foreign affairs

Baptists and Public Life in Canada Gordon L. Heath, Paul R. Wilson, 2012-02-02 Public discussion about the relationship between religion and public life in Canada can be heated at times and scholars have recently focused on the historical study of the many expressions of this relationship The experience of Canada's smaller Protestant Christian groups however has remained largely unexplored This is particularly true of Canada's Baptists This volume the first produced by the Canadian Baptist Historical Society explores the connections between Baptist faith and Baptist activity in the public domain and expands the focus of the existing scholarship to include a wide range of Canadian Baptist beliefs attitudes perspectives and actions related to the relationship between Baptist faith and practice and public life

Roger C. Sullivan and the Making of the Chicago Democratic Machine, 1881-1908 Richard Allen Morton, 2016-07-13 Dominating the Windy City for decades the Chicago Democratic Machine has become a fixture in American political history Under Mayor Richard J Daley it acquired almost mythical perhaps notorious status Yet its origins have remained murky some say it began as a shady enterprise during the ethnic upheaval of the late 1920s Based upon new research this book offers a fresh perspective Formed through factional warfare and consolidated with methods borrowed from the business world the Machine grew out of the unfettered capitalism of the late 19th century Its principal founder and first boss Roger C Sullivan represented a generation of businessmen politicians who emerged in the

1880s Sullivan and his allies created an informal public power structure that while serving their own interests also made government more functional The Machine is a product of America s Gilded Age and the Progressive Era and offers a lesson in the advantages and limitations of representative government **Caught in the Revolution** Helen Rappaport,2017-02-07 From the New York Times bestselling author of The Romanov Sisters comes a gripping portrait of a St Petersburg then named Petrograd at the outbreak of the Russian revolution **Russia in War and Revolution** William Voorhees Judson,1998 General William V Judson was Military Attach and Chief of the American Military Mission in Russia at the time of the Bolshevik Revolution His letters memoranda and reports constitute one of the most informed eye witness accounts of war and revolutionary conditions under the Provisional and Bolshevik Governments of Russia after the February Uprising and abdication of Czar Nicholas II and shed light on the initiation of U S Soviet relations Judson s overriding task was to keep Russia in the war against Germany His official communications pay particular attention to the organization and battle readiness of the Russian Army Published here for the first time is Judson s documentation of his December 1 1917 meeting with Trotsky the first official face to face discussions between a leader of the Bolshevik government and a diplomatic representative of the U S government Notable as well in this volume are Judson s analyses of the role of the Soviet of Workers Deputies and the Kornilov Uprising The collection concludes with some of his observations on revolutionary Russia and U S Soviet relations after his return to the States in February 1918 Judson was convinced of the necessity of direct discussions and negotiations between the U S and the Trotsky Lenin government following the Revolution However President Wilson and the three Republican administrations that succeeded him chose a different course The publication of these papers will contribute to our understanding of both the Revolution and the American struggle to find an appropriate policy to guide relations with Bolshevik Russia Origins of People-to-People Diplomacy, U.S. and Russia, 1917-1957 David W. McFadden,2022-05-02 Although there have been many studies of U S Soviet diplomacy in the twentieth century most explorations of people to people diplomacy begin in the 1980s and do not take into account the early contacts in the revolutionary period and 1920s This study explores in greater depth the religious figures radical activists entrepreneurs engineers social workers and others in both the U S and the Soviet Union who reached across the barriers of ideology and culture and history to forge tentative but real human connections in an attempt to further better understanding between the two countries All of these efforts prefigured the much more heralded citizen diplomacy efforts of the 1980s which helped end the Cold War 1932 David Pietrusza,2015-10-20 Two Depression battered nations confronted destiny in 1932 going to the polls in their own way to anoint new leaders to rescue their people from starvation and hopelessness America would elect a Congress and a president ebullient aristocrat Franklin Roosevelt or tarnished Wonder Boy Herbert Hoover Decadent divided Weimar Germany faced two rounds of bloody Reichstag elections and two presidential contests doddering reactionary Paul von Hindenburg against rising radical hate monger Adolf Hitler The outcome seemed foreordained unstoppable forces

advancing upon crumbled disoriented societies A merciless Great Depression brought greater perhaps hopeful perhaps deadly transformation FDR s New Deal and Hitler s Third Reich But neither outcome was inevitable Readers enter the fray through David Pietrusza s page turning account Roosevelt s fellow Democrats may yet halt him at a deadlocked convention 1928 s Democratic nominee Al Smith harbors a grudge against his one time protege Press baron William Randolph Hearst lays his own plans to block Roosevelt s ascent to the White House FDR s politically inspired juggling of a New York City scandal threatens his juggernaut In Germany the Nazis surge at the polls but twice fall short of Reichstag majorities Hitler tasting power after a lifetime of failure and obscurity falls to Hindenburg for the presidency also twice within the year Cabals and counter cabals plot Secrets of love and suicide haunt Hitler Yet guile and ambition may yet still prevail 1932 s breathtaking narrative covers two epic stories that possess haunting parallels to today s crisis filled vortex It is an all too human tale of scapegoats and panaceas class warfare and racial politics of a seemingly bottomless depression of massive unemployment and hardship of unprecedented public works infrastructure programs of business stimulus programs and damaging allegations of political cronyism of waves of bank failures and of mortgages foreclosed of Washington bonus marches and Berlin street fights of once solid financial empires collapsing seemingly overnight of rapidly shifting social mores and of mountains of irresponsible international debt threatening to crash not just mere nations but the entire global economy It is the tale of spell binding leaders versus bland businessmen and out of touch upper class elites and of two nations inching to safety but lurching toward disaster It is 1932 s nightmare with lessons for today

Loans and Legitimacy Katherine A.S. Siegel,2021-05-11 In 1919 the Soviet government directed Ludwig Martens to open a trade bureau in New York Before his deportation two years later Martens had established contact with nearly one thousand American firms and conducted trade in the face of a stiff Allied embargo His work planted the seeds for growing commercial ties between the U S and the U S S R throughout the 1920s Because the United States did not recognize the Soviet Union until 1933 historians have viewed the early Soviet American relationship as an ideological stand off Katherine Siegel drawing on public private and corporate documents as well as newly opened Soviet archives paints a different picture She finds that business ties flourished between 1923 and 1930 American sales to the Soviets grew twentyfold and American firms supplied Russians with more than a fourth of their imports American businesses were only too eager to tap into huge Soviet markets Under the Soviets New Economic Policy and first Five Year Plan American firms invested in the U S S R and sold technical processes provided consulting services built factories and trained Soviet engineers in the U S Most significantly Siegel shows this commercial relationship encouraged policy shifts at the highest levels of the U S government Thus when Franklin D Roosevelt opened diplomatic relations with Russia he was building on ties that had been carefully constructed over the previous fifteen years Siegel s study makes an important contribution to a new understanding of early Soviet American relations

The Russian Revolution and Civil War 1917-1921 Jonathan Smele,2006-04-15 The Russian Revolution and Civil

War in the years 1917 to 1921 is one of the most widely studied periods in history. It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves. However, until now, historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature. *The Russian Revolution and Civil War 1917-1921* offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history. The Bibliography focuses on the key years of 1917 to 1921, starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921, and covers all the key events of the intervening years. As such, it identifies these crucial years as something more than simply the creation of a communist state.

World War I Almanac David R. Woodward, 2009. Presents a day by day chronology of the events of World War I and a biographical dictionary of people involved in the conflict.

Distorted Mirrors Donald E. Davis, Eugene P. Trani, 2009. Drawing on memoirs, archives, and interviews, Davis and Trani trace American prejudice toward Russia and China by focusing on the views of influential writers and politicians over the course of the twentieth century, showing where American images originated and how they evolved. Provided by publisher.

For the Many Dorothy Sue Cobble, 2024-12-10. A history of the twentieth-century feminists who fought for the rights of women workers and the poor, both in the United States and abroad. *For the Many* presents an inspiring look at how US women and their global allies pushed the nation and the world toward justice and greater equality for all. Reclaiming social democracy as one of the central threads of American feminism, Dorothy Sue Cobble offers a bold rewriting of twentieth-century feminist history and documents how forces, peoples, and ideas worldwide shaped American politics. Cobble follows egalitarian women's activism from the explosion of democracy movements before World War I to the establishment of the New Deal, through the upheavals in rights and social citizenship at midcentury to the reassertion of conservatism and the revival of female-led movements today. Cobble brings to life the women who crossed borders of class, race, and nation to build grassroots campaigns, found international institutions, and enact policies dedicated to raising standards of life for everyone. Readers encounter famous figures including Eleanor Roosevelt, Frances Perkins, and Mary McLeod Bethune, together with less well-known leaders such as Rose Schneiderman, Maida Springer Kemp, and Esther Peterson. Multiple generations partnered to expand social and economic rights, and despite setbacks, the fight for the many persists as twenty-first-century activists urgently demand a more caring, inclusive world. Putting women at the center of US political history, *For the Many* reveals the powerful currents of democratic equality that spurred American feminists to seek a better life for all.

The Woman of a Thousand Names Alexandra Lapierre, 2020-03-31. From the internationally bestselling author of the fascinating epic *Associated Press*, *Between Love and Honor*, comes a rich, sweeping tale based on the captivating true story of the Mata Hari of Russia, featuring a beautiful aristocrat fighting for survival during the deadly upheaval of the Russian Revolution. Born into Russian aristocracy, wealth, and security, Moura never had any reason to worry. But in the upheaval of the Bolshevik Revolution, her entire world crumbles. As

her family and friends are being persecuted by Vladimir Lenin's ruthless police she falls into a passionate affair with British secret agent Sir Robert Bruce Lockhart But when he is abruptly and mysteriously deported from Russia Moura is left alone and vulnerable Now she must find new paths for her survival even if it means shedding her past and taking on new identities Some will praise her tenderness and undying loyalty Others will denounce her lies But all will agree on one point Moura embodies Life Life at all cost Set against the volatile landscape of 20th century Russia *The Woman of a Thousand Names* brings history to vivid life in a captivating tale about an extraordinary woman caught in the waves of change with only her wits to save her

A Companion to U.S. Foreign Relations Christopher R. W. Reform And Revolution The Life And Times Of Raymond Robins Introduction

In the digital age, access to information has become easier than ever before. The ability to download Reform And Revolution The Life And Times Of Raymond Robins has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Reform And Revolution The Life And Times Of Raymond Robins has opened up a world of possibilities. Downloading Reform And Revolution The Life And Times Of Raymond Robins provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Reform And Revolution The Life And Times Of Raymond Robins has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Reform And Revolution The Life And Times Of Raymond Robins. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Reform And Revolution The Life And Times Of Raymond Robins. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Reform And Revolution The Life And Times Of Raymond Robins, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit

vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Reform And Revolution The Life And Times Of Raymond Robins has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Reform And Revolution The Life And Times Of Raymond Robins Books

1. Where can I buy Reform And Revolution The Life And Times Of Raymond Robins books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
